on page 1 in Section 1 by striking from line 1 the following: "Section 1-6" and inserting in lieu thereof the following: "Sections 1-6 and 1-7"

And the amendment was adopted.

AMENDMENT No. 2.

Amend printed Senate Bill No. 259 by adding Section 1-7 immediately following Section 1-6, as follows:

"Sec. 1-7. The State of Illinois is authorized to issue and sell and provide for the retirement of bonds of the State of Illinois to the amount of Three Hundred and Eighty-five Million Dollars ($385,000,000.00) for the purpose of providing funds for making the payments provided for in this Act. The issuance, sale and retirement of the bonds shall be under the general supervision and control of the Service Recognition Board.

The bonds shall bear interest, payable annually, from their date, at the rate of not more than two per centum per annum. They shall be serial bonds and be dated, issued and sold from time to time in such amounts as may be necessary to provide sufficient money to make payments provided for in this Act. Each bond shall be in the denomination of $500.00 or some multiple thereof, and shall be made payable within twenty-five years from its date, and may be made subject to redemption in such manner and upon such terms as may be determined by the Service Recognition Board. These bonds shall be signed by the Governor and attested by the Secretary of State under the seal of the State and countersigned by the State Treasurer and by the Auditor of Public Accounts. The signatures of the Governor and Auditor of Public Accounts may be lithographed facsimile signatures. Interest coupons with lithographed facsimile signatures of the Governor, Secretary of State, Auditor of Public Accounts and State Treasurer may be attached to the bonds. The fact that an officer whose signature or facsimile appears on a bond or interest coupon no longer holds such office at the time the bond or coupon is delivered shall not invalidate such bond or interest coupon.

Pending the preparation and execution of any such bonds, temporary bonds may be issued with or without interest coupons. The bonds shall be sold to the highest and best bidders, for not less than their par value, upon sealed bids. The Service Recognition Board shall, from time to time as bonds are to be sold, advertise in at least two daily newspapers one of which is published in the City of Springfield and one in the City of Chicago for proposals to purchase the bonds. Each of such advertisements for proposals shall be published at least ten days prior to the date of the opening of the bids. The board may reserve the right to reject any and all bids. The bonds may, at the request of owners, be registered with the Auditor of Public Accounts. The bonds shall be deposited with the State Treasurer and when sold the proceeds of the bonds shall be paid into the State treasury and kept in a separate fund which shall be known as the Illinois Compensation Fund.

If, at any time hereafter, the Service Recognition Board shall ascertain that there is a surplus in the said Illinois Compensation Fund which exceeds by more than thirty million dollars the amount required to pay all claims for compensation under this Act, such Board shall, in writing, direct the Treasurer to, and the Treasurer shall thereupon, transfer twelve million dollars from the said Illinois Compensation Fund to the Service Recognition Bond, Interest and Retirement Fund, hereinafter mentioned, to be used for the payment of bonds and interest, as hereinafter provided.

Taxes are levied and imposed pursuant to Articles II, III and IV of this Act for the payment of the interest annually as it shall accrue, upon bonds issued pursuant to this Act, and to pay the principal of such bonds according to their terms. There is hereby created a special fund in the State treasury to be known as the Service Recognition Bond, Interest and Retirement Fund, into which fund the proceeds of all such taxes shall be paid. Moneys in such fund shall be used exclusively for the payment of the principal of and interest upon bonds issued pursuant to this Act."

And the amendment was adopted.

There being no further amendments, the foregoing Amendments numbered 1 and 2 were ordered printed, transcribed and typed; and the question then being, "Shall the bill, as amended, be ordered to a third reading?" it was decided in the affirmative.

AMENDMENT No. 1.

Amend printed Senate Bill No. 189 in House, on pages 3, 4 and 5, by striking all of Sec. 4 and inserting in lieu thereof the following:

"Sec. 4. Contract for Development.) When any private interest shall submit to the State Housing Board a preliminary plan for the development of homes or rental housing and buildings and improvements, public or private, appropriate to serving the needs of a residential community, upon a site in a blighted vacant area, and makes an offer to pay cash for the site in an amount acceptable to the Board, the Board shall recommend to the Governor the institution of eminent domain proceedings by the State of Illinois to acquire the fee simple title to said site for such purpose."

And the amendment was adopted.

AMENDMENT No. 2.

Amend printed Senate Bill No. 189 in House, on page 5, by striking all of Sec. 6, and inserting in lieu thereof the following:

"Sec. 6. Sale of Land.) After title to the site is vested in the State of Illinois, the State of Illinois, acting through the Governor and the Secretary of State, shall sign, seal, and deliver a deed conveying the site to the developer or his heirs, devisees, successors or assigns, in consideration of the offer of the developer, provided that:

(a) The plans of development have been approved by the corporate authorities of the municipality in which the site is located, or by the corporate authorities of the county where the site is located in an unincorporated area.

(b) The developer has satisfied the Board that the completion of development will be accomplished within a reasonable time after title to the site has been acquired from the State of Illinois by depositing bond with surety to be approved by the Board, or making a cash deposit, in either case in such amount as shall be deemed adequate by the Board. Such bonds shall designate the People of the State of Illinois as obligee thereunder and the developer as obligor thereon, and shall be conditioned upon completion of development by the developer in accordance with the plans of development, or such revisions therein as may be approved by the Board, within a period to be specified by the Board or any subsequent extension of this period by the Board.

Such bond shall be in substantially the following form:

'KNOW ALL MEN BY THESE PRESENTS, that we, A.B., C.D., and E.F., of the County of.....and State of Illinois, as principals, and .....as surety, are bound to the People of the State of Illinois in the penal sum of.....($.....), lawful money of the United States, for the payment of which we and each of us bind ourselves and our heirs, executors, administrators and assigns jointly by these presents.

The condition of this bond is such that if the said A.B., C.D., and E.F., shall well and truly complete development of a site located at..... in accordance with plans of development submitted to the Illinois State Housing Board on....., 19...., or in accordance with such revisions of such plans of development as may hereafter be approved

by the Illinois State Housing Board, such completion of development to be within a period of.....years, or any subsequent extension of this period by the Illinois State Housing Board, then this obligation is void; otherwise it remains in full force and effect.

WITNESS OUR HANDS AND SEALS THIS.....day of ....., 19....'

The bond shall be signed and sealed by the principals and sureties and after approval by the Board shall be filed and recorded by the Board."

GENERAL RESOLUTIONS

The House proceeding on the order of General Resolutions, Messrs. Morris, Stransky, Burt, David Hunter, Edw. C. Hunter and Mrs. M. E. Green offered the following resolution, and having asked and obtained unanimous consent to suspend the rules for its immediate consideration, moved its adoption:

HOUSE JOINT RESOLUTION No. 49

WHEREAS, At the present time there are no adequate camping and recreational facilities in northern Illinois for the youth of that section of the State; and

WHEREAS, Lowden Memorial State Park, occupying a magnificent site on Rock River, affords an ideal location for a youth camp; and

WHEREAS, It is estimated that youth in the northwestern part of the State would spend approximately $60,000 a year in such a camp, and if the camp were established on a permanent basis, a certain percentage of this amount could be used for the development of the park; therefore, be it

Resolved, by the House of Representatives of the Sixty-sixth General Assembly of the State of Illinois, the Senate concurring herein, That we declare it to be the intent and wish of the General Assembly that a part of Lowden Memorial State Park be established as a youth camp for boys and girls belonging to recognized youth organizations; that the buildings and equipment now located there should be developed by youth in vacation to protect a substantial investment already made, and that the reconstruction and development of the park by the youth should be a part of the vacation program; that buildings now located in the park should not be destroyed until further appraisal has been made and a valuation has been placed on them; and that the Department of Public Works and Buildings should cooperate in this program.

And the resolution was adopted.

Ordered that the Clerk inform the Senate thereof and ask their concurrence therein.

At the hour of 2:50 o'clock P. M., Mr. James J. Ryan moved that the House do now adjourn.

The motion prevailed.

And in accordance therewith and pursuant to Senate Joint Resolution No. 38, the House stood adjourned until Monday, June 20, 1949 at 4:00 o'clock P. M. (C.D.S.T.)

MONDAY, JUNE 20, 1949, 4:00 O'CLOCK P. M.

There being no further amendments, the foregoing Amendment No. 1 was ordered printed; and the question then being, "Shall the bill, as amended, be transcribed and typed for a third reading?" it was decided in the affirmative.

By unanimous consent, on motion of Mr. Westbrook, Senate Bill No. 41 was recalled from the order of third reading to the order of second reading for the purpose of amendment.

And Senate Bill No. 41, a bill for "An Act to amend Section 12 of 'An Act in relation to Southern Illinois University', approved March 9, 1869, as amended."

Was again taken up in the order of second reading.

Mr. Westbrook offered the following amendment and moved its adoption:

AMENDMENT No. 1.

Amend printed Senate Bill No. 41 in House in line 2 of the title by striking "Section 12" and inserting in lieu thereof "Sections 12 and 15"; and by inserting "the" immediately preceding "Southern"; and
in Section 1, line 1 by striking "Section 12" and inserting in lieu thereof "Sections 12 and 15"; and
by inserting "the" immediately preceding "Southern"; and
in line 2 by striking "is" and inserting in lieu thereof "are"; and
on page 1 by inserting immediately after Section 12 a new Section to read as follows:

"Sec. 15. The expense of the building, improving, repairing and supplying fuel and furniture and the necessary appliance and apparatus for conducting said school, and the salaries or compensation of the Board of Trustees of Southern Illinois University, superintendent, assistants, agents and employees, shall be a charge upon the State Treasury; all other expenses shall be chargeable against pupils, and the Board of Trustees of Southern Illinois University shall regulate the charges accordingly."

And the amendment was adopted.

There being no further amendments, the foregoing Amendment No. 1 was ordered printed, transcribed and typed; and the question then being, "Shall the bill, as amended, be again ordered to a third reading?" it was decided in the affirmative.

By unanimous consent, on motion of Mr. Westbrook, House Bill No. 852, was recalled from the order of its passage to the order of second reading for the purpose of amendment.

And House Bill No. 852, a bill for "An Act to amend Section 11-18 of 'The School Code,' approved May 1, 1945, as amended."

Was again taken up in the order of second reading.

Mr. Westbrook offered the following amendment and moved its adoption:

AMENDMENT No. 1.

Amend printed House Bill No. 852, on page 4, by striking lines 76 to 81 inclusive, and inserting in lieu thereof the following: "clerks shall extend taxes against the territory in such districts.

The trustees of schools may, in their discretion, annex any non-high school territory of their township within which no voter resides to any adjacent school district of the State maintaining a recognized four-year high school, and in the case of such annexation shall notify the county superintendent of schools thereof who shall"

And the amendment was adopted.

There being no further amendments, the foregoing Amendment No. 1 was ordered printed; and the question then being, "Shall the bill, as amended, be again transcribed and typed for a third reading?" it was decided in the affirmative.

This bill, having received the votes of a constitutional majority of the members elected, was declared passed.

Ordered that the title be as aforesaid, and that the Clerk inform the Senate thereof and ask their concurrence therein.

House Bill No. 993, a bill for "An Act defining and providing for the registration and regulation of proprietary schools and classes and the registration of solicitors of such schools, conferring powers, and imposing duties on the Department of Registration and Education, and prescribing penalties, and to repeal an Act therein named."

Having been transcribed and typed and all amendments adopted thereto having been printed, was taken up and read at large a third time.

And the question being, "Shall this bill pass?"

Pending roll call, on motion of Mr. Mioduski further consideration of House Bill No. 993 was postponed.

By unanimous consent, on motion of Mr. Lewis, Senate Bill No. 409 was recalled from the order of third reading to the order of second reading for the purpose of amendment.

And Senate Bill No. 409, a bill for "An Act providing for the creation and operation of Hospital Districts."

Was again taken up in the order of second reading.

Mr. Lewis offered the following amendment and moved its adoption:

AMENDMENT No. 9.

Amend printed Senate Bill No. 409 in House, as amended, in the first sentence of the second paragraph of Sec. 10 by striking that part of the first sentence following the second comma and inserting in lieu thereof the following: "not less than 50% of the legal voters residing within any municipality or any civil township (or congressional township in counties under commission form of government) or such fractional part of either type of township as is included within such District may file a petition for the detachment of such territory with the county clerk of the county in which the District or the greater portion thereof is situated addressed to the judge of the county court; provided, that such detachment is not permissible if it will destroy the contiguity of the territory of the District."

And the amendment was adopted.

There being no further amendments, the foregoing Amendment No. 9 was ordered printed, transcribed and typed; and the question then being, "Shall the bill, as amended, be again ordered to a third reading?" it was decided in the affirmative.

By unanimous consent, on motion of Mr. Meites, House Bill No. 1099 was recalled from the order of third reading to the order of second reading for the purpose of amendment.

And House Bill No. 1099, a bill for "An Act in relation to continuity of service credit for employees in governmental service and for the reciprocal allowance of such credits for retirement annuities and widows' annuities provided by public employee annuity and benefit funds, retirement or pension systems created by an Act or Acts of the legislature of the State of Illinois for the benefit of employees in governmental service."

Was again taken up in the order of second reading.

Mr. Meites offered the following amendments and moved their adoption:

AMENDMENT No. 1.

Amend Printed House Bill No. 1099, on page 2, Section 1, by striking line 24 and inserting in lieu thereof the following: "the qualifying conditions prescribed by the pro-"; and
on page 3, Sec. 4, by striking lines 4 and 5, and inserting in lieu thereof the following: "pension credit. Each fund shall determine the amount"; and
on page 3, Sec. 3, line 11, by inserting before the word "prescribed" the words "or minimum pension credit requirements"; and
on page 4, Sec. 5, by striking lines 5 and 6 and inserting in lieu thereof the following: "credit for widow's annuity purposes. Each fund shall"; and
on page 5, Sec. 6, line 13, by striking the word "applicable" and inserting in lieu thereof the following: "prescribed in respect to such repayments".

And the amendment was adopted.

AMENDMENT No. 2.

Amend printed House Bill No. 1099, on page 5, by adding after line 18 the following sections:

"Sec. 7. Separability of obligations. This Act shall not be deemed to impose any obligation upon any governmental unit except only with respect to such services as shall be rendered by employees for and in behalf of such governmental unit.

"Sec. 8. Scope of Act. This Act shall apply only to such retirement funds wherein the Act or Acts creating such funds, by express reference, adopt the provisions hereof, provided that in any event this Act shall apply only if all retirement funds in which an employee shall have established pension credit shall adopt this Act and be subject to all provisions hereof.

"Sec. 9. Title of Act. This Act shall be known and may be cited as the 'Reciprocal Pension Credit Act'."

And the amendment was adopted.

There being no further amendments, the foregoing Amendments numbered 1 and 2 were ordered printed; and the question then being, "Shall the bill, as amended, be again transcribed and typed for a third reading?" it was decided in the affirmative.

By unanimous consent, on motion of Mr. Burt, House Bills numbered 289 and 293 were ordered to lie on the table.

By unanimous consent, on motion of Mrs. Van der Vries, House Bill No. 221 was ordered to lie on the table.

Reports from Standing Committees

The House proceeding on the order of reports from standing committees, Mr. Downey, from the Committee on Enrolling, Transcribing and Typing of Bills, reported that House amendments to bills of the following titles have been correctly transcribed and typed and are returned herewith:

SENATE BILL NO. 41

A Bill for "An Act to amend Section 12 of 'An Act in relation to Southern Illinois University', approved March 9, 1869, as amended."

SENATE BILL NO. 409

A Bill for "An Act providing for the creation and operation of Hospital Districts."

The foregoing bills, numbered 41 and 409, were placed in the order of Senate Bills on third reading.

HOUSE BILLS ON SECOND READING

The House proceeding on the order of House Bills on second reading, House Bill No. 820, a bill for "An Act in relation to classification and planning of public highways."

Having been printed, was taken up and read at large a second time.

The Committee on Roads and Bridges offered the following amendments and moved their adoption:

AMENDMENT NO. 1

Amend printed House Bill No. 820 on page 3, Section 4, line 32, by striking the word "satisfactorily" following the word "been" and the words "oiled earth, gravel, mac-" following the word "with"; all of "line 33"; and in line 34 the words "or other hard-surfaced type of pavement as determined by" and in lieu thereof insert the words "an all-weather surface satisfactory to" immediately following the word "with" in line 32.

And the amendment was adopted.

AMENDMENT NO. 2

Amend printed House Bill No. 820, on page 2, Sec. 3, by striking the last sentence.

And the amendment was adopted.

AMENDMENT NO. 3

Amend printed House Bill No. 820, on page 2, by inserting the following sections immediately preceding Sec. 4:

"Sec. 4. The systems of roads and streets named in Section 3 of this Act shall be under the immediate jurisdiction of, and shall be the primary administrative and financial responsibility of the following classes of governmental units of this State.

(a) The roads and streets of the primary system shall be administered by the State through the Department of Public Works and Buildings.

(b) The secondary road system shall be administered by the several counties of the State, each respective county having that responsibility with respect to roads situated within or upon its boundaries.

(c) The local road system shall be administered by the several townships, road districts, and township road districts of the State, each respective township, road district, or township road district having that responsibility with respect to roads situated within or upon its boundaries.

(d) The municipal street system shall be administered by the several cities, villages, and incorporated towns of the State, each respective city,

village, or incorporated town having that responsibility with respect to streets situated within or upon its boundaries.

Sec. 5. The delegation of jurisdiction for primary administrative and financial responsibility contained in Section 4 of this Act shall not exclude the supervisory responsibility conveyed to the State over roads of the secondary and local systems or the municipal street system under Section 15d of the Act to revise the law in relation to roads and bridges, approved June 27, 1913, as amended, or in Sections 9, 10½, and 11¼ of the Motor Fuel Tax Law.

Sec. 6. The delegation of jurisdiction for primary administrative and financial responsibility contained in Section 4 of this Act shall not prevent the execution of cooperative agreements among governmental agencies contemplating a secondary administrative or financial responsibility.

(a) Any city, village, or incorporated town may negotiate an agreement with the State whereby the city, village, or incorporated town may use such funds as are available to it for that purpose for the construction or maintenance of an improvement on a primary street within its boundaries or with the corporate authority of a county, township, road district, or township road district for the construction or maintenance of an improvement on the secondary or local road system outside of its municipal boundaries.

(b) The corporate authority of any county may negotiate an agreement with the State whereby the county may use such funds as are available to it for that purpose for the construction or maintenance of an improvement on the primary system or with a city, village, or incorporated town for the construction or maintenance of streets on the municipal street system of such incorporated place."; and

on pages 2, 4, 5 and 6 by renumbering Secs. 4, 5, 6, 7, 8 and 9 to read Secs. 7, 8, 9, 10, 11 and 12 respectively; and

on page 4, Sec. 6, line 3, by striking "4" and inserting in lieu thereof "7".

And the amendment was adopted.

AMENDMENT NO. 4

Amend printed House Bill No. 820, on page 5, Sec. 6, by striking line 23 and inserting in lieu thereof the following: "system."

And the amendment was adopted.

There being no further amendments, the foregoing Amendments numbered 1, 2, 3 and 4 were ordered printed; and the question then being, "Shall the bill, as amended, be transcribed and typed for a third reading?" it was decided in the affirmative.

House Bill No. 1063, a bill for "An Act to amend Sections 50-1, 50-2 and 50-3 of the Revised Cities and Villages Act, approved August 15, 1941, as amended."

Having been printed, was taken up and read at large a second time; and the question being, "Shall the bill be transcribed and typed for a third reading?" it was decided in the affirmative.

House Bill No. 1065, a bill for "An Act to amend Sections 18-2, 18-3, 18-4, 18-5, 18-6, 18-7, 18-8, 18-9, 18-10, 18-13 and 18-14 of 'An Act providing for a system of free schools', approved May 1, 1945, as amended."

Having been printed, was taken up and read at large a second time.

Mr. Clabaugh offered the following amendment and moved its adoption:

AMENDMENT No. 1.

Amend printed House Bill No. 1065, on page 1, by striking line 2 of the title and inserting in lieu thereof the following:

"For an Act to amend Sections 18-9, 18-10, 18-12"; and

by striking everything after the enacting clause and inserting in lieu thereof the following:

"Section 1. Sections 18-9, 18-10, 18-12 and 18-14 of 'An Act providing for a system of free schools', approved May 1, 1945, as amended, are amended to read as follows:

Sec. 18-9. The balance of the sum remaining to be apportioned after computing the amounts provided in Sections 18-3 to 18-8, inclusive, shall be assigned to the several counties for the benefit of the several school districts therein in proportion to the several county claims composing the State report of claims most recently submitted under Section 18-14. If the money available in the common school fund for this purpose [if] *is* greater or less than the amount required under the provisions of this Act, the apportionment to each county shall be proportionately increased or reduced.

The amounts to be apportioned shall be determined for each county by school districts, including the non-high school district, as follows:

1. For each pupil in average daily attendance as accredited for the school year in the manner hereinafter provided, other than pupils whose tuition is paid from the State treasury under Sections 18-3 and 18-4 there shall be granted a general apportionment of $22 for each pupil in kindergarten and elementary school grades below the ninth and $7 for each high school pupil in grades 9 to 12 inclusive.

The actual number of pupils in average daily attendance shall be computed in a one-teacher school by dividing the total aggregate days of attendance by the actual number of days school is in session; and in schools of two or more teachers, or in schools where records of attendance are kept by session teachers, by taking the sum of the respective averages of the units composing the group. Days of attendance shall be counted only for sessions of not less than four clock hours class time work per day, with pupils of legal school age and in kindergarten and grades one to twelve inclusive. For a kindergarten pupil not more than one-half day of attendance shall be counted in any one day, and attendance in the kindergarten for the same pupil shall not be counted after his first year of such attendance. Days of attendance by tuition pupils shall be accredited only to the districts that pay the tuition.

2. In addition to the general apportionments based on average daily attendance as provided above, equalization quotas shall be determined as follows:

Equalization quotas shall be computed from the number of pupils determined in the manner provided for general grants above in this section, with attendance for a kindergarten pupil being counted as not more than one-half day in any one day and only for the first year of attendance in a kindergarten.

In [the] *any* school year [beginning July 1, 1946 and thereafter] a school district which levies for educational purposes on account of pupils below grade 9 a sum at least equivalent to .25 per cent of the full, fair cash value of all its taxable property as equalized or assessed by the Department of Revenue shall be entitled also to such equalization quota as is necessary to supplement .25 per cent of the full, fair cash value of all its taxable property, as equalized or assessed by the Department of Revenue, and the above general grants for pupils below grade 9, including the kindergarten, by an amount that will produce the larger sum under the following computation: (1) the sum of $[90] *135* per pupil below grade 9, including the kindergarten, in average daily attendance; or (2) the sum of $1400 per school building not in excess of two which it is necessary to operate and maintain. Provided, that for any school year ending on June 30 in the period beginning July 1, 1947 and ending June 30, 1951 such $1400 flat sum shall be used in computing an equalization quota only after a joint permit is obtained by the

school board, previous to the beginning of the school term for any such school year, from the county superintendent of schools and the Superintendent of Public Instruction upon certification by such board that no means can be arranged to provide education of the pupils other than employment of a teacher in the home district and that such permit will not deter the district from perfecting plans to become a part of a larger district.

In any [such] school year [beginning July 1, 1946, or thereafter,] a school district, including any non-high school district, which levies for educational purposes on account of high school pupils a sum at least equivalent to .25 per cent of the full, fair cash value of all its taxable property, as equalized or assessed by the Department of Revenue, shall be entitled also to such equalization quota as is necessary to supplement .25 per cent of the full, fair cash value of all its taxable property, as equalized or assessed by the Department of Revenue, and the above general grants for high school pupils by an amount that will produce a sum of $[100] *135* per high school pupil in average daily attendance. In any [such] school year [beginning July 1, 1946, or thereafter,] any school district maintaining grades 1 to 12, inclusive, shall be deemed to qualify for said equalization quotas for pupils below grade 9 and high school pupils if it levies an amount for educational purposes at least equivalent to .375 per cent of the full, fair cash value of all its taxable property, as equalized or assessed by the Department of Revenue, and shall compute any equalization quota due by combining the computations for pupils below grade 9, including the kindergarten, and high school pupils and by using .375 per cent as a qualifying rate for such computation.

Any school district which fails for any given school year to maintain school as required by law, or to maintain a recognized school [for any school year beginning on or after July 1, 1947], shall not be eligible to file for such school year any claim upon the common school fund. A 'recognized school' means any public school which meets the standards as established for recognition by the Superintendent of Public Instruction.

Provided, further, that school district claims filed under this section are subject to the provisions of Sections 18-10, 18-11, 18-12 and 18-14.

The several county clerks shall certify to the county superintendents of schools of their respective counties the full, fair cash value, as equalized or assessed by the Department of Revenue, of all taxable property in each school district located in their respective counties. In the case of any district located in two or more counties, such certification shall be made by the county clerks in the counties involved, jointly.

Provided that, as to the claims based upon the statistics for the school year ended on June 30, 1948, the Superintendent of Public Instruction within thirty days after the effective date of this amendatory act shall amend the State report of claims for State aid by recomputing the district claims for each county and for any city or school district for which he must report separately, regardless of any limitations on claims otherwise provided in Sections 18-9, 18-10, 18-12 and 18-14. Such recomputation shall raise the total equalization level of $90 per pupil below grade nine to $135 and the equalization level of $100 per high school pupil to $135. The Superintendent of Public Instruction shall report to each county superintendent of schools the recomputed claims for his respective county as thus amended, and the county superintendent within ten days shall check such recomputation of the claims for districts of his county based upon statistics for such school year ended June 30, 1948, and report any questions as to such recomputation to the Superintendent of Public Instruction. On or before June 25, 1949 the Superintendent of Public Instruction shall make any necessary revisions and file an amended State report of claims for State aid for such school year ended June 30, 1948 with the Auditor of Public Accounts, and the Auditor shall use such amended report instead of the previously filed State report of claims for the school year ended June 30, 1948.,

Sec. 18-10. Any district making claim for a supplementary equalization quota shall not be entitled to such portion of said computed equalization quota as may cause the sum of (1) the general grants, (2) the equalization quotas, and (3) the amount determined by applying the qualifying rate to

the equalized assessed valuation, to be in excess of the educational expenditures required for the ensuing school year on account of resident pupils. The amount of such annual current educational expenditures shall be determined from a certified budget submitted with the claim for an equalization quota. *Provided that, as to claims based upon the statistics for the school year ended June 30, 1948, any limitations in this section shall be modified to the extent of the provisions made in Section 18-9 by this amendatory act.*

Any school district claiming an equalization quota shall not increase its annual net cash balance in the educational fund for the fiscal school year by failing to expend for educational purposes the total of (1) the general grant, (2) the equalization quota, and (3) the amount determined by applying the qualifying rate to the equalized assessed valuation of the district. Any district which increases such annual net cash balance by failing to expend the sum of (1) the general grant, (2) the equalization quota, and (3) the amount determined by applying the qualifying rate to the equalized assessed valuation of the district, shall have its next claim for an equalization quota reduced in an amount equal to the increase.

Current expenditures made in any district receiving a special equalization quota and governed by a board of directors shall be approved in advance by the county superintendent of schools.

[Any school district which fails to maintain a recognized school for any given school year beginning prior to July 1, 1947, shall not be granted its computed equalization quota as determined for that year under the terms of this Act. A "recognized school" in this and subsequent sections means any public school which meets the standards as established for recognition by the Superintendent of Public Instruction.]

Sec. 18-12. In any year a school district which does not maintain an elementary school in the school building of the district but instead provides for the attendance of all its pupils in grades 1 to 8, inclusive, in a recognized school of some other district or districts, shall provide free necessary transportation for such pupils, shall pay their tuition in the schools attended and shall levy for educational purposes on account of elementary school pupils an amount equivalent to .25 per cent of full, fair cash value, as equalized or assessed by the Department of Revenue, and in which the sum of the amount of such levy and the general grant is not sufficient to pay such tuition and the cost of such transportation, or one hundred fifty dollars per pupil in average daily attendance, whichever is lesser, shall in lieu of an equalization quota be entitled to an additional amount which, when added to such sum, equals the cost of such tuition and transportation, or one hundred fifty dollars per pupil in average daily attendance, whichever is lesser, provided that in no event shall the additional amount payable hereunder exceed the amount of the equalization quota to which said district would except for any relevant provisions of Section 18-11 otherwise be entitled under Sections 18-2 to 18-[3] *13*, inclusive, if it were maintaining an elementary school in its school building. *Provided that, as to claims based upon the statistics for the school year ended June 30, 1948, any limitations in this section shall be modified to the extent of the provisions made in Section 18-9 by this amendatory act.*

Sec. 18-14. Data upon which the annual apportionment of the common school fund shall be made among the counties for the benefit of the several school districts therein shall be based upon statistics of the school year ending one year prior to June 30 preceding such apportionment.

The school board of each school district shall require teachers, principals, or superintendents to furnish from records kept by them such data as it needs in preparing and certifying to the county superintendent not later than July 15th of each year its school district report of claims for state aid on blanks to be provided by the Superintendent of Public Instruction.

Failure on the part of the school board to prepare and certify the school district report of claims for State aid to the county superintendent on or before August 15 shall constitute a forfeiture by the district of its right to participate in a distribution of the common school fund for the succeeding year.

The county superintendent of schools shall prepare and certify to the Superintendent of Public Instruction not later than October 1 of each year, the county report of claims for State aid upon blanks prepared and furnished by the Superintendent of Public Instruction.

The Superintendent of Public Instruction shall prepare and certify to the Auditor of Public Accounts not later than March 1 of each of the following years, the State report of claims for State aid setting forth the amount of money due each county from the common school fund, together with the amount claimed by each city or school district not coming under the provisions of ["An Act in relation to an Illinois State teachers' pension and retirement fund", approved May 27, 1915, as amended, or under any] *the* retirement system [that legally succeeds it] *created by Section 25-1 to 25-92, inclusive.*

Provided that, as to the claims for State aid based upon the statistics for the school year ended on June 30, 1948, recomputation of claims and amendment of reports certified for said school year shall be made in the manner and in accordance with dates specified in Section 18-9 under this amendatory act."

Mr. Edwards moved to lay the amendment on the table.

And the question being on the motion to table, on demand of five members, a call of the roll was had resulting as follows: Yeas, 81; nays, 60.

"Section 4. No part of the money appropriated by this Act shall be distributed to any school district in which any student is excluded from or segregated in any public school, within the meaning of 'The School Code', because of his race, color or nationality."

And the amendment was adopted.

There being no further amendments, the foregoing Amendments numbered 1 and 3 were ordered printed; and the question then being, "Shall the bill, as amended, be transcribed and typed for a third reading?" it was decided in the affirmative.

House Bill No. 1067, a bill for "An Act to amend Sections 17-2 and 17-9 of 'The School Code', approved May 1, 1945, as amended."

Having been printed, was taken up and read at large a second time.

Mr. Edwards offered the following amendment and moved its adoption:

AMENDMENT No. 1

Amend printed House Bill 1067 in line 2 of the title by inserting after the word "Sections" the figures "11-3" followed by a comma;
and in line 1 of Section 1 on page 1 by inserting after the word "Sections" the figures "11-3" followed by a comma;
and by inserting after line 2 of Section 1 on page 1 the following:

"Sec. 11-3. Levy a tax annually upon all the taxable property of the district not to exceed .50 per cent of full, fair cash value, as equalized or assessed by the Department of Revenue, for the purpose of paying the tuition of all eighth-grade graduates residing within the district attending any two, three or four year recognized high school; provided, if the board desires that the annual tax levy shall be increased to not more than .625 per cent upon such valuation for such purpose it shall, using the form of ballot prescribed in Section 11-9, cause a proposition for an assent thereto to be submitted to the voters of the district at any general or special election. However, notwithstanding any other provision of this section, if the maximum levy which the board of any such district may make will not produce an amount equal to .40 per cent of full, fair cash value of all taxable property in the district, as equalized or assessed by the Department of Revenue, then the board of such district shall be authorized to levy an amount equal to .40 per cent of full, fair cash value of all taxable property in the district as equalized or assessed by the Department of Revenue. The tax levy shall be certified and returned to the county clerk on or before the first Tuesday in October. Provided, further, that the foregoing limitations upon tax rates are subject to the provisions of the General Revenue Law of Illinois. The certificate shall be signed by the president and the secretary of the board and may be in the following form:

CERTIFICATE OF TAX LEVY

We hereby certify that we require the sum of..... dollars to be levied as a special tax to pay the tuition of graduates of the eighth grade residing in the non-high school district of..... County, on the equalized assessed valuation of the taxable property of our non-high school district.

Signed this .....
day of..... 19.....
A..... B....., President
C..... D....., Secretary

A failure to certify and return the certificate of tax levy to the county clerk in the time required shall not vitiate the assessment.

If any school board has made its 1949 levy heretofore and has not levied an amount equal to .40 per cent of the full value of all taxable property in the district, it may, on or before the first Tuesday in October, 1949, adopt a supplemental levy for 1949 of such additional amount as will make its total levy equal to .40 per cent as herein authorized. Such supplemental tax may be appropriated at any time during 1949 notwithstanding that the annual budget and appropriation ordinance have been adopted prior hereto.

If any such school board has heretofore made such certification as to its 1949 tax levy and hereafter adopts a supplemental levy as herein authorized it may make a supplemental certificate in substitution of its original certificate which shall be certified and returned as above provided.

And the amendment was adopted.

There being no further amendments, the foregoing Amendment No. 1 was ordered printed; and the question then being, "Shall the bill, as amended, be transcribed and typed for a third reading?" it was decided in the affirmative.

By unanimous consent, on motion of Mr. Edwards, House Bill No. 1069 was ordered to lie on the table.

House Bill No. 1070, a bill for "An Act to amend Sections 6-15, 6-23, 6-33, 6-53, 7-6, 7-9, 11-1 and 11-18 of The School Code, approved May 1, 1945, as amended, and to add Section 7-20 thereto."

and in line 73 by striking "3,000" and by inserting in lieu thereof "2,000"

And the amendment was adopted.

There being no further amendments, the foregoing Amendment No. 1 was ordered printed; and the question then being, "Shall the bill, as amended, be transcribed and typed for a third reading?" it was decided in the affirmative.

House Bill No. 1068, a bill for "An Act to create a commission to survey and study the problems pertaining to the public schools in this State, to define its powers and duties, and to make an appropriation therefor."

Having been printed, was taken up and read at large a second time.

Mr. Westbrook offered the following amendment and moved its adoption:

AMENDMENT No. 1

Amend printed House Bill No. 1068 in Section 2 on page 2 by changing the period at the end of line 13 to a semi-colon and by inserting after line 13 the following:

"(7) Problems which arise in the school township organization, particularly where enlarged school districts are created;

(8) Needs of further codification and revisions in the school laws."

And the amendment was adopted.

There being no further amendments, the foregoing Amendment No. 1 was ordered printed; and the question then being, "Shall the bill, as amended, be transcribed and typed for a third reading?" it was decided in the affirmative.

House Bill No. 843, a bill for "An Act to amend Sections 127 and 131 of 'An Act in relation to the regulation of traffic', approved July 9, 1935, as amended."

Having been printed, was taken up and read at large a second time; and the question being, "Shall the bill be transcribed and typed for a third reading?" it was decided in the affirmative.

SENATE BILLS ON SECOND READING

The House proceeding on the order of Senate Bills on second reading, Senate Bill No. 10, a bill for "An Act to amend Section 8-9 of 'The School Code', approved May 1, 1945, as amended."

Having heretofore been recalled to the order of second reading for the purpose of amendment on June 6th, Amendment No. 1 tabled, Amendments numbered 2 and 3 adopted and further consideration postponed, the same was again taken up in the order of second reading.

Mr. Thon offered the following amendment and moved its adoption:

AMENDMENT No. 4

Amend printed Senate Bill No. 10 in House as amended by striking all of Sec. 8-9 and inserting in lieu thereof the following:

"Sec. 8-9. Upon receipt of a petition signed by two hundred (200) or more voters residing in any contiguous and compact territory, no part of which is included within any community unit school district, having a population of not less than two thousand (2,000) and not more than five hundred thousand (500,000) persons and an equalized assessed valuation of not less than six million dollars ($6,000,000), described in the petition, such

petition to contain signatures from at least three-fourths of the school districts or parts of districts in the territory included in the petition, the county superintendent of schools of the county in which the territory or the greater part thereof is situated shall cause notice of the presentation of such petition to be given by publishing a notice thereof at least once each week for three successive weeks in at least one newspaper having general circulation within the area of the territory of the proposed district. The notice shall state when and to whom the petition was presented, the description of the territory of the proposed district, and the day on which the hearing upon the petition will be held. On such day or on a day to which the county superintendent shall continue said hearing, the county superintendent shall hear the petition and determine the sufficiency thereof as herein prescribed and may adjourn the hearing from time to time or continue the matter for want of sufficient notice or for other good cause. Upon application of the petitioners, the county superintendent shall permit amendment of the petition but shall not permit the withdrawal of any signature except by consent of a majority of the petitioners or where the county superintendent is satisfied that a signature was obtained by fraud or misrepresentation. The county superintendent shall hear evidence as to the school needs and conditions of the territory and in the area within and adjacent thereto and shall determine whether the territory described in the petition is compact and contiguous for school purposes.

At the hearing, any resident in the proposed district may appear in support of the petition or to object to the sufficiency thereof or to offer evidence concerning the compactness and contiguity of said territory for school purposes. At the conclusion of the hearing the county superintendent shall make a decision either approving or denying the petition. If the county superintendent denies the petition no election shall be held or further proceedings had unless his decision is reversed upon review. If the county superintendent approves the petition he shall call an election to be held at least 40 days after such approval for the purpose of voting for or against the proposition of establishing a community unit school district to maintain grades one to twelve, inclusive. The decision of the county superintendent shall be deemed an 'administrative decision' as defined in Section 1 of the 'Administrative Review Act' and any petitioner or resident who appears at the hearing may apply for a review of such decision in accordance with the 'Administrative Review Act', and all amendments and modifications thereof and the rules adopted pursuant thereto. The commencement of any action for review shall operate as a supersedeas, and no election shall be held pending final disposition of such review. Whenever an election is permissible or required under this Section, the county superintendent shall post notices of the election for at least ten days in ten public places throughout the territory, which may be in substantially the following form:

NOTICE OF ELECTION

Notice is hereby given that on the ..... day of ....., 19...., an election will be held at ..... for the purpose of voting for or against the proposition to establish a community unit school district to maintain grades one to twelve, inclusive, within the following described compact and contiguous territory, to-wit:.....

.....

The polls will be opened at 12:00 o'clock Noon, and closed at 7:00 o'clock P. M. of said day.

The election is called and will be held pursuant to a petition filed with the undersigned on the ..... day of ....., 19...., signed by not less than two hundred (200) legal voters residing in such territory.

Dated this ..... day of ....., 19....

.....

County Superintendent of Schools

.....County, Illinois

This section shall not apply to the territory or portions thereof of any school district having a population exceeding 500,000 and any petition heretofore filed which includes any portion of such school district is void and no further proceedings shall be based thereon."

EDWARD H. ALEXANDER, *Secretary of the Senate.*

By unanimous consent, the foregoing Senate Bill No. 445 was taken up, read by title, ordered printed and to a first reading.

A message from the Senate by Mr. Alexander, Secretary:

Mr. Speaker—I am directed to inform the House of Representatives that the Senate has concurred with the House of Representatives in the passage of a bill of the following title, to-wit:

HOUSE BILL No. 202

A bill for "An Act to amend Sections 1, 3, 4, 6, 7, 13 and 15 of 'An Act to provide for the setting apart, formation and disbursement of a police pension fund in cities, villages and incorporated towns having a population of not more than 200,000 inhabitants', approved June 14, 1909, as amended, and to add Sections 17, 18 and 19 thereto."

Together with the following amendments thereto (which amendments have been printed by the Senate), in the adoption of which I am instructed to ask the concurrence of the House, to-wit:

AMENDMENT No. 1.

Amend printed House Bill No. 202 in Senate, on page 1, by striking lines 5 and 6 of the title and inserting in lieu thereof the following: "habitants', approved June 14, 1909, as amended, and to add Sections 17, 18, 19 and 20 thereto, and to repeal an Act therein named."; and

on page 1, Section 1, by striking line 5 and inserting in lieu thereof the following: "18, 19 and 20 are added thereto, the amended and added sections to read as follows:"; and

on page 10, by adding immediately after line 5 of Sec. 19 the following sections:

"*Sec. 20. The pension fund herein provided for shall, on the date upon which this amendatory Act becomes effective and thereafter, supersede and replace any annuity and benefit fund which shall exist or be in operation in any city under and by virtue of 'An Act to provide for the creation, setting apart, maintenance and administration of a policemen's annuity and benefit fund in cities having a population of not less than one hundred thousand and not more than two hundred thousand inhabitants', approved June 12, 1931, as amended, and any such annuity and benefit fund shall be merged into and become a part of the pension fund herein provided for. The pension fund herein provided for shall be construed to be a continuation of any such*

annuity and benefit fund, and all monies, securities, property and any and all other assets of any such annuity and benefit fund shall, on said date, be transferred by the Retirement Board of such annuity and benefit fund to the Board of Trustees of the pension fund herein provided for. Such Board of Trustees is authorized and directed to receive said monies, securities, property and any and all other assets, and to utilize and apply the same for pension purposes in accordance with the provisions of this Act. Such funds and property shall be used, so far as the same will extend, for the establishment of the reserve fund in accordance with the provisions of Section 17 of this Act.

If it shall not be possible or practicable for the Retirement Board of any such annuity and benefit fund to transfer all monies, securities and other assets of said fund to the board of Trustees on the date upon which this amendatory Act becomes effective in any city, all such monies, securities and any and all other assets shall be transferred to said Board of Trustees as soon as possible and practicable after such date, and any such transfer shall be made as of such date.

All annuities, pensions and other benefits allowed prior to the date upon which this amendatory Act becomes effective in any city, by the Retirement Board of such annuity and benefit fund or by the Board of Trustees of any pre-existing police pension fund shall thereafter be assumed and paid by the Board of Trustees of the pension fund herein provided for according to the law or laws under which such annuities, pensions or other benefits were allowed.

All claims for and all rights to claim the payment of any annuity, pension or other benefit from such annuity and benefit fund under the terms of 'An Act to provide for the creation, setting apart, maintenance and administration of a policemen's annuity and benefit fund in cities having a population of not less than one hundred thousand and not more than two hundred thousand inhabitants', approved June 12, 1931, as amended, as it existed prior to the effective date of this amendatory Act which are pending or ungranted on such date, shall be allowed or disallowed by the Board of Trustees according to the provisions of said Act, and those which shall be allowed shall be paid from the pension fund herein provided for.

Section 2. 'An Act to provide for the creation, setting apart, maintenance and administration of a policemen's annuity and benefit fund in cities having a population of not less than one hundred thousand and not more than two hundred thousand inhabitants', approved June 12, 1931, as amended, is repealed."

AMENDMENT No. 2.

Amend printed House Bill No. 202 in Senate, on page 2, Sec. 1, line 15, by adding after the period the following: "Such tax shall annually be not more than .05% of the full, fair cash value, as equalized or assessed by the Department of Revenue, of all taxable property of any city, village or incorporated town."

Passed the Senate, as amended, June 21, 1949.

The House proceeding on the order of death resolutions, Messrs. Harris, Kennedy, Cutler and Adduci offered the following resolution and moved its adoption:

HOUSE RESOLUTION No. 78.

WHEREAS, The House has learned with regret of the death of the Honorable Griffith Hodge, the father of our friend and colleague, Representative Orville Hodge; and

WHEREAS, Throughout his life, Mr. Hodge exemplified sterling qualities of character which served as an inspiration to all who knew him; and

WHEREAS, His death is a severe loss not only to the members of his immediate family but to his many friends throughout the State and nation; therefore, be it

Resolved, By the House of Representatives of the Sixty-sixth General Assembly of the State of Illinois, That we express our profound sorrow at the death of the Honorable Griffith Hodge; that to his bereaved family we extend our heartfelt sympathy; that this resolution and its preamble be spread upon the Journal of the House; that a suitably engrossed copy hereof be forwarded to Representative Hodge; and, as a further mark of respect to the memory of Mr. Hodge, that the House do now adjourn.

The resolution was unanimously adopted by a rising vote; and in accordance therewith, at the hour of 11:55 o'clock P. M., the House stood adjourned.

WEDNESDAY, JUNE 22, 1949, 10:00 O'CLOCK A. M.

The House met pursuant to adjournment.

The Speaker in the chair.

Prayer by Rev. Raymond D. Huttner, of the Joliet Catholic High School, of Joliet.

Mr. Lewis raised a point of order that the provisions of Rule 9 had not been complied with and, at the hour of 10:05 o'clock A. M., moved that the House do now adjourn.

Pending discussion, by unanimous consent, Mr. Lewis withdrew his motion.

The Journal of yesterday was being read when, on motion of Mr. Edw. C. Hunter, further reading of the same was dispensed with and it was ordered to stand approved.

By direction of the Speaker, the roll was called to ascertain the attendance of members, as follows:

And the motion prevailed.

Mrs. O'Neill then moved that the resolution be adopted.

The motion prevailed.

And House Joint Resolution No. 46 was adopted.

Ordered that the Clerk inform the Senate thereof and ask their concurrence therein.

By unanimous consent, on motion of Mr. Bruer, Senate Bill No. 664 was recalled from the Committee on Judiciary and placed in the order of Senate Bills on second reading.

By unanimous consent, on motion of Mr. Chapman, Senate Bill No. 582 was recalled from the Committee on Judiciary and placed in the order of Senate Bills on second reading.

Mr. Lannon, from the Committee to Visit Charitable Institutions, submitted the following report, which was received and ordered printed in the Journal, to-wit:

Honorable Paul Powell, Speaker and Members of the House of Representatives of the Sixty-sixth General Assembly:

The biennial report of the House Committee to Visit Charitable Institutions is herewith submitted to the Honorable Governor of the State and Members of the General Assembly. This Committee has endeavored to carry out a constructive investigation, and while not in detail it is of the fullest possible extent considering the element of time. In accordance with the policy in the past bienniums its purposes has been:

1. To determine the problems confronting the various institutions of the State of Illinois.

2. To get facts about such problems through consultation with General Superintendents, doctors, nurses, and in some instances with the patients. In addition the Committee has obtained and examined reports transmitted to the Governor and to the Director of Public Welfare dealing and pertinent to institutions involved.

3. To present the facts disclosed to the proper officials for consideration and action.

4. To recommend such legislation as will improve and better the conditions of the charitable institutions in our State. The Committee appointed by the Speaker of the House of Representatives for the Sixty-sixth biennium consists of Honorable James P. Lannon, Chairman, Honorable Edward C. Hunter, Secretary, Honorable C. C. Hunter, Honorable James J. Thornton, and Honorable George (Garry) Noonan.

General Summary of All Institutions

The following summary of all State charitable institutions visited by your Committee reviewing the following needs have such recommendations as follow to offer:

1. In the Sixty-fifth biennium the first recommendations was a definite and immediate need for a modest increase in salary levels of institutional employees. While this is repetition I very earnestly report that the same unrest exists and it is equally as difficult to recruit necessary employees to fill vacancies which occur. This factor is definitely important and modest increases are necessary at the earliest possible time.

2. While in the report made in the Sixty-fifth biennium wherein the Committee urged that continued study take place to properly staffing the mental institutions of the State of Illinois, your Committee begs to report that little progress has been made as well as practically no changes.

3. The program of modernizing and re-placing of certain buildings and equipment has been carried on and partial needs for additional structures have been met. However, there is great need for re-placement of other existing buildings, especially is it of vital necessity and importance for housing quarters for the employees of the various charitable institutions of the State. It is also of great importance for an expansion program with regard to

buildings for the housing of patients and the making possible of beds and space for those who are now sleeping on mattresses on the floors of the institutions.

4. Your Committee again reports as deplorable the overcrowded conditions of our State institutions generally for the mentally ill. This Committee feels and again reports that the State is accepting too many senile people, and while they are old and infirm, this type of patient should not be consigned to our mental institutions. The Committee is very much of the opinion that these aged people have been placed in the institutions to relieve relatives of the burden of support and care. If we are to improve the crowded conditions of our mental institutions, then we must in each case check the individual to see that he or she is mentally ill before consigning them to the charitable institutions of the State. This Committee feels that it is altogether too easy for the alcoholics to be consigned to these institutions and we again state that more careful scrutiny of admission is most essential.

5. In checking the State's procedure in purchasing the State's food stuff and other supplies, altogether too few business enterprises have been considered. While this has been the program for many years, the Committee feels all taxpayers in the State of Illinois should be given consideration in obtaining business from the State of Illinois, and that it should not be to a certain favored few.

6. The Committee finds that by test of foods; also by the examination of menus from the various institutions, the patients are receiving sufficient food and that same is clean, nourishing and wholesome. The Committee has, in some cases, recommended that platforms be constructed on which perishable food stuff and supplies can be placed and protected.

It is the desire of the Committee to thank the institutional managing officers for their complete cooperation. In each case it seemed to be a matter of cooperation in the hope to better the institution rather than the desire to hide something because of the misgivings of the institution. The cooperation extended during the investigation was helpful, constructive and very much appreciated.

The following report treats on the individual institutions visited in addition to the facts from which the above recommendations are based.

On May 5, 1949, the Committee visited and inspected the Illinois Security Hospital at Menard, Illinois. Mr. Bert Rednour Warden of the Institution. While this institution is a hospital, on the other hand it is a prison offering a maximum security in the retention of insane criminals. The population on this date was 344. This to include 20 prisoners who were on the outside. The death rate about 6 persons per year. There were no violent deaths in the past year. They have 1 doctor and 1 nurse. The Committee recommends that the Dept. of P. W. give this consideration with the thought in mind of increasing the number of doctors and nurses. At the present time they have 58 attendants. It was suggested that 5 more was badly needed and this was considered a minimum. It was also suggested that there is need for 2 more buildings. The 1 dormitory is not adequate. There is need for a t. b. hospital and better quarters for guards or employees. This should receive special attention of the Dept. of P. W. At the present time the social worker's office is small and dingy. This needs to be enlarged. There is also need for an elevator which has been reported in each biennial report. Patients are carried up and down the back stairway in a blanket. This because of the narrowness. It is also a definite fire hazard, and the Committee recommends that the Dept. of P. W. should make further study. The Committee also recommends that a change be made in toilet facilities. This should be a matter of study for the Dept. of P. W. The individual buckets which are used in the cells are not only unsanitary but dangerous. This institution, because of crowded conditions and idleness, retards the possibility of rehabilitation. In contacting the institution we noticed especially that the inmates were bad-tempered. Some were bruised indicating violence which was indicated by the keepers, also because of this crowded condition there continues to be sexual perversion which it makes for especially bad deportment. This has been reported in past biennial reports.

The road leading to the institution is still a great subject of contention. There has been nothing done to correct the danger caused by this steep, winding and narrow road. The Committee again reports this as being a hazard and recommends immediate consideration.

The kitchen was found to be in a clean and orderly condition and the Committee was informed that coal stoves were to be removed and replaced by new electric stoves. The storerooms containing food stuff were found to be in a clean and sanitary condition. The Committee reports that the facilities for recreation are too limited. In the report which was made in the Sixty-fifth biennium by the Secretary of the Committee, the Committee reports few changes made to comply with that report which was made to the State under date of June 20, 1947.

General Remarks

By taste test the food was nourishing and good. We found the patients to be well fed and clothed. The cafeteria system in the dining room has proved successful. There is need to expand the kitchen because same is crowded. We noticed that strict discipline was enforced at this institution.

April 20, 1949

JACKSONVILLE STATE HOSPITAL

On this date visited and inspected the above mentioned hospital. Dr. James L. Smith, General Superintendent, showed the Committee every courtesy and was kind enough to be with the Committee during the entire time of inspection. The Committee was also privileged by having Dr. Sophia Leschin, First Assistant to Dr. Smith, on the tour of inspection.

On this date the population of this hospital was 3,197 patients. The institution is understaffed and the Committee recommends an increase after due consideration of the problems of the institution. The Committee reports progress on the near completion of the power plant. Also the Soldiers Building which is exceptional in every detail. This building houses about 475 veterans. Bowling alleys, 6 of which are of very latest type, the best money can buy, pool and billiard rooms, excellent tables of the latest type. On the second floor of this building the various clinics are located, eye, ear, nose and throat, dental, x-ray, etc. The cost of the equipment alone is stated at $2,500,000. While this amount has already been expended, the Committee is of the opinion that needed buildings in the State of Illinois in our charitable institutions are of vital importance, and before consideration is given for such enormous expenditures it would seem the comfort of the patients generally in the State should be considered. To say the least, this building with all of its elaborate equipment and its exceptional lighting facilities, the library, etc., would go far in building needed buildings and bed space for many patients in the State of Illinois. The Committee believes this expenditure was entirely beyond needed proportions. Some other of the 34 buildings need considerable repair. This should be done by a thorough examination to ascertain the definite needs. Jacksonville is particularly in need of a new storehouse. It was also mentioned by Dr. Smith, as well as Dr. Leschin, that 2 new infirmaries at a cost of about $180,000 each which will house 80 to 100 beds.

A changeover recommended in the last biennium from DC to AC current to accommodate present day equipment has been done. Also the hydrotherapy wards now contain the newest type of equipment. Same is reported to be adequate.

The Committee wishes to report that the lumber building which houses lumber is in close proximity to the paint shop, as well as tin shop is definitely a hazard to the other buildings of the institution and immediate steps should be taken to correct this condition.

The food by taste test, as well as an examination of past menus is considered to be sufficient and nourishing. The kitchen as well as the dining rooms were found to be in a clean and sanitary condition. However, these

rooms need painting. All coolers were found to be in an orderly and clean condition. This Committee recommended that immediate action be taken to place all food stuff, whether in bag or container, on small platforms. Since this report has been made we have been advised by Dr. Smith the basement has been cemented. The Committee feels this needed improvement will be the means of saving the State considerable money.

Industrial Building

The work carried on in this building seemed to go far in the rehabilitation plan. At the present time there are 31 different kind of brushes made, and an elaborate plan with regard to weaving of rugs.

Sewing Room

This seemed to be exceptional in the plan of rehabilitation. All kind of items such as tea towels, slips, gowns, are made from the materials sent to them by the Purchasing Agent of the State. We were informed that such items as uniforms and overalls as well as sheets were furnished to other institutions of the State.

Carpenter Shop & Maintenance Building

The equipment was thought to be o.k. and adequate. However, this building is not in good repair.

Bakery

The Committee found the bakery to be clean and equipment to be adequate. The institution's entire bakery needs are furnished.

Farm

At the present time the farm consists of about 400 acres plus. Total cattle herd is 135; 98 to 100 milk cows. We recommended a new bottling machine for health and safety; also suggest a study of possible pasteurization as far as milk is concerned. The general condition is clean. This Department is well-managed and equipment considered adequate. Menus have been obtained by the Committee.

Farms and Garden Department

Annual Report, Fiscal Year Ended, June 30, 1949. Re: The following is the total amount and value of produce of the above Department:

	Amount		Value
Seed and Feed Crops	303210	lbs.	$12,226.55
Vegetables	509492	lbs.	25,016.76
Fruit	12904	lbs.	588.77
Broom Corn	7360	lbs.	804.00
Sorghum	510	gals.	1,020.00
Milk	975229	lbs.	64,360.50
Pork	447565	lbs.	90,961.41
Beef	93420	lbs.	21,589.48
Veal	6440	lbs.	1,341.28
Hides	6200	lbs.	908.34
Total value			$218,817.09

The latest type Milking Machine has recently been installed in the Dairy Barn.

LAWRENCE RAWLINGS,
Acting Head Farmer
CHARLES COMELLAS,
Head Gardener

Garage

At the present time the old carriage barn is used as a garage. Automobile equipment for repair is generally good. The Committee recommends an ambulance in that none has been provided; also one-half ton truck for pickup.

Roads

Due to no fault of the Superintendent the roads are in generally bad condition and need repair, same being dirt. This was called to our attention by Dr. Smith.

It was suggested to the Committee that the coal had not been up to scale due to dirt and shale content. This coal was acquired from St. Louis, Missouri. The Committee recommends that consideration be given to Illinois taxpayers when next bids are requested. This should be called to attention of Mr. McKinney.

General Store

This was found to be in an orderly condition. Merchandise and all stocks well binned.

General Remarks

The Committee feels that the General Superintendent, Dr. Smith is doing a very outstanding job in looking after the interests of the State of Illinois as well as the patients of this institution.

We wish to call attention to the Department of Public Welfare with regard to great need of assisting the institutions of the State in not accepting for care patients who are not mentally ill. Dr. Smith reported there were about 643 of such cases in this institution at the present time. In the past biennium there have been no violent deaths. However, it was reported that about 2 deaths occur each day.

Alton State Hospital

On May 5, 1949, the Committee visited and inspected the Alton State Hospital at Alton, Illinois. The population is 2,105, 992 males and 1113 females. Ninety-five patients at the present time are listed as being on family care.

Staff: At present there are 6 doctors and 184 attendants. It is reported by Dr. Simon, who conducted the tour, that 20 more attendants are needed. There are about 17 buildings in good condition. Work done is done by contract and union help is employed.

Dr. Simon suggested that there was need for a clinical director and pathologist. Also there was mention made that the institution should have three more psychiatrists and two more physicians. The nursing staff is sadly depleted because of four vacancies for Nurse I, three vacancies for Nurse II, and one vacancy for Supervising Nurse I. In addition to the above, the hospital has vacancies for three hydrotherapists, two female and one male. There is also need for an additional male attendant. At present there are 15 vacancies for attendants, which, as recommended by the Doctor, should be filled by male employees.

Kitchen: The kitchen needs new kettles and some new equipment. The kitchen was found to be in a clean and sanitary condition. Also the patients dining room. Milk house and cooling room were also found to be in a clean and sanitary condition. Most of the food is furnished through the central buying department at Springfield. The committee was informed there were 160 hogs at the Luer Packing Company in cold storage. The butchering was done December 28, 1948.

There is need for a new milk can washing machine. Also a new freezer is needed. A new pasteurizing room was also discussed. The committee recommends further consideration by the Department of Public Welfare.

General Dining Room: The general dining room was found to be in a clean and sanitary condition. The food was also found to be wholesome and nourishing. Menus were requested and accompany this report.

Store: The possibilities of a general store building to house supplies for mechanical department as well as other shops was an item of discus-

sion. The committee recommends that further consideration be given by the Department of Public Welfare in regard to the possibilities of building a general store building to house supplies.

The committee wishes to take this opportunity to compliment Miss Mary Hatterman, Storekeeper, for the systematic way in which this department is managed.

The stairway to the basement underneath the store is in very bad condition. However, in a letter dated May 10 we were advised by Dr. Simon that repairs have been started since the institution was able to obtain steel necessary for repairs. Dr. Simon adds that he is happy to advise that "no smoking" signs have been placed in the attic and on the stairway as per our recommendation.

Bakery: The bakery is in a very clean condition. The equipment is adequate excepting the need for a bun divider.

Buildings: There are 17 buildings, all of which are in good condition. All work done on same is done by union help.

Canning: It was interesting to note that the Alton State Hospital, in 1948, canned over 22,000 gallons of fruit, besides a quantity of pickles, preserves, and jellies.

Farm: The equipment is in good condition and thought to be adequate. At Alton they farm about 980 acres. They have 190 dairy cattle, 96 milk cows, 3 bulls and 15 heifers, 575 hogs. Dr. Simon suggested that the institution was in need of a new manure spreader.

Cottages: Oak Cottage, Elm Cottage, Ash Cottage, Locust Cottage and Maple Cottage are all cottages with very overcrowded conditions. The committee recommends that the Department of Public Welfare investigate means of eliminating if possible, crowded conditions.

Fire Equipment: The fire equipment is inspected regularly and appears to be adequate and in good condition.

General Remarks: It was noted particularly that a construction company of St. Louis (Dickie Construction Company) was the contractor for new buildings. The committee recommends that an investigation be made to find out why an Illinois contractor was not employed inasmuch as it entails Illinois tax money. The construction budget is attached to this report.

Anna State Hospital

On May 6, 1949, the committee visited and inspected the Anna State Hospital at Anna, Illinois. Dr. C. D. Nobles, Superintendent, met and escorted the committee on its tour of the institution.

The population is 2,328; males—1,398; females, 930.

Staff: This institution is understaffed. There are 236 attendants and 288 are needed. Seven additional nurses are needed, two physicians II are needed, an additional Psychiatrist is needed both in Grade I and Grade III. This institution needs two more occupational therapy aides, a Recreational Therapist I and a Recreational Therapist II. They could use the services of two additional Social Workers and two more cooks.

Farm: The farm machinery is in fair condition. The acreage in garden is 85 acres; acreage in orchards: 14; acreage in pasture: 152; acreage in field crops: 140; acreage in institutional grounds: 80; and 313.77 acres idle, making a total of 784.77 acres. At the present time they have 3 bulls, 82 fresh cows, 11 dry cows, 41 heifers, 34 calves, 60 sows, 4 boars, 105 pigs, 100 shoats and 14 fat hogs. They have 13 head of horses and mules. In 1948, over ninety-one thousand gallons of fruit and vegetables were canned at the institution.

Power Plant: The wall of the power plant is in bad condition. There is need for a carrier for ashes. Same are now disposed of by manual labor by means of a wheelbarrow. The plant is in generally good condition.

Laundry: Softener is needed. The equipment is adequate, much of it being of the very latest type. Only replacements might be needed in the next biennium. The laundry is well ventilated and the general appearance was clean.

Kitchen: The kitchen was found to be in a neat and sanitary condition. Same was reported to be small and crowded. However, the equipment was adequate. Cold storage rooms were not properly cooled due to the fact that a new cooling plant is needed. Foodstuffs which were on the floor were recommended to be placed on platforms to prevent spoilage. Menus were requested and are attached.

Bakery: The output of the bakery is about 900 one-and-one-half pound loaves per day as well as all the pastry needed for the institution. The odor of escaping gas was very noticeable and was explained to the committee as being the result of defective ovens. The committee recommends investigation of this condition as new ovens are badly needed.

Store: J. A. Cummings is the storekeeper. Most material and household goods is bought from Carroll in Chicago. It is very noticeable that the same few people act as sellers to the State of Illinois. As an example, Saunemin, 116 South Water Street, Chicago as well as Carroll supply these institutions. This condition has continued for some years. The committee further recommends that bids be open to and published for the interest of all who are in the business of selling.

The first, second and third floor as well as the basement of this store was found to be in a neat and orderly condition. The committee recommended "No Smoking" signs be posted, as it has done in all other stores.

Fire Equipment: This equipment is regularly checked and found to be in good condition.

Occupational Therapy: The committee reports notable progress and interest among the patients in the institution. In the occupational therapy weaving department, the location is very bad. The committee reports a definite fire hazard, in that this department is on the fourth floor of a non-fire-proof building.

Beauty Shop: The committee recommends further study in that the equipment is not adequate. They need new driers as well as larger quarters. Other than that, the shop was found to be in a neat, clean and orderly condition.

General Summary: Ward H-2 is very overcrowded. This is from the standpoint of the need for building repair and safety. There is a definite fire hazard. The condition is very, very bad. The committee recommends an immediate investigation.

G-Flat is in about the same condition as H-2. F-Flat is on the main floor and the fire hazard is very materially reduced. E-1, 2 and 3 dormitories are in the same condition. These are considered to be dangerous from the standpoint of being fire-traps. In Annex 2, 4 and 6 the floors are in very bad condition as they are in the above mentioned wards. All are overcrowded. Annex 1, 3 and 5 Women's Wards are all overcrowded and there is definite need for further study and consideration in regard to fire hazards. The general condition of the diagnostic building, from the standpoint of cleanliness is good. However, the building seemed hot and we recommend that consideration be given to cooling possibilities.

Kankakee State Hospital

On May 12, 1949 the committee visited and inspected the above institution. Due to the absence of Dr. George W. Morrow, who at the time was in the city of Kankakee, the committee was waited upon by Dr. E. S. Klein.

The present population of this institution is 4,329, 80% of which comes from Chicago. At present the hospital is understaffed. There are 9 doctors and the need is approximately 21. Of the above 9 doctors, 3 of these are of

Cuban extraction which makes for a difficult situation from the standpoint of language. As in the case of doctors, there is great need of additional nurses and attendants.

Diagnostic Building: The diagnostic building is now practically completed. The equipment is very complete and now adequate.

Office Records: This department is under the supervision of Mrs. Mildred Smith who has been with the institution for the past 24 years. Files regarding all patients are very complete and very accessible. Mrs. Smith suggested that in all institutions of the State of Illinois that there would be need for a heavy brown fiber folder to be used for case records. While the initial cost would be more, it would be quite a saving over a long period of time. The filing system in this institution is exceptionally complete.

Kitchen: (Rear) All equipment is in good condition. The general appearance is exceptionally clean and sanitary. It was mentioned by Dr. Morrow that the equipment for the present is adequate.

Bakery: The bakery has an output of about 1500 loaves of bread a day. The general condition is very good. At the present time there is need for a bun divider and a bread slicer.

Library: The library at this institution was established by Mrs. Blanche Fritz and contains about 5600 books. The various wards as well as patients have access to these books and magazines. It is the thought of the committee that this goes far in the plan of rehabilitation.

Commissary: The commissary reported a profit of about five to seven hundred dollars a month. This profit goes into the amusement fund for the institution.

Store: The store is under the supervision of Mr. Charles Cyrier. All merchandise is properly binned and in excellent condition. It was noted throughout the store that all merchandise was up off of the floor and placed on platforms. Number one, two, and three coolers were clean and in an excellent condition. The entire place is exceptionally well kept.

Beauty Shop: This shop was found to be in a very clean and orderly condition, and it was especially noted that the patients who were waited on expressed a great liking for this type of service, made available to them.

Cannery: This is under the direction of Mr. H. M. Gillespie, Superintendent for the Welfare Department. At this institution, at canning time, an instruction school is carried on for all institutions of the State. Foremen as well as dietitians attend. The equipment here is adequate and excellent results have been experienced from this school in years past.

Power Plant: This will entail an expenditure of about two and one-quarter million dollars. The committee reports excellent progress is being made.

Farm: The farm consists of about 1,052 acres. At the present time they have about 1100 new pigs, a total of about 1800 in all. The buildings, farrowing pens and machinery are reported to be in good condition. New corn cribs have been built. The institution can now store 14,000 to 16,000 bushels. The crops in the past biennium have been generally good.

Fire Station: A new fire station was recommended in the last biennial report. The committee reports progress. The committee also reports progress on project of underground wiring. The committee also reports progress on buildings recommended to be re-roofed in the last report. This has been completed. Further, the building of four new fire-proof stairways has been completed in the north wing of the center building. Recommendations regarding kitchen and kitchen equipment has been taken care of. This includes new kettles as well as canopy. Also, new equipment for the bakery has been installed and same is now thought to be adequate. As mentioned, the entire institution is overcrowded. About 49 patients at this time are sleeping on mattresses on the floor. According to Dr. Morrow the institution

is 87% overcrowded. However, with the completion of the new hospital, which will accommodate 152 beds, this condition will be greatly relieved. The committee reports progress on this building construction.

Farm Patients Ward: The population of this ward is 66. Same will accommodate 78 beds. The general condition is exceptionally good.

Summary: The grounds and gardens of the institution are exceptionally well cared for.

A general cross section of the wards shows them to be exceptionally clean and as well cared for as could be expected.

The food by taste test as well as menus would indicate same to be wholesome and nutritious. Menus are attached as a part of this report.

Of all the institutions in this State, it would seem that this could perhaps be the model institution.

Manteno State Hospital

On May 13th, 1949 the committee visited and inspected the Manteno State Hospital at Manteno. The committee was met by Dr. Alfred Paul Bay, M.D., Superintendent.

The population at this date is 7,538. In checking the records it was noted that approximately 45 inmates die in this institution each month. In the past biennium there have been no violent deaths. Dr. Bay mentioned that the admission rate is about 300 per month, and that 20% of these admissions are alcoholic. Further, that 80% of the patients are placed in the institution from Cook County. There are also the senile cases of people who are infirm but not mentally ill. He further stated that there is an overcrowded condition at this institution of 47%. This is something for the State to consider in the way of percentages which are definitely causing the overcrowded condition.

Staff: There are 16 doctors on the regular staff and 45 are needed. There are 500 attendants, an additional 200 are needed. Out of the 1150 employees, 700 live on the grounds of the institution. Manteno being in an out-of-the-way location, there is great need for additional housing quarters for the staff and officers, and this is recommended for further consideration by the Department of Public Welfare. It was mentioned that the staff of registered nurses should be increased at least 100%.

Records: The records of the institution are kept in an efficient and excellent manner. They have 12 social workers whose job it is to maintain contact with all new admissions, and with the families of patients. It was noted also that this institution has more patients out in homes than most other institutions of the State of Illinois.

Main Kitchen: There is only one dietitian to supervise the over 2500 meals per day. The equipment in the main kitchen was reported to be poorly arranged and Dr. Bay mentioned also that the equipment was inadequate. Generally the kitchen had a clean and sanitary appearance. It seemed to be immaculate for such a very large institution. In the storerooms as well as in the coolers all stocks were found to be placed upon platforms for ventilation and to prevent molding. All coolers were found to be in excellent, sanitary condition and to contain a very large variety of meats. In checking with the butcher it was stated in cases of spoilage everything of that nature was returned to the cellar. The dietitian mentioned that in all cases, patients could receive second helpings and as much milk as three to five glasses per patient per day. The general appearance of all dining rooms and places where food is prepared and served was found to be in a clean and sanitary condition. The food, by taste test was found good, wholesome and nourishing. Weekly menus were requested and are made a part of this report.

Main Hospital: Crowded conditions remain about the same and at the present time there is definite need for over 300 additional beds. This condition is recommended for further study by the Department of Public Welfare.

It was noted by the committee that top priority should be given to the matter of isolation of contagious diseases. At the present time this was improvised. It is necessary that immediate consideration be given to relieve this condition.

Store and Storage: Dr. Bay suggested that an entirely new building is required. At the present time oils and paints are stocked and stored with all other merchandise, which makes for a hazardous condition. The committee suggests an immediate survey in regard to this condition. At the present time, the stock approximates $600,000.00.

Also it was found that all merchandise in the store had been properly binned. Same was found to be in a neat and orderly condition. Note to Department of Welfare: (in re store) Five dishwashers have been in storage over two years. The committee was informed the cost of these is over $10,000.00. No information was given as to the destination of this equipment and the committee suggests an immediate investigation of same. The store is in good condition generally.

Occupational Therapy: Present location of the building is inadequate. Dr. Bay recommends new building to carry on this timely and important work. Your committee recommends a survey.

Public Service Building: In that there are more than two thousand visitors on each Sunday, this is of a very important nature, especially in that there are no toilet facilities. Oft times it has been noticed in cases where people have found it necessary to relieve themselves, they have had to use the bushes and trees on the grounds as a shield. Dr. Bay suggested that for this added improvement it would cost about $400,000.00. The committee recommends immediate survey.

Chapel Services: This institution has no chapel and services are conducted in an amusement hall. There is an unusually large attendance and this should be given consideration by the Department of Public Welfare. At the present time there is no greenhouse in this institution and one is needed.

Laundry: The demand is enormous and while the equipment is of a late type, same does not now meet the requirements and is not adequate for the population. On the day of our visit we found laundry piled up outside waiting to be washed. The institution has outgrown the present facilities. A survey is recommended.

Cross Section of Wards: A cross section of the wards, namely units Willis 1, Mitchell 1, James 1, Kraepelin 2, Infirmary, Suger 3, Hydrotherapy, Stafford and others found them to be in clean and sanitary condition. While it is not possible to offer detailed information on each and every ward, it is the thought of the committee that the wards reported upon are definitely a good cross section picture. Further study by the Department of Welfare is necessary because this entire institution is definitely understaffed.

Fire Equipment: The fire equipment is inspected at regular intervals and was found to be in good condition.

Farm: The institution has 1200 acres, 240 acres of which is a truck garden. At the present time the institution has about one thousand hogs, 50 or 60 head of beef cattle. The balance of the acreage is in field crops. The farm equipment was reported to be in excellent condition and adequate. Nothing is needed other than replacements of machinery worn out or parts needed. Dr. Bay mentioned that the farm operates at a profit.

General Remarks: Dr. Bay gave the committee a booklet entitled Manteno State Hospital Annual Report. Since 1941 no departmental reports have been published. However, same has been prepared. The committee offers this information for the department of Public Welfare's consideration.

It is the desire of the committee to especially thank Dr. Bay who escorted the committee and showed them every courtesy upon this biennial visit.

The Illinois Soldiers' and Sailors' Home at Quincy

On May 19th, 1949 the committee visited and inspected the Illinois Soldiers' and Sailors' Home at Quincy. Upon arrival the committee was met by Superintendent W. E. Markword who succeeded Mr. Neilson as of March 1, 1949.

The population of this institution is 1,149 as of this date. Male: 973; female: 176. This institution is supported by the Federal Government as well as the State government. The total acreage is 250 acres. At the present time there is one resident doctor. All other medical services are under contract with a local clinic. There are 10 (ten) registered nurses and total attendants: 28 (twenty-eight). Suggested that an additional two doctors for full time service be added. Also an additional registered nurse and two attendants are required due to present population.

Entrance requirements at present time are: an honorable discharge from United States Army, Navy or Marine Corps, or must have served during the Civil, Spanish American or Phillipine Insurrection or World War I or II. Further, they must be a resident of the State of Illinois for two years prior to filing an application, or have had accredited service. They must be disabled to such an extent as not to be able to follow a gainful occupation, and to have no adequate means of support. It is further stated that the wife of the applicant is eligible for admission provided she meets the requirements for disability and residence and that she must have had marriage of at least ten years to the veteran prior to filing application. Her age must be fifty years or older, for Spanish War Veterans.

Kitchen: The kitchen was found to be in a satisfactory and sanitary condition. From the standpoint of size it was thought to be inadequate and at a future date a larger kitchen would be necessary. From the main kitchen more than a thousand persons are fed. There are two other kitchens —one for employees, the other being a dietary kitchen for the infirmary, under the supervision of Mrs. Howard Van Sickle, dietitian. Of noteworthy mention, the institution canned 13,940 gallons of fruit and 1,948 gallons of vegetables, all of which had been raised on the institution's farm. Menus have been made a part of this record. The food was found, by taste test, to be good as well as nourishing.

Storerooms: The storerooms are well managed and were found to be in a good and orderly condition. All commodities were on platforms off of the floor. Two coolers for meat were checked and found to be in a clean and sanitary condition as well as the two coolers for fruit, vegetables and perishable foods.

Farm: It is reported that the equipment on the farm was adequate and in fairly good condition. This institution is badly in need of a slaughter house, also refrigeration and cooler. At the present time there are 99 Dairy Cattle and 215 Swine. Beef as well as pork butchered on the farm does not meet the full requirements as far as need for institutional purposes is concerned.

Laundry: The equipment in the laundry is in a very poor condition and is also inadequate. The committee recommends further study. We also recommend a new building and complete laundry equipment.

Infirmary: The infirmary is very crowded and is caring for double the number of persons as of two years ago, with no increase in facilities. A 75 bed infirmary is now caring for 140. The hospital is overcrowded to the extent of fifty patients. This institution is badly in need of a new hospital. The general condition is also overcrowded and they are in need of a new dormitory for two hundred patients, as there are, at this time, over a hundred on the waiting list.

Bakery: The bakery was reported to be in good condition. It has an average output daily of 450 loaves of bread. All pastry is also supplied.

Fire Equipment: The institution's equipment is examined and inspected monthly according to a fire chart. Same was found to be in good condition.

Grounds and Surroundings: The committee reports same to be well kept in a neat and orderly condition.

Power Plant: Progress on the power plant now under construction is reported. Also new machine shop which has been completed as of this year.

Recreation: Moving pictures are shown twice weekly, afternoons and evenings. The institution enjoys ball games and other sports. At Lippincott Hall, the people of this Home enjoy movies, up-to-date pool and billiard tables, shuffleboards and card games. The entertainment program is nicely arranged.

The average yearly deaths at this institution range between 75 and 80 persons.

Commissary Store: This store was found to be in good and orderly condition. The profits for same are applied on equipment used for amusements.

General Inventory:

General Store Commodities	$58,298.13
General Equipment	866.73
Mechanical Store Commodities	31,960.33
Mechanical equipment	1,103.50

Peoria State Hospital

On May 20th, 1949 the committee visited and inspected the Peoria State Hospital at Peoria, Illinois. Dr. R. J. Graff is the Superintendent. Population 2,633, almost equally divided as to males and females.

This institution has 800 acres of land.

Staff: There are ten doctors, 24 regular nurses and 239 attendants. Dr. Graff suggested the institution was understaffed and there is need for additional doctors as well as nurses. He stated that there is also a need for about 25 more attendants.

Dietitian: None. At present a dietitian is badly needed.

Kitchen: This general kitchen serves 95% of all the patients. At the present time there is need for kitchen canopy and other repairs. The floors of the kitchen are especially bad. Equipment is fairly satisfactory. The lighting system needs changing and re-arranging. Your committee recommends further study to ascertain the extent of needs.

Dining Room: Your committee recommends a general rehabilitation as to improvements. New tables as well as chairs are needed. The lighting arrangements are bad. Ventilation is poor. This is due to the fact that the room is located between the laundry and kitchen and there is little available air from the outside.

Bakery: This bakery has an output of 680 two pound loaves daily. Also all pastry required by the institution is prepared here. The committee recommends for replacement ovens and proof boxes, this to be checked at once. New bread wrapping machinery recently received is now in use. The committee suggests the entire building unit housing the general kitchen, bakery, employees' dining room and laundry needs complete overhauling.

Laundry: The equipment is in poor condition. Immediate consideration should be given. Approximately seven or eight tons of laundry is the daily average for five and one-half days. Washers and new extractors are badly needed. Mangles are also needed. Canopies should be installed to extract steam. The temperature in summer months is terrific. In the finishing room of the laundry it reaches 107°. Sheet folders are needed and would relieve the help shortage which becomes more acute yearly.

Commissary: Same was found in good condition and well managed. Profits from commissary are used for amusement needs.

Storehouse: Mr. M. F. Eakman, Storekeeper, (Acting). The regular storekeeper resigned in April. So far there has been no replacement. Inventory of general store is approximately $385,000.00. The condition of this

store generally was found to be orderly, all merchandise properly binned, all commodities were up off the floor on platforms and the place well ventilated.

Butcher Shop: General appearance was clean and orderly. All meat and foodstuffs were of a fresh and nice appearance.

Power Plant: Your committee reports progress on construction recently started. This project will require probably two years for completion. Same is now held up due to labor trouble and strikes.

Fire Department and Equipment: The committee reports this to be only fair. The Department consists of a chief and assistant, alternating on twenty-four hour shifts. Volunteer employees make up the rest of the department. Equipment consists of one fire truck and hand extinguishers. Inspection is carried on at regular monthly intervals. The big question is water pressure which on many occasions has proven inadequate. Many of the two story buildings have wooden floor construction, and also wooden stairways which are, in most cases open stairways. The committee reports that the present fire fighting system is a potential hazard.

Occupational Therapy Center: At present same is under reconstruction and rehabilitation. The committee reports progress. At the time of our visit no work was being done due to strike. Dr. Graff estimated about 400 patients each day were reached through this program.

Women's Wards: (4-B, 3-B and others). Semi-acute patients are cared for here. These patients are receiving occupational therapy under the direction of Miss Margaret Schrader. However, due to the overcrowded condition, progress regarding recovery is slow. The entire institution has an overcrowded condition to the extent of 52%. The death rate in 1948 was 399.

Food: The food by taste test and inspection proved to be good and nourishing. Menus were requested and furnished. Same are retained as a part of this report.

Farm: At the present time there are 80 dairy cattle and 491 swine. Butchering contract is with a Peoria firm. This is considered to be more economical. In the past biennium, 16,823 gallons of vegetables were canned; no fruit was put up. There are 700 acres plus of land under cultivation, and the farm equipment is reported adequate. However, replacements will be necessary.

Summary: All wards were found to be in excellent condition. They were tidy and well kept. The committee reports an overcrowded condition caused by senile persons as well as alcoholics. General appearance and care of the patients were conceded to be very good.

The Lincoln State School and Colony

On May 21st, 1949 the committee visited and inspected the above. Dr. W. W. Fox, Superintendent, accompanied the committee on its tour of inspection. At the present time the population of this institution is 4,690. There are 2,446 males and 2,241 females. At the offset, the committee wishes to report an overcrowded condition of 44%, and suggests further study and consideration.

Staff: The staff consists of eight doctors, including the Superintendent, 17 registered nurses, 245 attendants and 2 part-time dentists. It is recommended that the staff be increased by 4 doctors, three full time dentists to replace the part time dentists, 15 additional registered nurses, and 50 additional attendants. It was also stated by Dr. Fox that there is a waiting list of 200 adults and 215 children.

Dietitian: Miss Grace Moore, Acting Dietitian in Charge, since October of 1946. Miss Moore has been associated with the dietary department for the past 16 years and is doing an excellent job. Menus accompany this report.

Kitchen: Recommendations for improvements in the last biennium have progressed to the extent that a new lighting system has been installed in the

last year. The equipment is considered adequate and satisfactory. Four cooling units were found to be in a sanitary and orderly condition.

Main Dining Room: The room is well ventilated, with cross ventilation. Lighting system has been completed and installed with the last year.

Bakery: The bakery has an output of about 1800 loaves (18 ounce) daily in addition to all pastries which are made for the institution. New bread cutting and wrapping machines are now installed and in use.

Commissary: The commissary is in a good and orderly condition. The profits are diverted to the amusement fund.

Farm: The farm consists of two units—the main section and the farm colony. The population of the farm colony is approximately 1700. About 800 acres plus, make up the farm section. The two units mentioned are under one advisory head.

As of May 1st, 1949 there were 680 swine, 138 dairy cattle, 9 beef cattle, 19 horses and mules, and approximately 760 poultry. The equipment was reported to be in good condition. A large corn crib is being constructed with a capacity of 1500 bushels. Meat supplies such as pork and beef are butchered at the institution. Hams, bacon and pork are also purchased from the market. The institution produces about 180 gallons of milk each day and finds it necessary to purchase on the average of 630 gallons additional, daily. The canning department canned about 75,000 gallons of fruit and vegetables, consisting mostly of apples.

Butcher Shop: The present space is inadequate as well as are the coolers for meats, milk and perishable foods. Because of inadequate space, things were not as neat and orderly as were found in other institutions.

General Store: This department is in charge of Alva Bateman. The entire store was found to be in good condition. The committee recommends, however, that racks, as well as platforms for the commodities be installed. Lack of space is very noticeable and a new store building is badly needed. The inventory as of this date would total $404,991.02; things mechanical about $175,607.85; drug supplies: $9,010.00; general supplies: $220,373.17.

Fire Equipment: This department has two regularly employed employees. All other employees are listed as volunteer firemen. The equipment is inspected monthly by the Fire Marshal and found to be in good condition.

Construction: At the present time a resident building is being constructed which will accommodate 140 beds. Also, a nursing unit which will accommodate 140 cribs. Also being constructed is a staff building for professional employees. The committee reports progress and is advised that same will be completed in 1950.

Power Plant: A new plant has been approved. However, construction has not as yet started. The present plant is in very bad condition.

Nursing Unit: This unit has a sixty-five bed capacity and houses ninety-five children under six years of age at present. There are three attendants on each shift, as well as an attendant who assists in mending, and a cook. Menus indicate that the food prepared in this building for the babies is a well-balanced diet.

Girls Cottage Annex: There are 595 patients in this cottage, the capacity of which is supposed to be 382. These patients are of low mentality and some are infirm. This crowded condition will be relieved upon completion of residential building mentioned in the foregoing part of this report.

Summary: Grounds and general appearance of all buildings inside and out is considered to be very good, although conditions are crowded and additional help is needed.

East Moline Hospital

On May 26, 1949, the committee visited and inspected the State Hospital at East Moline, Illinois. Dr. A. H. Wolff, Assistant to Mr. A. M. Swanson, met the committee and conducted their tour.

The population of this institution is 2,180 patients. The certified capacity is 1,538. This institution is 42.2% overcrowded. In talking to Dr. Wolff we were informed that there were no patients sleeping on the floors of the institution.

Staff: There are 8 doctors on the medical staff and 12 nurses. Dr. Wolff mentioned that there was a great need for 6 additional doctors and 6 additional nurses, due to the fact that the institution is very much overcrowded. There is need for a new diagnostic building as the present building is totally inadequate. The immediate need, however, is for doctors and nurses.

There are 165 attendants. At the present time they are approximately 50 attendants short. It was reported that there was also a great need for living quarters for the attendants.

General Kitchen: Same was found to be in an orderly and clean condition. There is need, however, for more space. There is also need for one new heavy duty, double range, and a new canopy over the cooking equipment. Also a new platform and a new bushel potato peeler are needed.

The coolers where meat and perishable vegetables are stored were found to be in sanitary and clean condition.

The food was found to be wholesome and nourishing. Menus were requested and are made a part of this report.

Bakery: Ovens, as recommended in the last biennium, have been installed and are now in use. The equipment in the bakery and kitchen is now considered adequate. The bakery was found to be in a clean and sanitary condition.

Farm: The total acreage of the institution is 673 acres. Farm, orchard and pasture consist of 570 acres. The last biennium there were 70,000 gallons of foodstuffs canned showing a decline of about 13% which is about the normal yearly yield. Since the last biennial report, two new silos have been built. All farm buildings are reported to be in good repair. Farm management is under the direction of Mr. Frank Emmerson who is to be complimented on his efficient management.

Records: The records of the institution were found to be complete and easily accessible.

Laboratory: A new modern laboratory, very complete and well equipped has been added since the last biennial report. Same is thought to be adequate.

Power Plant: There is need for study in regard to expansion and repair of the power plant. The committee recommends to the Department of Public Welfare an investigation to determine if repair or a new plant is needed.

Veterans' Building: Dr. Wolff reports satisfactory progress on the new Veteran's Building at this institution.

Water Tank: Since the last biennium a new water tank of 300,000 gallon capacity has recently been completed.

Fire Department: This department is handled very ably under the Fire Chief and Assistant. The equipment is thought to be adequate and same is checked at regular monthly intervals.

Laundry: A new presser as well as washers are needed. Also needed is a new dry cleaning unit.

Store: Inventory of equipment would approximate $300,000.00. The Basement, main, second and third floors were found to be in an excellent condition. The merchandise was properly binned and shelved and very easily accessible.

General Remarks: In the therapy department, at the present time, is used shock therapy, hydrotherapy, and electrotherapy. The committee found the various wards, including Schaffer or Veterans' Ward, Taylor, T. B. Hospital, B-5, and 57 and other wards visited, to be well managed, and in a clean and sanitary condition. However, there is a repetition of the condition prevalent in the State of Illinois—that of being overcrowded.

Dixon State Hospital

On May 27, 1949, the committee visited and inspected Dixon State Hospital at Dixon, Illinois, Dr. Lewis Belinson, M.D., Superintendent.

The committee spent its entire time in checking newspaper reports, files and other data in regard to dysentery epidemic at this institution. News items were released to the Rockford Morning Star and Associated Press, under the heading "Find No Truth In Dixon Stories of Epidemic". A complete record and statement accompanies this report. The statement is headed: "Special Report to the Committee of the House Visiting Charitable Institutions."

In order to more thoroughly check, the committee requested numerous menus which would cover complete year of food supply. The committee also studied records made by the Rockford Clinic and its statement in regard to stool specimen survey for the Dixon State Hospital. These items also accompany this report.

By taste test foods were found to be good and tasty as well as nourishing.

Because the committee used up most of its time on the investigation of this dysentery question, a complete report on the children's village, Jail Ward—14B, General Store, etc. are not as complete as they otherwise would have been. However, from a cross section of wards visited, we found the institution to be in a clean and sanitary condition. The grounds were also found to be well kept and well cared for.

State Reformatory for Women

On June 3, 1949, the committee visited and inspected the State Reformatory for Women at Dwight, Illinois. Miss Hazard, Superintendent, was absent due to illness, and the committee was met and waited upon by Miss Mary Ellen Krum, Assistant Superintendent, and Miss Iris Eger, Business Manager.

The population of the institution is 194. In April of 1940 it was 267. This year's population shows a marked decrease. The deaths in this institution in 1948 were 2, neither were violent deaths. A remarkable record which was mentioned to the committee was that 66 inmates had escaped since the beginning of the institution in November of 1930. Of this number 63 were returned. One was discharged on escape, leaving only two unaccounted for.

Crimes: Classification of crimes includes about 32 convicted of murder, 29 manslaughter, larceny 16, confidence women 13, armed robbery 12, forgery 10, contributing to the delinquency 10, petit larceny 9, burglary and larceny 9. Sentences for the above crimes run from one year to life. At the present time, 9 in the institution are sentenced to life.

Staff: There are about 75 employees at this institution. Of the 75, some are part time employees. The average turn over of employees during a year is about 110 persons.

At the present time the institution has three registered nurses. There is a requisition for one additional nurse.

Dwight Clinic, we were informed, handles all medical services. They are subject to call at any time. A dentist from Pontiac visits the institution one day a week. The cost of this medical service is about $400.00 per month. The committee recommends a full time woman doctor who can remain at the institution.

Farm: The institution has about 160 acres, 97 acres are in truck farming. All work on this is done by the girls of the institution. However, there are men employed as farm supervisors.

General Conditions: This institution is not overcrowded and a cross section of the various cottages shows them to be in a neat and orderly condition. The general appearance of the grounds and of the buildings was good.

The institution has just completed a deep well; and also a new pump house is now under construction.

Fire Equipment: The chief mechanic makes fire inspections weekly and there is a monthly fire drill held. Fire Department at Dwight, Illinois is available in case of emergency.

Cooking Equipment: The cooking equipment was found in a satisfactory condition. Menus accompany this report, and indicate that the food is of a wide variety, nourishing and wholesome.

Illinois Soldiers' and Sailors' Children's School

On June 3rd, 1949, the committee visited and investigated the above school at Normal, Illinois. Doctor L. G. East is Superintendent and Miss Harriet Hallam is Girl's Supervisor, at present also acting as Assistant Superintendent.

Population at present is 340 children, 202 boys and 138 girls. The committee found two cottages not in use, due to the fact that the institution is not overcrowded and these facilities are not presently required. Capacity population is thought to be approximately 400. In the past year the increase of arrivals over the releases has been about 13%.

Education: Grades 1 to 8 are taught on the grounds. The High School students attend the University High School at Normal. They commute to and from school by bus.

Medical Program: This is affiliated with the College of Medicine at the University of Illinois. At the present time this school has a new Pediatrician. In this position the doctors alternate each six months. In addition to the facilities of the local hospital and Dr. Gerald Cline of Bloomington, the institution receives the services of specialists from the Department of Public Welfare. At present there are six registered nurses. The institution has one half-time dentist who serves the institution each morning. Hospital and equipment are in good condition and same is thought to be adequate.

Cottage Parents: These cottage parents look after the general needs of the children and also assist in the way of general help.

Administration Building: In the last biennium this committee reported this four story building to be in very bad condition. It has open stairways and all wood construction. This definitely is a fire trap. At the present time the only part of the building in use is the first floor. This is with the exception of ten employees who find it necessary to have living quarters located on the second and third floor of this building. The committee suggests a complete study by the Department of Public Welfare to ascertain improvements needed.

Kitchens: The kitchen was found to be in a clean and orderly condition. By taste test the food was also found to be good. Menus are attached to this report. Also the six cold storage rooms containing meats and foods, as well as milk and vegetables were found to be kept in a clean and sanitary condition. This institution has no canning program. They have no poultry or dairy farm. The farm buildings as well as equipment were found to be in good condition and adequate.

At this institution they feed hogs and steers. However, the institution has a contract for butchering. All meat is then returned to the institution's cold storage.

Fire Equipment: The school has its own fire truck on the institutional grounds. The chief engineer is head of the volunteer fire department. Normal and Bloomington Fire Departments are available. It was noted by the committee that fire extinguishers and equipment are checked monthly.

Gymnasium and Swimming Pool: In the last biennium the committee reported complete remodeling needs. The committee now reports improvements since last biennium, to the gymnasium and swimming pool and at the present time excellent recreational facilities for the boys and girls are available.

General Appearance: The general appearance at this institution is good. The lawns are mowed and the grounds are well kept. The improvement is decidedly noticeable since the last biennial visit.

Illinois State Training School for Boys

On June 10, 1949, the committee visited the Illinois State Training School for Boys at St. Charles, Illinois. The Superintendent, Mr. Charles Leonard conducted the committee on its tour.

The population of this institution is 400. Boys from the ages of 10 to 16 are admitted. However, there are cases where older boys have been accepted.

Power Plant: The most urgent need at this institution is a new power plant. The present plant, we were informed, has been condemned. Mr. Leonard suggested that it would cost $200,000.00 to repair the present plant. Therefore, the committee recommends that a thorough survey be made as to the cost of a new plant.

Farm: This institution has about 700 tillable acres, 50 of which are in truck garden. At present they have 200 head of cattle and 400 head of hogs. This institution produces its own pork. At present they have about 2,000 poultry.

Farm Cottages: These are badly in need of rehabilitation. The estimated cost was $150,000.00. Our investigation showed a great deal of repair needed, in Taft, Monroe, Lincoln, Adams and Polk cottages. Important note: the committee recommends calling in a contractor to go over the cottages so that the whole job can be contracted for. The floors in most cases are sagging, the ceilings are bad, and the general condition is not good. This is especially true of the cottage known as Lincoln.

A cross section of 35 cottages where a house mother and father and attendant are employed, finds these cottages to be in a clean and orderly condition.

Food: The food is good and menus accompany this report.

The committee recommends a thorough check in regard to coal stoves for cooking purposes.

A basic statement of the Philosophy of the Illinois State Training School for Boys at St. Charles, Illinois also accompanies this report.

State Training School for Girls

On June 10, 1949 the committee visited and inspected the State Training School for Girls at Geneva, Illinois, Superintendent Mrs. Elizabeth H. Lewis. Mrs. Mabel J. Reese, Assistant Superintendent and Miss Anna M. Bates, Chief Clerk, conducted our tour.

The present population of the institution is 270 girls whose ages range from 10 to 18. The capacity is 450.

Staff: Dr. Leah Lurie is the full time doctor. There is also one full time dentist, three registered nurses and a full time dietitian. Two more registered nurses are needed at this institution. There are 140 employees at the present time.

Farm: There are 240 acres at the institution, 128 acres of which are under cultivation. There is a farm manager and a swine herdsman employed. The butching is done at the institution. At the present time the institution needs the services of an efficient truck farmer. The farm equipment is in fair condition. There is need for replacement of Allis-Chalmers' tractor. The hay barns also need repairs.

Kitchen and Food: The food was checked by taste test and found to be nourishing and good. Menus accompany this report.

There was some talk in regard to staff dining room, main kitchen, etc. At the present time the buildings are scattered over the campus. It was suggested that they should be consolidated in one unit. This, as well as the

suggestion for a revamping of classifications of positions at the institution is recommended by the committee for further consideration and survey.

Laundry: Equipment is needed in the laundry. The institution needs a washer, a small family size washer for better clothes, and modern stretchers.

Power Plant: The power plant is under construction. It may take one and one-half years to complete. At this time one boiler is being installed.

Fire Department: New equipment is being installed. This includes one fire truck. There will also be two full time firemen on duty. They will in turn direct fire drills each week, and general inspection of fire equipment.

Summary: All cottages were maintained in a clean and satisfactory and orderly condition.

There were no deaths in the institution in the past year. The hospital is in good condition. It was mentioned that of the population no contagious diseases or epidemics had occurred in the past 25 years.

The campus is attractive and well kept.

Store: The general store's inventory as of June 1, 1949 was $52,823.98. All material and merchandise was found to be in a clean and orderly condition, well binned and properly marked.

Elgin State Hospital

On June 11, 1949 the committee visited and inspected the Elgin State Hospital at Elgin, Illinois.

The population of this institution is 6,020. The capacity of this institution is 3,500 people and with the present population there is practically 100% overcrowded condition. There are patients sleeping on mattresses on the floors. Dr. Steinberg, General Superintendent mentioned that the admission rate is about 17%. This percentage constitutes senile patients and there is a large percentage of patients who are classified as alcoholics, admitted to the institution.

Construction Program: As recommended by the committee in the last biennium, a new fireproof stairway in the main building is now completed at a cost of $100,000.00. The elevator recommended in the last report from basement to fourth floor was not installed. The Whitman Industrial Building is now completed and houses an additional 200 patients. The Veteran's Diagnostic Building is now completed and same will approximate $1,500,000.00 when all improvements have been made. There is a great need for an Acute Hospital with a capacity of 500 beds. The committee recommends further consideration and survey. There was a great need for a building to house employees, which will go far in keeping the employees and attendants of this institution. The new housing unit which will accommodate 120 employees is being completed at an approximate cost of $700,000.00. The five staff cottages at a cost of approximately $50,000.00 started two years ago now are being completed. Other improvements practically completed now are the Veterans' Kitchen, the new Power Plant (at a cost of one million dollars). Same is now adequate. In the T.B. Sanitarium, two new wings have been constructed and two old wings have been completely rehabilitated at a cost of about $400,000.00. To buildings where there was a fire hazard, there have been added five steel fire escapes. This cost was approximately $53,000.00. This adds materially to the safety of these buildings. Additional space is definitely needed for storage purposes. It was suggested this should be done by the building of a new store building. It was mentioned that there was considerable loss due to present inadequate space. The present store stock approximates about $475,000.00. The committee recommends this project for further study. The Administration Building also is not adequate. The committee recommends this to the attention of the Department of Public Welfare.

Farm: About 800 acres are under cultivation. Equipment is adequate and in good condition. There were about 70,000 gallons of foodstuffs canned in the last biennium. The milk herd at Elgin which consists of about 100 head, lead the State in butter-fat per head.

Kitchen and Dining Room: The kitchen and dining room were found to be in neat and orderly condition. By taste test the food was found to be good, nourishing and wholesome. All food is prepared in the main kitchen and sent to the various wards or to other destinations by steam wagons. Menus were requested and are a part of this report.

General Dining Room: The General Dining Room known as South-North is recommended to the Department of Public Welfare for further investigation because it is considered to be a fire hazard.

Laundry: The equipment and space are not adequate. The committee recommends further survey by the Department of Public Welfare.

Bakery: No request was made for additional equipment. The output is about 2,000 loaves of bread per day as well as the pastry required by the institution. The bakery was found in a clean and sanitary condition.

Store: The committee recommended platforms for the basement. The first and second floors were in good condition. The general condition was found to be very good except for the overcrowded condition already mentioned in this report. Comment made to the committee regarding the grade of paint purchased by the State of Illinois, suggested that a higher grade of paint be purchased, rather than purchasing paint on the basis of price alone. It was very noticeable that the paint has not been standing up.

Fire Equipment: It was noted by the committee that all fire equipment was in good condition and regularly checked.

General Summary: Regarding a cross section of various wards in the institution such as Souster Cottage, Holly Cottage, Hamilton Cottage, the T. B. Building and others, it was very noticeable that the institution is badly in need of additional attendants and while same is very much overcrowded the general appearance was clean and sanitary and in as good a condition as could be expected taking into consideration the shortage of employees and attendants.

Chicago State Hospital

On June 17, 1949 the committee visited and inspected the Chicago State Hospital, at Chicago, Illinois. Dr. Edward F. Dombroski is the Superintendent.

The population of this institution is 4,869 in the institution and 460 on parole. 42% of the inmates are past sixty years of age. Conditions are overcrowded to the extent of 250 inmates now sleeping on floors.

Staff: There are 14 doctors and 13 more are needed. 34 registered nurses are on the staff and 75 are needed. Two dietitians and three dentists are employed. The institution now has 336 attendants and needs the services of 99 additional attendants.

Building Facilities: Two new infirmary wards are near completion. A new water tower is almost complete at this time. The most urgent need is for a new boiler for the power plant. The institution also needs a new refrigeration system. There has been considerbale damage from leaking roofs and repairs are needed on the roofs of some of the buildings to avoid further damage.

Farm: The farm equipment is in good condition. The institution employs a head farmer to supervise and the resultant crops have been excellent. The cannery put up about 50,000 gallons in 1948 of foodstuffs. The vegetables raised supply about three-fourths of the needs of the institution. There are 237 acres at this institution, 130 acres of which are grounds, and 106 acres are under cultivation. The grounds are kept in excellent condition. No dairy or beef cattle are raised nor are swine kept. Milk and all meats are purchased, as it is impossible to raise livestock due to the populated neighborhood.

General Kitchen: Repairs recommended as necessary in the 1947 report have been completed in a satisfactory manner. The kitchen was found to be in excellent condition; and menus are a part of this report.

Main Dining Room: The seating capacity of the main dining room is 1200. Meals are served cafeteria style. The dining room was found to be in good condition and the equipment is adequate.

Bakery: The bakery was found to be in very good condition and the equipment is adequate. The bakery supplies approximately 1200 loaves of bread each day.

Butcher Shop: The butcher shop is roomy and in excellent condition. It was suggested that a deep freeze unit would be a worthwhile improvement and would effect considerable economy.

Storehouse: This building was found to be clean and well kept. The material was properly stored. The inventory approximates $258,158.00.

Laundry: The laundry appeared to be in good condition. However, there is need for additional space and more equipment. Due to the increase in population at this institution, the present laundry is too small and inadequate.

Fire Department: A full time Chief and Assistant Chief are employed at this institution. There is no regular fire truck, but there is access to the city fire department equipment one-half mile distant. The hand equipment is in good condition and frequent inspections are made.

Commissary: The commissary is well kept and clean. The profits from same are diverted into a recreation and amusement fund.

Amusement Hall: The amusement hall is in good condition. Movies are shown twice a week here and every day in the wards for the infirm. They also offer a program of dancing and a variety of games.

Wards: The Detention Ward building, Wards 1 to 4, are equipped for 350 patients, and at present are accommodating 400 patients. Some of them are sleeping on the floor.

In ward C.W.-21, there are 200 patients which means that it is overcrowded by 50. These are infirm patients, who are very untidy. From 800 to 1,000 sheets are used daily.

C.W.-22 is an open ward for patients who are employed throughout the day. This is exceptionally well kept and neat, as is C.W.-14. C.W.-13 is a semi-locked-patient's ward for those who are not permitted the freedom of the grounds. This ward is in good condition.

General Summary: Due to a change in the procedure of commitments there has been a large decrease in alcoholics making considerable more room for the mentally sick. The hospital needs approximately 140 more beds for the size of the institution. The Acute Hospital's equipment is quite adequate for the suggested increase in the number of beds. The therapy equipment is excellent.

In 1948 there were 726 deaths at the institution.

Illinois Children's Hospital School

On June 17, 1949 the committee visited and inspected the Illinois Children's Hospital School at 2551 North Clark Street, Chicago, Illinois. Mr. Richard Eddy is Superintendent.

This is the newest of State institutions having been started in the fall of 1946. It has three functions: physical rehabilitation, education with full school program, and experience in social living.

The requirements for admission are that a child must be under 21 years of age, an Illinois resident and must have a severe physical handicap. The child must be educable, and also unable to obtain education and treatment in the home community, as there is no desire to duplicate any existing resource.

At present the institution is accommodating its full capacity of 92 children from most of the State. There are 60 downstate residents and 32 from Cook County, as Chicago has more special resources for the physically handicapped.

The children are selected for entrance by a committee comprised of the Superintendent, key Staff Members and at least two members of the advisory board.

Personnel: The staff consists of two doctors plus consultants, one part time dentist, ten registered nurses, thirty-nine attendants, six occupational therapists, nine school teachers, two speech therapists, two psychologists, two social workers, a staff of forty maintenance employees and this is satisfactory and adequate for operation.

Patients: The per capita cost is $4,500.00 per child. This is the first State Hospital School for physically handicapped educable children in the United States.

The probable turn over in a year is 12 children.

Some of the conditions treated are cerebral palsy, infantile paralysis, paroplegia and muscular dystrophy.

The children remain under the guardianship of the parents and go home for frequent vacations. The parents are encouraged to visit at least once a week. Every effort is made to help the children develop a normal attitude toward life.

Illinois Eye and Ear Infirmary

On June 18, 1949 the committee visited and inspected the Illinois Eye & Ear Infirmary at 904 West Adams, Chicago. Mr. Lester R. Gerber is the Superintendent.

This is a 130 bed hospital for eye, ear, nose and throat patients. The daily bed patients vary from 90 to 120. Out-patients who do not stay at the infirmary for treatment make about 93,000 clinic visits in a year. There was an increase this year. For the month of May alone, there were 7,967 clinical visits.

Improvements since the 1947 visit: Built new operating rooms, and completed speech and hearing department. Both the eye and ear clinics were rehabilitated. Fire escapes have been added and other improvements regarding fire equipment. They have just finished converting the wiring from DC to AC current and replaced overloaded electric circuits. The exterior of the building has been painted. New laundry equipment has been installed. They are now in the process of widening the fire door.

Urgent Needs: Something must be done to enclose the stairways to meet with the Fire Marshal's request as this is a fire hazard. The committee recommends further investigation of this matter.

Storage space is needed for storing of coal. It was suggested that underground storage be provided as they are now compelled to store coal in driveways and vacant lots nearby.

Staff: There are 81 persons, administrative and maintenance on the Department of Public Welfare Staff. The University of Illinois supplies approximately 50 nurses, doctors and technical staff. In addition, there are 28 resident physicians and 55 to 60 attending physicians who contribute one to three days per week without pay.

The inventory of the General Store approximates $27,370.00.

Deaths during the past year—5.

Entrance Requirements: Patients must be residents of Illinois and medically indigent and in need of eye, ear, and nose treatments. There have been exceptions where the resident is not of Illinois, but only due to an exceptional medical case for teaching and research purposes. An increase is being shown as to the number of surgical patients from outside of Cook County.

Fire Equipment: The fire equipment is frequently inspected and is in good condition.

General Conditions: The hospital was visited and the equipment is in excellent condition. The laboratories are excellent. Kitchen and dining room for employees is adequate as is the patient's dining room. Both are very clean. The cold storage facilities are adequate. It is not necessary to have a large supply of food on hand as deliveries are made about twice a week.

Many improvements have been made in the kitchen since the last biennium. A new dishwasher is needed and the committee recommends same.

A tutor is assigned by the Board of Education to teach children confined for any length of time.

Menus were requested and are made a part of this report.

The committee believes the foregoing report constitutes sufficient evidence of its endeavor to make as complete an investigation of the State Charitable Institutions as the limited time has permitted.

It is respectfully submitted by

HON. JAMES P. LANNON, *Chairman;*
HON. EDWARD C. HUNTER, *Secretary;*
HON. C. C. HUNTER,
HON. JAMES J. THORNTON,
HON. GEORGE (GARRY) NOONAN.

The Speaker laid before the House a communication from the Clerk of the Legislature of the State of Nebraska, transmitting a certified copy of a resolution memoralizing Congress for the calling of a convention to propose an amendment to the Constitution of the United States relating to taxes, which, together with the document therein referred to, was ordered placed on file.

Pursuant to the notice heretofore given under Rule 12 on yesterday, Mr. Arrington moved to have the Committee on Revenue discharged from further consideration of Senate Bill No. 338 and to have the bill placed in the order of Senate Bills on second reading.

Mr. Gibbs moved to lay that motion on the table.

And the question being on the motion to table, on demand of five members, a call of the roll was had resulting as follows: Yeas, 67; Nays, 57.

Nays—57.

The motion to table prevailed.

And the motion of Mr. Arrington was ordered to lie on the table.

Pursuant to the notice heretofore given under Rule 12 on yesterday, Mr. Arrington moved to have the Committee on Revenue discharged from further consideration of Senate Bill No. 351 and to have the bill placed in the order of Senate Bills on second reading.

Mr. Gibbs moved to lay that motion on the table.

And the question being on the motion to table, a division of the House was had resulting as follows: Yeas, 94; Nays, 10.

The motion to table prevailed.

And the motion of Mr. Arrington was ordered to lie on the table.

By unanimous consent, on motion of Mr. John G. Ryan, Senate Bill No. 554 was recalled from the order of third reading to the order of second reading for the purpose of amendment.

And Senate Bill No. 554, a bill for "An Act making an appropriation to The Department of Public Welfare for the operation of Galesburg State Hospital."

Was again taken up in the order of second reading.

Mr. John G. Ryan offered the following amendment and moved its adoption:

AMENDMENT No. 5

Amend printed Senate Bill No. 554 in House on page 2, Section 3, by inserting between lines 9 and 10, the following:

"Animal Pathologists II"; and

on page 2, Section 3, by inserting between lines 17 and 18 the following:

"Bacteriologists III

Bacteriologists IV"; and

on page 3, Section 3, by inserting between lines 23 and 24 the following:

"Biochemists II"; and

on page 5, Section 3, by inserting between lines 16 and 17 the following:

"Librarians II"; and

on page 7, Section 3, by inserting between lines 72 and 73 the following:

"Research Analysts II".

And the amendment was adopted.

There being no further amendments, the foregoing Amendment No. 5 was ordered printed, transcribed and typed; and the question then being, "Shall the bill, as amended, be again ordered to a third reading?" it was decided in the affirmative.

By unanimous consent, on motion of Mr. David Hunter, Senate Bill No. 553 was recalled from the order of third reading to the order of second reading for the purpose of amendment.

And Senate Bill No. 553, a bill for "An Act to provide for the ordinary, contingent and distributive expenditures of the Illinois Public Aid Commission."

Was again taken up in the order of second reading.

Mr. David Hunter offered the following amendment and moved its adoption:

AMENDMENT No. 2

Amend printed Senate Bill No. 553 on page 8, Section 1, line 38, by inserting after the word "amended" the following: "and for allocation and disbursement to counties for assistance to indigent war veterans and their families as provided by Section 28a of 'An Act to revise the law in relation to counties,' approved March 31, 1947, as amended."

And the amendment was adopted.

There being no further amendments, the foregoing Amendment No. 2 was ordered printed, transcribed and typed; and the question then being, "Shall the bill, as amended, be again ordered to a third reading?" it was decided in the affirmative.

Senate Bills on Third Reading

By unanimous consent, Senate Bill No. 403, a bill for "An Act to provide for the ordinary and contingent expenses of the Department of Labor."

Was taken up, and all amendments adopted thereto having been transcribed, typed and printed, was read at large a third time;

And the question being, "Shall this bill pass?" it was decided in the affirmative by the following vote: Yeas, 137; Nays, none.

This bill, having received the votes of a constitutional majority of the members elected, was declared passed.

Ordered that the title be as aforesaid, and that the Clerk inform the Senate thereof and ask their concurrence in the House amendments adopted thereto.

Mr. Arrington asked unanimous consent to recall Senate Bill No. 343 from the order of third reading to the order of second reading for the purpose of amendment.

Unanimous consent was refused.

By unanimous consent, on motion of Mr. Arrington, Senate Bill No. 345 was recalled from the order of third reading to the order of second reading for the purpose of amendment.

And Senate Bill No. 345, a bill for "An Act to amend Sections 3 and 11 of 'An Act to tax gifts, legacies, inheritances, transfers, appointments and interests in certain cases, and to provide for the collection of the same, and repealing certain acts therein named', approved June 14, 1909, as amended, and to add Sections 30a and 30b thereto."

Was again taken up in the order of second reading.

Mr. Arrington offered the following amendments and moved their adoption:

AMENDMENT No. 1.

Amend printed Senate Bill No. 345 in House, on page 7, Sec. 30a, as follows:

1. In line 22, by striking the word *"net"* and inserting in lieu thereof the word *"gross"*.

2. In line 23, by striking the word *"net"* and inserting in lieu thereof the word *"gross"*.

3. By adding the following after the period in line 23:

"With respect to estates of residents of this State, all property included in the estate shall be considered to have a taxable situs in this State except real property situate and tangible personal property having an actual situs in another state. With respect to estates of non-residents of this State, only real property situate and tangible personal property having an actual situs in this State shall be considered to have a taxable situs in this State."

And the amendment was adopted.

AMENDMENT No. 2.

Amend printed Senate Bill No. 345 in House, on page 8, Section 30b, as follows:

1. In line 6, by striking the words *"and shall"* and by inserting in lieu thereof the following: *"but shall not be required to"*

2. In line 7, by inserting after the period after the word *"amended"* the following:

"At the same time that the return provided for in this Section is filed, the person filing the same, shall file with the Attorney General a copy, verified under oath, of the Federal estate tax return for the decedent's estate. If no Federal estate tax return shall have been filed with the proper authority at that time such person shall advise the Attorney General in writing of that fact, under oath, stating the period of the extension of time, if any, granted for the filing thereof, and thereafter upon the filing of the Federal estate tax return shall file a copy thereof, similarly verified, with the Attorney General. The copy of the Federal estate tax return filed with the Attorney General shall be confidential and neither the Attorney General nor any of his assistants or employes shall divulge in any manner any of the contents thereof, except only in a proceeding instituted pursuant to the provisions of this Act. If the person filing the return provided for in this Section is unable to procure a copy of the Federal estate tax return he shall advise the Attorney General in writing of that fact, under oath."

3. In line 15, by striking the word *"the valuations of the estate and"*.

4. In line 16, by striking the word *"are"* and inserting in lieu thereof the word *"is"*.

5. In lines 19 and 20, by striking the words *"the amount of said increased valuations and"*.

6. In line 23, by striking the period after the word *"return"* and inserting in lieu thereof the following: *"; except that interest on such additional tax shall be charged and collected at the rate of six per cent per annum from a date eighteen months subsequent to the date of the death of the decedent to the time of payment thereof and interest at that rate and for that period of time shall be the only interest charged and collected on such additional tax."*

7. In lines 23 and 24, by striking the words *"the valuation of the estate and"*

8. In line 24, by striking the word *"are"* and by inserting in lieu thereof the word *"is"*.

9. In line 31, by changing the period to a comma and by adding after the said comma the following: *"and except that applications for the refund of such excess shall be made within five years from the date of payment thereof."*

10. In line 32, by inserting after the words *"Section 30a"* the following: *"with respect to a resident decedent"*.

And the amendment was adopted.

There being no further amendments, the foregoing Amendments numbered 1 and 2 were ordered printed, transcribed and typed; and the question then being, "Shall the bill, as amended, be again ordered to a third reading?" it was decided in the affirmative.

By unanimous consent, on motion of Mr. Shapiro, Senate Bill No. 243 was recalled from the order of third reading to the order of second reading for the purpose of amendment.

Ordered that the title be as aforesaid, and that the Clerk inform the Senate thereof and ask their concurrence therein.

Introduction of Bills

By unanimous consent, Mr. Thon introduced House Bill No. 1133, a bill for "An Act to amend Section 24 of 'An Act to revise the law in relation to counties', approved March 31, 1874, as amended."

The bill was taken up, read by title, ordered printed and, by unanimous consent, on motion of Mr. Thon, read at large a first time and ordered to a second reading, without reference.

By unanimous consent, on motion of Mr. Choate, the rules were suspended for the purpose of having Senate Bill No. 357 considered in the Committee on Personnel and Pensions today without notice of the hearing on said bill having been posted in accordance with the rules.

At the hour of 2:30 o'clock P. M., Mr. James J. Ryan moved that the House do now take a recess until 4:00 o'clock P. M.

And the motion prevailed.

4:00 o'Clock P. M.

The hour of 4:00 o'clock P. M. having arrived, the House resumed its session.

The Speaker in the chair.

Mr. Downey, from the Committee on Enrolling, Transcribing and Typing of Bills, reported that bills of the following titles have been correctly transcribed and typed and are returned herewith:

House Bill No. 551

A Bill for "An Act to amend Sections 6 and 10a of the 'Illinois Horse Racing Act', filed June 13, 1927, as amended."

HOUSE BILL No. 769

A Bill for "An Act to amend Section 5 of 'An Act to regulate the practice of pharmacy in the State of Illinois, to make an appropriation therefor, and to repeal certain acts therein named', approved May 11, 1901, as amended."

HOUSE BILL No. 820

A Bill for "An Act in relation to classification and planning of public highways."

HOUSE BILL No. 843

A Bill for "An Act to amend Sections 127 and 131 of 'An Act in relation to the regulation of traffic', approved July 9, 1935, as amended."

HOUSE BILL No. 1011

A Bill for "An Act to amend Section 9 of 'An Act to regulate the civil service of cities', approved March 20, 1895, as amended."

HOUSE BILL No. 1063

A Bill for "An Act to amend Sections 50-1, 50-2 and 50-3 of the Revised Cities and Villages Act, approved August 15, 1941, as amended."

The foregoing bills, numbered 551, 769, 820, 843, 1011 and 1063, were placed in the order of House Bills on third reading.

Mr. Downey, from the Committee on Enrolling, Transcribing and Typing of Bills, reported that House amendments to bills of the following titles have been correctly transcribed and typed and are returned herewith:

SENATE BILL No. 544

A Bill for "An Act making appropriations to the Department of Public Works and Buildings for the Division of Highways for certain ordinary and contingent expenses and for road construction contracts."

SENATE BILL No. 553

A Bill for "An Act to provide for the ordinary, contingent and distributive expenditures of the Illinois Public Aid Commission."

The foregoing bills, numbered 544 and 553, were placed in the order of Senate Bills on third reading.

By unanimous consent, on motion of Mr. Fred J. Smith, Senate Bill No. 528 was recalled from the Committee on Judiciary and placed in the order of Senate Bills on second reading.

Mr. Arrington asked unanimous consent to recall Senate Bill No. 343 from the order of third reading to the order of second reading for the purpose of amendment.

Unanimous consent being refused, Mr. Arrington moved to suspend the rules for that purpose.

And on that motion, on demand of five members, a call of the roll was had resulting as follows: Yeas, 37; nays, 60.

Those voting in the affirmative are:

Armstrong	Cutler	Kane	Peel	Stransky
Arrington	Ferguson	Karber	Peffers	Swanson
Bolger	Grebe	Keller	Randolph	Thon

				Nays—60.

The motion was lost, and the House refused to suspend the rules.

Mr. Arrington then moved that Senate Bill No. 343 be stricken from the calendar.

Mr. Jenkins moved, as a substitute, that Senate Bill No. 343 be ordered to lie on the table.

The question being on the substitute motion of Mr. Jenkins, it was decided in the affirmative.

And Senate Bill No. 343 was ordered to lie on the table.

The House again proceeding on the order of House Bills on third reading, House Bill No. 603, a bill for "An Act creating a commission to study the problems of water pollution in the Illinois River, prescribing its powers and duties, and making an appropriation therefor."

Having been transcribed and typed and all amendments adopted thereto having been printed, was taken up and read at large a third time.

And the question being, "Shall this bill pass?" it was decided in the affirmative by the following vote: Yeas, 129; nays, 4.

Mr. Horsley, sponsor of House Joint Resolution No. 21, submitted an analysis of testimony given before the Seditious Activities Investigation Commission with regard to the investigation of the University of Chicago and Roosevelt College, together with comments and additional material collected, which was received, made a part of the record by reference, and ordered placed on file.

Mr. Jenkins submitted the following minority report with reference to the provisions of House Joint Resolution No. 21, which was ordered printed in the Journal:

TEXT OF STATEMENT

There is a serious threat of Communist infiltration in the United States and in our State. This unholy movement seeks to gain a foothold in our schools, colleges, and universities, and must be controlled by our teaching profession. We believe that the outstanding citizens who are trustees of these two institutions are charged with the duty of preventing Communist infiltration.

We do not agree, however, with the findings of the majority in their press statement on the investigation, recently concluded, into activities at the University of Chicago and Roosevelt College. We were in continual attendance at the hearings, we have studied the exhibits and affidavits submitted, and we hold that the findings of the majority in their press release are not in accord with the known facts and are not supported by evidence.

It is impossible to cite any word, written or voiced, by any professor or any officer of either institution which indicates that any one of them ever made a statement which could be regarded in any way as subversive. In fact, there was not one word of testimony as to what any professor ever said to

any student in class or elsewhere except only the letter introduced by Professor Sharp of the University of Chicago urging the Communist Club to invite anti-Communist speakers to present their points of view.

J. B. Matthews, designated by the Commission to be chief interrogator of witnesses, introduced throughout his examination a number of accusations against the two institutions and members of the faculties. He was not under oath, and sought by clever insinuation and innuendo to accomplish by indirection what he failed to prove. In our opinion he did not prove his case. It is unfair to the institutions and personalities involved, therefore, for the Commission to place reliance on such testimony.

It is our opinion that a handful of loud and boisterous students at both schools are Communists. It is the duty of the faculties of both schools to seek to convert them. Indeed, as they grow older experience and sounder thinking may do the job.

If Communistic indoctrination exists on either campus, it would reveal itself frequently in documented form and the investigators would have something more to show than a few paragraphs written by a Columbia professor and used as optional reading. Among the many students, past and present, there are certainly thousands of loyal Americans who, if they had detected any subversive teachings, would eagerly have taken the opportunity to testify.

If there were subversive activities in teaching or otherwise, it could easily be brought into the open. There was an investigator on the University of Chicago campus. The fact that not one word of testimony indicated any subversive statement or activity must prove that none was found. We find:

1. No member of the administration, faculty, or staff of either institution has been shown to be a Communist.

2. There is no proof of any attempt by faculty members of the two institutions to indoctrinate students with Communism.

3. There is a Communist Club among students of each institution, one having eleven members and the other "about ten." There was some testimony that these clubs were formed for the purpose of studying Marxism. We think these clubs should be disbanded and not again reformed under any other name. It is our belief, however, that Marxism should better be studied in classrooms in relation to other forms of government where it can be criticized and appraised. We understand that both institutions have such courses of study, as do many others throughout the country. It seems to us that the way to expose Communism is to expose Communists. The widespread smears of persons who are not Communists or even Communist sympathizers simply divert attention from the real dangers. We can even be lulled into the mistaken idea that attacks on loyal Americans are of some help in preserving democracy. Moscow must cheer when we brand as Communists those who work for peace, repeal of poll taxes, elimination of racial conflict, and slum clearance. Those who fall into this practice perform a service to Stalinists which Communists can get in no other way.

4. One of the greatest safeguards for perpetuation of American ideals lies in scholastic freedom in our universities and colleges. This freedom is essential if our institutions of higher learning are to contribute to advancement of civilization and to increased knowledge of man. The University of Chicago is an outstanding example of the wisdom of this principle. Free interchange of ideas, free research, and the right of faculty members to engage without restraint in activities dictated by their judgment and conscience have enabled the University to perform priceless services to mankind in many fields. Scientists at the University made it possible for the United States to have the atomic bomb and many of these same scientists are now at work on the campus harnessing atomic knowledge to peaceful productive uses. The University is one of the great institutions of the world and it should have unstinted support of the citizens of its home state. Roosevelt College, founded April 17, 1945, has had a remarkable growth—a growth that testifies both to the need for an institution of its kind in downtown Chicago and to the virility of its administration and ideals. It is an admirable

example of freedom of enterprise as applied to education and we believe it should have the loyal support of the citizens of Illinois.

We believe that college and university professors should exert the utmost care in joining organizations or in permitting use of their names by organizations; and should resign from organizations listed by the Attorney General as subversive. We thoroughly approve of General Eisenhower's recent statement that no Communist should be permitted to teach in any of our institutions and that if one is found, he should be discharged.

We applaud those who give their names, effort, and prestige to causes which will remove imperfections of our present social and economic life. But we believe that such causes are hurt and their success impaired when they fall into the hands of those who use them to promote distrust of democracy itself. Communists are quick to seize a worthy American cause and pervert it to their own ends.

Our hearings and observation of similar investigations by other governmental agencies lead us to suggest that a new and real Communistic danger is arising in the country—the failure to keep the meaning of Communism clear. Communism in our opinion is fallacious in theory and vicious in practice. We should always so regard it. But the practice of tagging the Communist label on everyone with whom we do not agree is so prevalent that we are in danger of obscuring the true meaning and danger of Communism.

We are foolish when we call every new or progressive idea Communistic—when we in America smear each other with a red label and thus obscure the real character of Stalinists.

The Commission's investigator went to both schools prior to the introduction of the House Joint Resolution 21. There was no testimony given as to what he found. After a full hearing the Commission voted to file the record of testimony without recommendation which in effect exonerated both schools and the professors interrogated. Even in the press statement of the majority they do not condemn the schools or the professors except by innuendo which we might call guilt by assumption. They should have said the two institutions and the professors were not proven guilty by the evidence and, therefore, exonerated.

There is reason for all loyal citizens to be alarmed about Communist conspiracies in our country but we must not in the hysteria of the moment recommend the destruction of the orderly processes of law and education—nor can we protect our Republic by the use of totalitarian methods.

Respectfully submitted,

CHARLES J. JENKINS.

At the hour of 6:40 o'clock P. M., Mr. James J. Ryan moved that the House do now take a recess until 8:30 o'clock P. M.

Messages from the Senate

A message from the Senate by Mr. Alexander, Secretary:

Mr. Speaker—I am directed to inform the House of Representatives that the Senate has adopted the following preamble and joint resolution, in the adoption of which I am instructed to ask the concurrence of the House of Representatives, to-wit:

House Joint Resolution No. 49

Whereas, At the present time there are no adequate camping and recreational facilities in northern Illinois for the youth of that section of the State; and

Whereas, Lowden Memorial State Park, occupying a magnificent site on Rock River, affords an ideal location for a youth camp; and

Whereas, It is estimated that youth in the northwestern part of the State would spend approximately $60,000 a year in such a camp, and if the camp were established on a permanent basis, a certain percentage of this amount could be used for the development of the park; therefore, be it

Resolved, By the House of Representatives of the Sixty-sixth General Assembly of the State of Illinois, the Senate concurring herein, That we declare it to be the intent and wish of the General Assembly that a part of Lowden Memorial State Park be established as a youth camp for boys and girls belonging to recognized youth organizations; that the buildings and equipment now located there should be developed by youth in vacation to protect a substantial investment already made, and that the reconstruction and development of the park by the youth should be part of the vacation program; that buildings now located in the park should not be destroyed until further appraisal has been made and a valuation has been placed on them; and that the Department of Public Works and Buildings should cooperate in this program.

Adopted by the Senate, June 22, 1949.

The Committee on Municipalities offered the following amendment and moved its adoption:

AMENDMENT No. 1.

Amend printed Senate Bill No. 622 in House, on page 4, Sec. 3, by striking lines 45 to 48, inclusive, and inserting in lieu thereof the following: "fined in sub-section (j) of this section, or (ii) platted urban or suburban land which is predominant-";
and on page 4, Sec. 3, line 52, by striking "(iv)" and inserting in lieu thereof "(iii)";
and on page 15, Sec. 25, line 6, by striking the word "of" and inserting in lieu thereof the word "to"

Mr. Hodge moved to lay the amendment on the table.

The question being on the motion to table, it was decided in the affirmative.

And Amendment No. 1 was ordered to lie on the table.

Mr. Hodge offered the following amendment and moved its adoption:

AMENDMENT No. 2.

Amend printed Senate Bill No. 622 in House, on page 2, Section 2, by striking lines 1, 2 and 3 and inserting in lieu thereof the following:

"Sec. 2. It is hereby found and declared (a) that there exist in many urban communities within this State slum and blighted areas, as defined herein; (b)";

and on page 2, Sec. 2, by striking lines 12 to 30 inclusive, and inserting in lieu thereof the following: "tions of the municipalities embracing such areas, as well as of the State; and (c) that in order to promote and protect the health, safety, morals and welfare of the public it is necessary to provide for the eradication and elimination of slum and blighted areas and the construction of redevelopment projects thereon, and that the eradication and elimination of such areas and the construction of redevelopment projects financed by private capital, with limited financial assistance from governmental bodies, in the manner provided in this Act are hereby declared to be a public use essential to the public interest.

It is also found and declared (a) that there exist in many communities within this State areas of platted or unplatted land which are predominantly open and which, by reason of obsolete platting, diversity of ownership, deterioration of structures or site improvements, or taxes and special assessment delinquencies usually exceeding the fair value of the land, are unmarketable in fact for housing or other economic purposes, and which otherwise substantially impairs or arrests the sound growth of communities; (b) that such predominantly open land constitutes a blight upon communities by preventing the construction of critically needed residential housing; (c) that the retardation of housing and other essential community development and redevelopment projects is a direct and immediate cause of such blighted vacant areas and that the existence of such areas constitutes a menace to the public health, safety, welfare and morals by promoting the creation and continuation of slum and blighted areas, as herein defined, with their attendant evils of disease, crime, infant mortality and juvenile delinquency; (d) that in order to promote and protect the health, safety, morals and welfare of the residents of this State, it is essential that such open areas be developed for predominantly residential uses; and (e) that the acquisition of such predominantly open land and the development or redevelopment thereof by private capital, with limited financial assistance from governmental bodies, in the manner provided by this Act, is hereby declared to be a public use essential to the public interest.";

and on page 4, Sec. 3, by striking lines 44 to 54, inclusive, and inserting in lieu thereof the following:

"(k) 'Slum and Blighted Area Redevelopment Project' means a project involving a slum and blighted area as defined in sub-section (j) of this section.

(l) 'Blighted Vacant Area Redevelopment Project' means a project involving (1) predominantly open platted urban or suburban land which because of obsolete platting, diversity of ownership, deterioration of structures or of site improvements, or taxes or special assessment delinquencies exceeding the fair value of the land, substantially impairs or arrests the sound growth of the community and which is to be developed for predominantly residential uses, or (2) open unplatted urban or suburban land to be developed for predominantly residential uses, or (3) a combination of projects defined in (1) and (2) of this sub-section (l).

(m) 'Redevelopment Project' means a 'Slum and Blighted Area Redevelopment Project' or a 'Blighted Vacant Area Redevelopment Project', as the case may be, as designated in the determination of the Commission pursuant to Section 13 of this Act.";

and on page 4, section 3, line 55, by striking "(l)" and inserting in lieu thereof "(n)";

and on page 5, Sec. 11, by inserting after line 40, the following:

"The Commission shall have power to make studies, surveys and plans preliminary to or concerning any projects which are permissible under this Act.";

and on page 6, Sec. 13, line 9, by inserting after the period following the word "Commission" the following:

"The area of each such determination shall be specifically designated in the resolution as a 'Slum and Blighted Area Redevelopment Project' or a 'Blighted Vacant Area Redevelopment Project', according to the determination of the Commission; provided, that any determination made prior to the effective date of this amendatory Act and designated as a "redevelopment project' as required by the provisions of this section in force prior to such effective date shall constitute a determination that the project is a 'Slum and Blighted Area Redevelopment Project' and shall not require the adoption of a new or amendatory resolution so describing the area involved in such determination."

and on page 6, Sec. 14, by striking lines 6 and 7 and inserting in lieu thereof the following: "area; provided, however, that land embraced within a 'Blighted Vacant Area Redevelopment Project' shall not be acquired";

and by amending line 2 of the title of printed Senate Bill No. 622 in House by striking "18, 19," and on page 1, Section 1, line 1, by striking "18, 19,";

and on pages 7, 8 and 9, by striking all of Sections 18 and 19;

and on page 15, Sec. 25, line 6, by striking the word "of" and inserting in lieu thereof the word "to";

and on page 17, Sec. 2, by striking line 3 and inserting in lieu thereof the following: "blighted areas and for the development and redevelopment of blighted vacant areas; to"

And the amendment was adopted.

There being no further amendments, the foregoing Amendment No. 2 was ordered printed, transcribed and typed; and the question then being, "Shall the bill, as amended, be ordered to a third reading?" it was decided in the affirmative.

Senate Bill No. 624, a bill for "An Act to amend Sections 2, 8, 9, 17, 20, 24, 27 and 28 of an Act entitled 'An Act in relation to housing authorities,' approved March 19, 1934, as amended."

HOUSE BILL No. 1133

A Bill for "An Act to amend Section 24 of 'An Act to revise the law in relation to counties', approved March 31, 1874, as amended."

The foregoing bills, numbered 908, 1112, 1132 and 1133, were placed in the order of House Bills on third reading.

Mr. Downey, from the Committee on Enrolling, Transcribing and Typing of Bills, reported that House amendments to bills of the following titles have been correctly transcribed and typed and are returned herewith:

SENATE BILL No. 408

A Bill for "An Act to provide for the ordinary, contingent and distributive expenditures of the Department of Public Health."

SENATE BILL No. 609

A Bill for "An Act to amend Sections 131 and 133 of 'An Act in relation to the regulation of traffic', approved July 9, 1935, as amended."

SENATE BILL No. 622

A Bill for "An Act to amend Sections 2, 3, 11, 13, 14, 18, 19, 21, 24, 25 and 27 and the title of 'An Act in relation to the eradication and redevelopment of slum and blighted areas; to provide for the creation of instrumentalities to aid in the accomplishment of this purpose, and to define the rights, powers and duties of such instrumentalities and of political subdivisions, and municipal corporations in connection therewith; and to make provision for financial assistance from the State of Illinois and municipal corporations therein', approved July 2, 1947, and to add Section 26.1 thereto."

SENATE BILL No. 645

A Bill for "An Act to amend Section 1 of 'An Act authorizing the issuance of funding bonds by counties to care for unpaid judgments against the county, and providing for a tax levy for their payment', filed July 28, 1941, as amended."

The foregoing bills, numbered 408, 609, 622 and 645, were placed in the order of Senate Bills on third reading.

Mr. Noonan, from the Committee on Elections and Reapportionment, submitted the following report:

REPORT OF COMMITTEE ON ELECTIONS AND REAPPORTIONMENT ON ELECTION CONTEST OF C. FRANCIS STRADFORD VS. NOBLE W. LEE, LOUIS G. BERMAN AND CHARLES M. SKYLES, 5TH SENATORIAL DISTRICT

In the Sixty-sixth General Assembly of the State of Illinois

UNITED STATES OF AMERICA STATE OF ILLINOIS HOUSE OF REPRESENTATIVES } ss.	In the matter of the determination of the result of the election for Representative in the Sixty-sixth General Assembly of the State of Illinois from the 5th Senatorial District

To the Honorable Paul Powell, Speaker, and Members of the House of Representatives of the Sixty-sixth General Assembly of the State of Illinois:

Your Committee on Elections and Reapportionment, to which was referred the contest of C. Francis Stradford vs. Noble W. Lee, Louis G. Berman and Charles M. Skyles, in the 5th Senatorial District of the State of Illinois, begs leave to report that a sub-committee was appointed to take testimony and conduct hearings in the above-entitled contest. The report of the sub-committee, based upon such testimony and hearings, was adopted as the report of your committee, which report, in words and figures is as follows:

BEFORE THE ELECTIONS AND REAPPORTIONMENT COMMITTEE OF THE HOUSE OF REPRESENTATIVES OF THE SIXTY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS

C. FRANCIS STRADFORD, *Contestant,* VS. NOBLE W. LEE, LOUIS G. BERMAN, AND CHARLES M. SKYLES, *Respondents,*	ELECTION CONTEST FIFTH SENATORIAL DISTRICT

REPORT OF SUB-COMMITTEE

The undersigned sub-committee of the Elections and Reapportionment Committee of the House of Representatives, to which was assigned the above election contest for hearing, respectfully reports the same back to the Committee with the following report and recommendation:

1. Your sub-committee reports that it conducted hearings on this election contest on May 14, May 28 and June 11.

2. That upon consideration of the contest and the pleadings, no jurisdictional question was presented, and the sub-committee found that it had jurisdiction of the subject matter and the respective parties thereto.

3. That at the hearing held on May 28, upon stipulation of the parties, the contest was dismissed as to contestees Berman and Skyles, and, at the same hearing, it was stipulated that a recount of the ballot cast in the Fifth Senatorial District should be made by the Board of Election Commissioners of Chicago.

4. That it was impossible to make a recount of the ballots, for the reason that the ballots had been destroyed by order of the Board of Election Commissioners after the expiration of the period prescribed by statute for the retention of ballots, the Board of Election Commissioners having received no notice of the pendency of the contest.

Your sub-committee therefore recommends that the contest filed herein be dismissed for lack of sufficient proof, and that contestees Noble W. Lee, Louis G. Berman and Charles M. Skyles be declared to have been duly

elected as Representatives in the General Assembly of the State of Illinois from the Fifth Senatorial District and entitled to their seats therein.

Respectfully submitted,

LELAND J. KENNEDY
ORA D. DILLAVOU
JAMES W. GRAY
PAUL TAYLOR
W. J. MCDONALD
ORVILLE G. CHAPMAN
J. HAROLD DOWNEY,
Chairman.

Members of the sub-committee of the Elections and Reapportionment Committee of the House of Representatives of the Sixty-sixth General Assembly of the State of Illinois

Your Committee therefore recommends that the contest filed herein be dismissed and the contestees Lee, Berman and Skyles be declared to have been elected as Representatives in the General Assembly of the State of Illinois from the 5th Senatorial District of Illinois and entitled to their seats therein.

Respectfully submitted,

GEORGE G. NOONAN,
Chairman of Committee on Elections and Reapportionment.

Mr. Downey moved that the foregoing report of the Committee on Elections and Reapportionment be adopted.

The motion prevailed.

And Messrs. Noble W. Lee, Louis G. Berman and Charles M. Skyles were declared elected as members of this House from the Fifth Senatorial District.

Mr. Peel submitted a report from the Public Assistance Commission, created by an act of the Sixty-fifth General Assembly, which was received and ordered placed on file.

The Speaker laid before the House a list of cases favorably acted upon by the Court of Claims during the biennium of 1947-1949, together with a letter of transmittal thereof, which was received and ordered placed on file.

Any unencumbered balance in any item appropriated in this section, which may not be required for the completion of any particular object specified, shall be transferred by the Auditor of Public Accounts into a contingent account for expenditures for other items of like purpose and object for which the amount appropriated in such other item is or becomes insufficient. Provided, however, no such transfer of any funds appropriated under this Section may be made so as to authorize the expenditure of funds appropriated for the purchase of land, construction of improvements or the purchase of furniture, furnishings or equipment for any specified institution elsewhere than at said specified institution. Whenever the Director of the Department of Registration and Education finds that the amount appropriated for any item is insufficient to complete any specified object set forth in this section, he shall prepare an estimate setting forth in detail the amount necessary to complete such item and shall transmit the same to the Governor. Upon the approval of the Governor and with the consent in writing of the Director of the Department of Finance, the Auditor of Public Accounts shall transfer from such contingent account a sufficient amount to complete such item, not changing, however, the general object and purpose for which such transferred amount is appropriated.

This bill, having received the votes of a constitutional majority of the members elected, was declared passed.

Ordered that the title be as aforesaid, and that the Clerk inform the Senate thereof and ask their concurrence therein.

Mr. Weber moved that all House Bills now on the order of third reading and on consideration postponed, be ordered to lie on the table.

The motion prevailed, and it was so ordered.

By unanimous consent, on motion of Mr. John G. Ryan, Senate Bill No. 681 was recalled from the order of third reading to the order of second reading for the purpose of amendment.

And Senate Bill No. 681, a bill for "An Act to provide for the ordinary and contingent expenses of the Southern Illinois University."

Was again taken up in the order of second reading.

Mr. John G. Ryan offered the following amendment and moved its adoption:

AMENDMENT No. 1

Amend Senate Bill No. 681 in the House Page 1, Section 1, line 5 by striking the figures "3,996,336" and inserting in lieu thereof the figures "3,866,336"; and
in line 6 by striking the figures "590,985" and inserting in lieu thereof the figures "505,985"; and
in line 7 by striking the figures "43,950" and inserting in lieu thereof the figures "41,950"; and
in line 9 by striking the figures "353,450" and inserting in lieu thereof the figures "343,450"; and
on page 2, Section 1, line 12 by striking the figures "301,950" and inserting in lieu thereof the figures "253,051".

And the amendment was adopted.

There being no further amendments, the foregoing Amendment No. 1 was ordered printed, transcribed and typed; and the question then being, "Shall the bill, as amended, be again ordered to a third reading?" it was decided in the affirmative.

SENATE BILLS ON FIRST READING

The House proceeding on the order of Senate Bills on first reading, Senate Bill No. 687, a bill for "An Act making an appropriation to the Department of Revenue for refunds in accordance with the provisions of the Motor Fuel Tax Law, approved March 25, 1929, as amended."

GENERAL RESOLUTIONS

The House proceeding on the order of general resolutions, Mr. Branson submitted the following:

"NOTICE

I, hereby, serve notice that on the next legislative day, I shall move to have the Committee on Judiciary discharged from further consideration of Senate Bill No. 52, and to have said bill placed in the order of Senate Bills on second reading.

Dated June 27th, 1949.

(Signed) R. J. BRANSON"

Messrs. Gray and McRoberts offered the following resolution, and having asked and obtained unanimous consent to suspend the rules for its immediate consideration, moved its adoption:

HOUSE JOINT RESOLUTION No. 51.

WHEREAS, As a member of the House of Representatives for the last thirty-four years, the Honorable Frank Holten has served the people of the Forty-ninth District honorably and with distinction; and

WHEREAS, He is beloved by the people of his district and has won a permanent place in the affections of all who have been privileged to know and work with him; and

WHEREAS, The State of Illinois has, within the last few years, acquired, for use as a State park, a tract of land in St. Clair County, now known as Grand Marais State Park; and

WHEREAS, It would be a fitting tribute to Mr. Holten's long and faithful service to the people of his district and a recognition of the esteem in which he is held by them, were this park to bear his name; therefore, be it

Resolved, By the House of Representatives of the Sixty-sixth General Assembly of the State of Illinois, the Senate concurring herein, That we respectfully request the Department of Public Works and Buildings to change

the name of Grand Marais State Park, in St. Clair County, to Holten State Park, in recognition of the significant contribution to public service rendered by the Honorable Frank Holten; and be it further

Resolved, That a copy of this resolution and its preamble be delivered to the Honorable Charles P. Casey, Director of Public Works and Buildings.

And the resolution was adopted.

Ordered that the Clerk inform the Senate thereof and ask their concurrence therein.

This bill, having received the votes of a constitutional majority of the members elected, was declared passed.

Ordered that the title be as aforesaid, and that the Clerk inform the Senate thereof.

By unanimous consent, on motion of Mr. Bruer, Senate Bill No. 663 was recalled from the Committee on Judiciary and placed in the order of Senate Bills on second reading.

By unanimous consent, on motion of Mr. John G. Ryan, Senate Bill No. 655 was recalled from the order of third reading to the order of second reading for the purpose of amendment.

And Senate Bill No. 655, a bill for "An Act making reappropriations for certain additional ordinary, contingent and distributive expenses of State government."

Was again taken up in the order of second reading.

Mr. John G. Ryan offered the following amendments and moved their adoption:

AMENDMENT No. 1

Amend printed Senate Bill No. 655 in House, on page 6, Sec. 6, by adding immediately after line 31 the following:

"For Contingencies:
To cover expenditure for purposes for which the amount appropriated in any item enumerated in this section is, or becomes, insufficient .....$ 191,996"
and
on page 7, Sec. 6.1, line 31, by striking "$226,496" and inserting in lieu thereof "$34,500"

And the amendment was adopted.

AMENDMENT No. 2

Amend printed Senate Bill No. 655 in House on page 3, line 11, Sec. 5, by inserting after the word "hospital" the following: "; provided, that if arrangements are made for the construction of a central heating plant, to serve the said hospital building and other buildings in the Medical Center at a saving in heating costs to the State, the sum of $280,000, or so much thereof as may be necessary, of the said sum of $4,850,000, may be deducted from the construction cost of said hospital and used as a part of the cost of constructing the said central heating plant"

And the amendment was adopted.

There being no further amendments, the foregoing Amendments numbered 1 and 2 were ordered printed, transcribed and typed; and the question then being, "Shall the bill, as amended, be again ordered to a third reading?" it was decided in the affirmative.

At the hour of 5:00 o'clock P. M., Mr. James J. Ryan moved that the House do now take a recess until 8:00 o'clock P. M.

And the motion prevailed.

8:00 o'CLOCK P. M.

The hour of 8:00 o'clock P. M. having arrived, the House resumed its session.

The Speaker in the chair.

The House again proceeding on the order of Senate Bills on third reading, Senate Bill No. 173, a bill for "An Act to amend Sections 6 and 7 of 'An Act creating the Illinois Veterans' Commission and defining its powers and duties', approved June 13, 1945."

This bill, having received the votes of a constitutional majority of the members elected, was declared passed.

Ordered that the title be as aforesaid, and that the Clerk inform the Senate thereof.

By unanimous consent, Mr. Marzullo submitted the following report, which was ordered printed in the Journal:

REPORT OF COMMITTEE APPOINTED PURSUANT TO H. J. R. NO. 22 AND H. J. R. NO. 37

Your Committee, appointed pursuant to the provisions of H. J. R. No. 22 and H. J. R. No. 37, for the purpose of conducting an investigation into certain aspects of the administration of the College of Medicine of the University of Illinois and of the Research and Educational Hospitals, as set forth in such Resolutions, copies of which are hereto attached, does hereby submit the following report and recommendations.

Your Committee has examined the testimony of witnesses who appeared before the Sub-Committee of the Executive Committee of the House of Representatives, and, in addition thereto, have examined other witnesses from said institutions and upon consideration of such testimony, make the following findings and recommendations.

1. It is recommended that the Deanship of the Medical College of the University of Illinois and the Medical Directorship at the Research and Educational Hospital, a part of the Chicago Professional College Group, be separated and the duties of these two positions be placed in two persons. The magnitude and responsibility of these two positions justify this conclusion in our opinion.

2. There should be full compliance with the provisions of the State Civil Service laws, as they affect the University of Illinois, and the responsibility of complying with the laws falls both upon the University administration and the merit employees. Failure of compliance by both to the letter and spirit of the Civil Service laws has produced ineffective results and has a tendency to foster friction rather than reduce it.

3. It is recommended that H. B. 970 be enacted into law. This bill repeals the authority of the Trustees of the University of Illinois to administer Civil Service provisions for the University. In lieu thereof it provides that the Governor shall appoint three persons as University of Illinois Civil Service Commissioners, one of whom shall be a member of the Board of Trustees chosen by the Board, who shall have jurisdiction over the classified Civil Service positions and places of employment. The passage of this bill we think will eliminate to a major degree the cause of the conflicts now existing between administration and merit employees, and between academic and non-academic members of the University staff.

4. It is recommended that classroom and bedside teaching of children at the Illinois Surgical Institute for Crippled Children, a part of the Chicago Professional Colleges, be resumed. In this connection it is recommended that S. B. 210, now on third reading in the House, be enacted into law in order that these unfortunate children can again receive schooling. S. B. 210 concerns the establishment of a Surgical Institution for Children and includes within the purposes of such institution the education of children whose parents or guardians may be financially unable to provide education for such children.

5. Promotional opportunities should be offered to both the academic and the non-academic members of the University of Illinois staff, particularly in the non-academic groups of employees, for the intent of the Civil Service Law is very clear on the matter of promotions and lateral transfers, and provision has been made in the Law for this kind of program. The promotional program, coupled with an employee "in service" training program, can do much to raise employee morale and morale between employee, administrator, and employer. This morale building program can do much to improve the relationship between the institution and the public which it serves, and can reasonably be expected to reflect improved service to the taxpayers of the State of Illinois. Other large educational institutions are known for their promotional programs of advancing people from the ranks. A concerted effort should be made on the part of the recruitment officer of the University to first offer present incumbents promotional opportunities before seeking other candidates. With reference to original entrant employees, residents of the State of Illinois should first be canvassed for competent personnel before considering out of state applicants.

6. The Board of Trustees has promulgated a policy dealing with the non-academic employees, relative to their wages, working conditions, hours, etc., and they should be commended for promoting a progressive program of this kind. However, the ineffective manner in which this policy and the Civil Service Laws, rules and regulations have been enforced tends to indicate to the committee that a more harmonious relationship should be reached between employee representative groups, collective bargaining groups and the employer representatives. It is recommended that these mutual relationships be cultivated and strengthened.

Democratic government confers responsibility upon people. Some will assume their responsibilities, while others will refrain from assuming their proper places in society. While Civil Service confers certain rights upon the certified employee, it also places responsibility upon that same employee. By the same token, a responsibility is also placed upon the administrator to see that the employee remains a good employee, and to see that he improves in performing his duties. The State has an investment in every employee. This investment or asset should be treated like any other tangible asset in any kind of business. Training and experience of State employees requires

time and the expenditure of large amounts of public funds, and this investment should be carefully guarded and protected. The committee recommends that the various Civil Service cases now pending at the University of Illinois be reviewed by the Trustees of the University of Illinois with the view of arriving at mutual adjustments and transfers among the persons involved, in order that the maximum skills and experiences of these employees shall be utilized to the fullest, in the service of the interests of the People of the State of Illinois. Litigation of this nature should be avoided and compromises should be effected wherever possible in an effort to prevent suits of this kind against the University.

Your Committee, pursuant to House Joint Resolution No. 37, examined into the method used to select applicants to the Professional Schools and are satisfied that the program now in effect is the fairest approach to the problem. It has been suggested to the Committee by the Vice President of the Professional Schools, Dr. Andrew C. Ivy, that if any member of the legislature now familiar with the University's program for selecting students has a better one to offer, it should be suggested and the Trustees will be pleased to give serious consideration to any and all suggestions made in that regard.

Respectfully submitted,

(Signed) A. L. Marovitz

A message from the Senate by Mr. Alexander, Secretary:

Mr. Speaker—I am directed to inform the House of Representatives that the Senate has concurred with the House of Representatives in the passage of a bill of the following title, to-wit:

HOUSE BILL NO. 869

A bill for "An Act authorizing and prescribing the procedure for civil proceedings to compel the support of dependent wives, children and poor relatives within and without the state."

Together with the following amendment thereto (which amendment has been printed by the Senate), in the adoption of which I am instructed to ask the concurrence of the House, to-wit:

AMENDMENT NO. 1.

Amend House Bill No. 869 in Senate, by striking all of Sec. 3 and inserting in lieu thereof the following:

"Sec. 3. Persons Legally Liable for Support of Dependents.) For the purposes of this Act: (a) A husband is liable for the support of his wife and any child or children under seventeen years of age and any other dependent, and if possessed of sufficient means or able to earn such means may be required to pay for their support a fair and reasonable sum according to his means, as may be determined by the court having jurisdiction of the husband in a proceeding instituted under this Act. A woman who was or is held out as his wife by a man by virtue of a common law marriage recognized as valid by the laws of both the initiating state and the responding state shall be deemed the legitimate wife of such man.

(b) A mother is liable for the support of her child or children under seventeen years of age whenever the father of such child or children is dead. cannot be found or is incapable of supporting such child or children, and if she is possessed of sufficient means or able to earn such means, she may be required to pay for the support of such child or children a fair and reasonable sum according to her means, as may be determined by the court having jurisdiction of the mother in a proceeding instituted under this Act.

(c) The parents are severally liable for the support of a child seventeen years of age or older whenever such child is unable to maintain himself and is likely to become a public charge; they are severally liable for the support of a child or children born to them if at any time prior or subsequent to the birth of such child they have entered into a civil or religious marriage ceremony, regardless of the validity of the marriage; they are severally liable for the support of a child or children born to them if they have held or are holding themselves out as husband and wife by virtue of a common law marriage recognized as valid by the laws of both the initiating state and the responding state.

(d) Notwithstanding the fact that the respondent has obtained a final decree of divorce or separation from his wife or a decree dissolving his marriage, the father is liable for the support of any dependent child of the marriage.";

and in Sec. 4, by striking everything that appears following the letter "(a)" and before the letter "(b)" and inserting in lieu thereof the following:

"The court in this State shall have jurisdiction regardless of the state of last residence or domicile of the petitioner or the respondent, whether the respondent has ever been a resident of the initiating state and whether the petitioner has ever been a resident of the responding state, if the other state involved, whether initiating or responding, has laws substantially similar or reciprocal to this Act.";

and in Sec. 5, by striking everything following the colon in said section and inserting in lieu thereof the following:

"(a) Where the petitioner and the respondent are residents of or are domiciled or are found in this State.

(b) Where the petitioner resides in this State and the respondent is a resident of, is domiciled or is found in another State having substantially similar or reciprocal laws; or where the respondent is a resident of, is domiciled or is found in this State and the petitioner resides in another State having substantially similar or reciprocal laws.

(c) Where the respondent is not and never was a resident of or domiciled in the initiating state and the petitioner resides or is domiciled in such state and the respondent is believed to be a resident of or domiciled in this State, if the initiating state has substantially similar or reciprocal laws.

(d) Where the respondent was or is a resident of or domiciled in the initiating state and has departed or departs from such state leaving therein a dependent in need of and entitled to support under this Act and is believed to be a resident of or domiciled in this State if the initiating state has substantially similar or reciprocal laws.";

and in Sec. 6, by striking everything after the second sentence of said section and inserting in lieu thereof the following:

"(c) If the respondent be not a resident of or domiciled in or cannot be found in such state, a judge of such court may, and if this State is the initiating state shall certify that a verified petition has been filed in his court

in a proceeding against the respondent under this act to compel the support of the petitioner, that a summons, duly issued out of his court for service upon the respondent has been returned with an affidavit to the effect that the respondent cannot with due diligence be located or served with such process in the initiating state, that the respondent is believed to be residing or domiciled in the responding state and that, in his opinion, the respondent should be compelled to answer such petition and should be dealt with according to law, and he may and if this state is the initiating state shall transmit such certificate and exemplified copies of such petition and summons to the appropriate court in the responding state.

If the initiating state has laws substantially similar to or reciprocal with this Act, any judge of a court in the county of this State in which the respondent resides or is domiciled or is found, upon presentation to him of a certificate and exemplified copies of a petition and summons from a court in such initiating state, shall fix a time and place for a hearing on such petition and shall issue a summons out of his court, directed to the respondent, duly requiring him to appear at such time and place.

It shall not be necessary for the petitioner or the petitioner's witnesses to appear personally at such hearing, but the petitioner's representative of this State shall appear on behalf of and represent the petitioner at all stages of the proceeding. If at such hearing the respondent controverts the petition and enters a verified denial of any of the material allegations thereof, the judge presiding at such hearing shall stay the proceedings and transmit to the judge of the court in the initiating state a transcript of the clerk's minutes showing the denials entered by the respondent.

Upon receipt by the judge of the court in the initiating state of such transcript, such court may take such proof including the testimony of the petitioner and the petitioner's witnesses and such other evidence as the court may deem proper, and, after due deliberation, the court may make its recommendation, based on all of such proof and evidence, and transmit to the court in this state an exemplified transcript of such proof and evidence and of its proceedings and recommendation in connection therewith. Upon the receipt of such transcript, the court in this State shall resume its hearing in the proceeding and shall give the respondent a reasonable opportunity to appear and reply. Upon the resumption of such hearing, the respondent shall have the right to examine or cross-examine the petitioner and the petitioner's witnesses by means of depositions or written interrogatories, and the petitioner shall have the right to examine or cross-examine the respondent and the respondent's witnesses by means of depositions or written interrogatories.

If a respondent, duly summoned by a court in this state, wilfully fails without good cause to appear as directed in the summons, he shall be punished in the same manner and to the same extent as is provided by law for the punishment of a defendant or witness who wilfully disobeys a summons or subpoena duly issued out of such court in any other action or proceeding cognizable by said court.

If, on the return of the summons, the respondent appears at the time and place specified therein and fails to answer the petition or admits the allegations thereof, or, if, after a hearing has been held by the court in this state in accordance with the provisions of this section, such court has found and determined that the prayer of the petitioner, or any part thereof, is supported by the evidence adduced in the proceeding, and that the petitioner is in need of and entitled to support from the respondent, the court shall make and enter an order directing the respondent to furnish support to the petitioner and to pay therefor such sum as the court shall determine, having due regard to the parties' means and circumstances. An exemplified copy of such order shall be transmitted by the court to the court in the initiating state and such copy shall be filed with and made a part of the records of such court in such proceeding. The court shall place the respondent on probation on such terms and conditions as the court may deem proper or necessary to assure faithful compliance by the respondent with such order. The

court shall also have power to require the respondent to furnish recognizance in the form of a cash deposit or surety bond in such amount as the court may deem proper and just to assure the payment of the amount required to be paid by the respondent for the support of the petitioner.

The court making such order shall have the power to direct the respondent to make the payments required thereby at specified intervals to the probation department or bureau of the court and to report personally to such department or bureau at such times as may be deemed necessary and the respondent shall at all times be under the supervision of such department or bureau.

A respondent who wilfully fails to comply with or who violates the terms or conditions of the support order or of his probation shall be punished by the court in the same manner and to the same extent as is provided by law for a contempt of such court or a violation of probation ordered by such court in any other suit or proceeding cognizable by such court.

Upon the receipt of a payment made by the respondent pursuant to the order of the court of this State in any proceeding under this act, the probation department or bureau of such court shall forthwith transmit the same to the court of the initiating state. The probation department or bureau of the court in this State shall, not later than thirty days following the end of each fiscal year, furnish to the court of the initiating state an itemized statement under oath of all payments made by the respondent during such fiscal year for the support of the petitioner in such proceeding. The court of the initiating state may receive and accept all payments made by the respondent to the probation department or bureau of the court of this state and transmitted by the latter on behalf of the respondent. Upon receipt of any such payment, and under such rules as the court of the initiating state may prescribe, the court, or its probation department or bureau, as the court may direct, shall deliver such payment to the dependent person entitled thereto, take a proper receipt and acquittance therefor, and keep a permanent record thereof."

Passed the Senate, as amended, June 28, 1949.

EDWARD H. ALEXANDER, *Secretary of the Senate.*

By unanimous consent, the foregoing Message from the Senate, reporting Senate Amendments to House Bill No. 869, was ordered to lie on the Speaker's table.

AMENDMENT No. 2

Amend printed Senate Bill No. 596, in House, on page 2, by adding Sec. 4, as follows:

"Sec. 4. No contract shall be entered into or obligation incurred for any expenditure from any appropriation herein made until after the purpose and amount of such expenditure has been approved in writing by the Governor."

And the amendment was adopted.

There being no further amendments, the foregoing Amendments numbered 1 and 2 were ordered printed, transcribed and typed; and the question then being, "Shall the bill, as amended, be ordered to a third reading?" it was decided in the affirmative.

By unanimous consent, the Speaker took from his table and laid before the House, Senate amendment to House Joint Resolution No. 37, reported to the House on May 25th.

The same having been printed, was taken up for consideration.

Mr. Marzullo moved that the House concur with the Senate in the adoption of their amendment to House Joint Resolution No. 37.

The motion prevailed.

And the House concurred with the Senate in the adoption of their amendment to House Joint Resolution No. 37.

Ordered that the Clerk inform the Senate thereof.

By unanimous consent, Messrs. Powell, James J. Ryan, Dillavou and Clabaugh offered the following resolution and, having asked and

obtained unanimous consent to suspend the rules for its immediate consideration, moved its adoption:

HOUSE RESOLUTION No. 80.

WHEREAS, Our friend and colleague, Representative Charles R. "Jim" Simpson, has been awarded a fellowship in the Harvard Law School and, after a year's graduate study at that institution, plans to devote his full time to the teaching of law; and

WHEREAS, After compiling a brilliant record at the College of Law of the University of Illinois, Mr. Simpson was elected to the House of Representatives in 1946 and is now completing his second session as a member of this body; and

WHEREAS, His ability, integrity and lovable personality have won for him a lasting place in our affections; therefore, be it

Resolved, By the House of Representatives of the Sixty-sixth General Assembly of the State of Illinois. That we extend to Representative Charles R. "Jim" Simpson our sincere congratulations upon the high honor which has been accorded him; that we express to him our appreciation for the friendship he has shown us all; and that, while not concealing our regret that he will not be with us at the next session of the General Assembly, we extend to him our best wishes for a successful career in his chosen profession; and be it further

Resolved, That a suitably engrossed copy of this resolution and its preamble be forwarded to Mrs. Simpson.

And the resolution was unanimously adopted.

By unanimous consent, Messrs. Considine and Weber offered the following resolution and, having asked and obtained unanimous consent to suspend the rules for its immediate consideration, moved its adoption:

HOUSE RESOLUTION No. 81.

WHEREAS, The House is honored to have as a member a distinguished gentleman who, as a member of the United States armed forces in the recent world conflict, compiled one of the most brilliant military records in the history of American arms; and

WHEREAS, This member, the Honorable Clyde L. Choate, served 31 months overseas and participated in the invasions of North Africa, Sicily, Italy, France and Germany; and

WHEREAS, He was cited for bravery in action on Anzio beachhead in Italy and twice on the battlefields of France, where he refused a battlefield commission; and

WHEREAS, He was wounded in action and is the holder of the Purple Heart, French Fourragere, Bronze and Silver Stars, Presidential Citation and the nation's highest award, the Congressional Medal of Honor; and

WHEREAS, The simple, straightforward language of the official citation prepared in connection with the presentation to Representative Choate of the Congressional Medal of Honor describes with eloquent simplicity the heroic action which led to this well-merited award, said citation reading in part as follows:

"He commanded a tank destroyer near Bruyeres, France, on 25 Oct. 1944. Our infantry occupied a position on a wooded hill when, at dusk, an enemy Mark IV tank and a company of infantry attacked, threatening to overrun the American position and capture a command post 400 yards to the rear. Sergeant Choate's tank destroyer, the only weapon available to oppose the German armor, was set afire by two hits. Ordering his men to abandon the destroyer, Sergeant Choate reached comparative safety. He returned to the burning destroyer to search for comrades possibly trapped in the vehicle, risking instant death in an explosion which was imminent and braving enemy fire which ripped his jacket and tore the helmet from his

head. Completing the search and seeing the tank and its supporting infantry overrunning our infantry in their shallow fox holes, he secured a bazooka and ran after the tank, dodging from tree to tree and passing through the enemy's loose skirmish line. He fired a rocket from a distance of 20 yards, immobilizing the tank but leaving it able to spray the area with cannon and machine-gun fire. Running back to our infantry through vicious fire, he secured another rocket, and, advancing against a hail of machine-gun and small-arms fire, reached a position 10 yards from the tank. His second shot shattered the turret. With his pistol he killed two of the crew as they emerged from the tank; and then running to the crippled Mark IV while enemy infantry sniped at him, he dropped a grenade inside the tank and completed its destruction. With their armor gone, the enemy infantry became disorganized and was driven back. Sergeant Choate's great daring in assaulting an enemy tank single-handed, his determination to follow the vehicle after it had passed his position, and his skill and crushing thoroughness in the attack prevented the enemy from capturing a battalion command post and turned a probable defeat into a tactical success."; therefore, be it

Resolved, by the House of Representatives of the Sixty-sixth General Assembly of the State of Illinois, That we publicly express our great pride in having as our friend and colleague such a distinguished war hero as Clyde L. Choate, and that we express our keen satisfaction in the fact that so many young men and women who served their country valiantly in war are devoting themselves to public service in time of peace; and be it further

Resolved, That a suitable engrossed copy of this resolution be delivered to Mrs. Choate.

And the resolution was unanimously adopted.

By unanimous consent, Mrs. O'Neill submitted the following report of the committee appointed pursuant to Senate Joint Resolution No. 33, which was ordered printed in the Journal.

REPORT OF SPECIAL COMMITTEE ON SUBMISSION OF A PROPOSED CONSTITUTIONAL AMENDMENT.

To the Honorable, the Senate and House of Representatives of the Sixty-sixth General Assembly of the State of Illinois:

We, the special committee on submission of a proposed constitutional amendment, appointed pursuant to Senate Joint Resolution No. 33, and directed to prepare a brief explanation of the amendment to Section 2 of Article XIV of the Constitution proposed by Senate Joint Resolution No. 27, a brief argument in favor of the proposed amendment, and the form of the separate ballot upon which the proposed amendment is to be submitted, submit the following as our recommendation in regard to these matters.

Respectfully submitted,

Committee of the Senate
JNO. W. FRIBLEY,
WALKER BUTLER,
MERRITT J. LITTLE,
ROLAND V. LIBONATI,
WALLACE THOMPSON.

Committee of the House
PAUL H. FERGUSON,
LOTTIE HOLMANN O'NEILL,
JOHN O. HRUBY,
JOHN K. MORRIS,
J. CLINTON SEARLE.

Explanation of Proposed Amendment

A comparison of Section 2 of Article XIV (which provides the method of adopting amendments to the Constitution) as now in force and as sought to be amended follows:

Provision of Present Constitution	*Changes Made by Proposed Amendment*
1. Amendments to not more than one article may be submitted at any session.	1. Amendments to not more than three articles may be submitted at any session.
2. Requires the votes of a majority of all electors voting at the election.	2. Requires the votes of a majority of all electors voting at the election or of two-thirds of those voting on the proposition, whichever is less.
3. The form of the ballot for submitting Constitutional amendments is determined by action of the General Assembly.	3. Future amendments would be submitted either on a separate ballot or in a separate column on the ballot.

For this proposed amendment to be adopted it must receive a majority of all votes cast at the general election, November 7, 1950. Failure to vote on the proposition has the same effect as voting against it.

Argument in Favor of Proposed Amendment

Experience has shown that it is extremely difficult to amend our State Constitution, even when the overwhelming majority of interested citizens favor a particular change. The chief reason for this is that an amendment, to be adopted, must receive the favorable vote of a majority of all those voting at the election at which the amendment is submitted. Failure to vote on the amendment has the same effect as voting against it. Many people do not realize this and fail to vote on constitutional propositions either because of lack of interest or lack of understanding of the particular proposition, not realizing that, in failing to vote, they are, in effect, voting "No." Suppose, for example, that one million people vote at an election at which a constitutional amendment is submitted. 500,000 vote for the amendment; only 1,000 vote against it. The amendment fails because it lacks one vote of having received the required majority of all those voting at the election. This despite the fact that those favoring the amendment outnumber those opposing it by 500 to 1. While this may seem an extreme example, the fact is that nine of the fourteen amendments proposed since 1891 have received the votes of at least two-thirds of those voting on the proposal. However, only two have received the votes of a majority of those voting at the election and have carried.

If the proposed amendment is adopted, future amendments may be adopted by the favorable vote of two-thirds of the electors voting on the proposition or by a majority of those voting at the election, which ever is less. This would prevent the undesirable situation where the inaction of those who lack sufficient interest to vote can defeat the express will of the overwhelming majority of interested citizens.

At present, the legislature may not submit amendments to more than one article of the Constitution at the same session. As some of the articles of our Constitution overlap in many respects, it is sometimes difficult to obtain a needed change by amending only one article. This problem can be solved by the adoption of the proposed amendment, which would permit three articles of the Constitution to be amended at the same election.

The proposed amendment would make it possible for the legislature to submit, and for the people of Illinois to adopt, such amendments to our Constitution as may be necessary to meet changing conditions. At the same time, sufficient restrictions are retained to prevent the adoption of an amendment unless there is a genuine public demand for it. The adoption of the

amendment will insure stability in the Constitution, but will make possible the adoption of needed amendments.

The proposed amendment would require the proposition for the adoption or rejection of any future amendment to our Constitution to be printed on a separate ballot or in a separate column on the ballot as the legislature may provide. The electors would cast their votes by voting directly upon the proposition on such separate ballot or in such separate column.

The proposition for the adoption or rejection of the proposed amendment shall appear on a separate ballot as provided in Section 16-6 of the Election Code. The "Explanation of Proposed Amendment" as hereinabove set forth shall be printed first. Immediately below the explanation the proposition shall be printed in substantially the following form:

	YES	For the proposed amendment to Section 2 of Article XIV of the Constitution.

By unanimous consent, Senate Bill No. 445, a bill for "An Act to amend Sections 2, 6, 7 and 8 of the 'Motor Fuel Tax Law', approved March 25, 1929, as amended, and to add Section 11¼ thereto."

Was taken up and read at large a second time.

Mr. John G. Ryan offered the following amendment and moved its adoption:

AMENDMENT No. 1.

Amend printed Senate Bill No. 445 in House, in line 3 of the title by striking "and";
and by inserting immediately preceding the period the following: ", and to make certain additional appropriations in connection with the increase in the Motor Fuel Tax herein provided for";
and on page 4, Sec. 8, line 16, by inserting "transferred to the Road Fund and shall be" immediately preceding "used";
and on page 5, by adding the following Sections immediately after Sec. 11¼:

"Section 2. There are appropriated to the Department of Finance, in addition to amounts otherwise appropriated for the purposes, the following sums, or so much thereof as may be necessary, from the Motor Fuel Tax Fund, for the following objects and purposes:

For apportioning, allotting and paying to the several counties for the construction and maintenance of roads and bridges and the payment of principal of and interest on bonds issued for such purposes, as provided by the 'Motor Fuel Tax Law', as amended.....$3,329,000.00

For apportioning, allotting and paying to the several municipalities for the construction, reconstruction and maintenance of highways, payment of engineering costs and municipal indebtedness, in accordance with the provisions of the 'Motor Fuel Tax Law', as amended.....$15,113,500.00

For apportioning, allotting and paying to townships and road districts or township districts, for surfacing and maintenance of surfacing, and for the installation and construction of culverts and bridges, in accordance with the provisions of the 'Motor Fuel Tax Law', as amended.....$18,518,000.00

(Total Section 2, from Motor Fuel Tax Fund—$36,960,500.00)

Section 3. There is appropriated from the Road Fund, to the Department of Public Works and Buildings, for the Division of Highways, in addition to all other sums appropriated for such purposes, the following sum, or so much thereof as may be necessary, for the following purposes:

For the constructing, widening, reconstructing and improving roads and streets included in the System of State Highways, defined in 'An Act in relation to State highways', approved June 24, 1921, as amended, which have been taken over by the State, and for the purchase of rights-of-way

and condemnation thereof, and for the separation of the grades of said roads with railroads and with highways, and for the purchase of land and erection of buildings, or for any purpose relating or incident to and connected with the construction, widening, reconstruction and improvement of said roads and streets, including consequential damages arising therefrom $50,428,500.00

Section 4. There are appropriated from the Motor Fuel Tax Fund, to the Department of Public Works and Buildings for the Division of Highways, in addition to all other sums appropriated for such purposes, the following sums, or so much thereof as may be necessary, for the purpose of administering the provisions of Sections 9, 10 and 10½ of the 'Motor Fuel Tax Law', as amended $988,500.00

For stationery, printing and office supplies..... $5,000.00

For postage and postal charges..... $6,500.00

All printing and postage purchased from the above appropriations shall be secured through the Department of Finance, and all stamps shall be perforated for identification purposes, by the Department of Finance before delivery to the Division of Highways.

(Total Section 4, $1,000,000.00)

Section 5. In addition to any other sums appropriated to the Department of Revenue, the sum of ten million seven hundred fifty thousand dollars, ($10,750,000), or so much thereof as may be necessary, is appropriated to the Department of Revenue from The Motor Fuel Tax fund in the State Treasury for the purpose of reimbursing and repaying persons in accordance with Section 13 of the Motor Fuel Tax Law, approved March 25, 1929, as amended.

Section 6. The appropriations herein made under Section 3, are made without restriction as to the time of their use except as provided in this Act and in Section 18, Article IV of the Constitution, and shall be available for expenditure for the purposes and to the amounts herein stated, in payment of any contract made or any liability incurred prior to the expiration of the first fiscal quarter after the adjournment of the next regular session of the General Assembly. In other respects the appropriations herein made are subject to the provisions of 'An Act in relation to State finance', approved June 10, 1919, as amended."

Mr. Lewis offered the following substitute for Amendment No. 1 and moved its adoption:

Amend printed Senate Bill No. 445 in House, by striking the enacting clause.

Mr. Kaindl moved to lay the substitute amendment on the table.

The question being on the motion to table, on demand of five members, a call of the roll was had resulting as follows: Yeas, 76; nays, 71.

PROTEST

June 30, 1949, 12:30 A.M.

Pursuant to Article IV, Section 13, of the Constitution of the State of Illinois, we, the undersigned members of the House of Representatives dissent from and protest against the action of the House of Representatives in refusing to read Senate Bill No. 445 in full upon request made by the undersigned at 12:30 a.m. by the official time of the House clock on this date while said bill is under consideration on second reading, the same having been read by title only prior to the time of this protest.

G. W. HORSLEY,
J. CLINTON SEARLE,
JOHN W. LEWIS, JR.

PROTEST

June 30, 1949, 1:05 A.M.

We the undersigned protest further consideration of Senate Bill No. 445 by the House of Representatives as we have previously asked that it be read in full which request has been denied, such bill having been read by title only and the time now being 1:05 a. m. June 30, 1949, central daylight saving time, by the official House clock which was stopped but actual time being 1:15 a. m. this date, nothing in the Journal to the contrary.

G. W. HORSLEY,
GEO. S. BRYDIA,
J. CLINTON SEARLE,
R. J. BRANSON.

By unanimous consent, Senate Bill No. 503, a bill for "An Act to revise the public assistance laws of Illinois, to consolidate and codify such laws, to prescribe the functions, powers, and duties of governmental units, agencies, and persons thereunder, to provide penalties for the violation thereof, and to repeal certain Acts herein named."

Was taken up and read at large a second time.

Messrs. Shapiro and Peel offered the following amendments and moved their adoption:

AMENDMENT No. 1.

Amend printed Senate Bill 503 in House on page 35, Section 4-29, line 10½, by striking the words "one-half" and inserting in lieu thereof the following: "one"

and on page 35, Section 4-29, by inserting immediately after line 12 the following:

"In determining the amount of the unobligated balance which is to be applied in producing the required levy for receipt of allocations of state funds hereunder, there shall be deducted from the gross unobligated balance of funds available at the close of the fiscal year preceding the fiscal year for which the tax is levied the total amount of state funds allocated to such city, village, incorporated town, or other governmental unit during such preceding fiscal year, and only the remainder shall be considered available in determining the amount of the deficiency needed to produce the qualifying levy for the fiscal year for which the tax is levied."

And the amendment was adopted.

AMENDMENT No. 2.

Amend printed Senate Bill No. 503 in House on page 8, Sec. 2-2, by inserting immediately after line 88 the following paragraph:

"(j) have authority to appoint, when and as it may deem necessary, statewide advisory committees to provide professional or technical consultation in respect to medical or dental or hospital care, general assistance, home economics, or other special aspects of public assistance and related welfare functions. The members of such advisory committees shall receive no compensation for their services, other than expenses actually incurred in the performance of their official duties. The number of members of each such advisory committee shall be determined by the Commission. Such advisory committees shall consult with and advise the Commission in respect to problems and policies incident to the administration of the particular Act or Acts germane to their respective fields of competence. In addition to the powers and duties conferred and imposed upon it by this Code, the Illinois Public Aid Commission shall perform such further duties and exercise such further powers as are conferred upon it by law."; and

on page 9, Sec. 2-3, by striking lines 17 to 29, inclusive.

And the amendment was adopted.

AMENDMENT No. 3.

Amend printed Senate Bill No. 503 in House, on page 32, Sec. 4-25, line 17, by adding after the word "Article" the following: "and payments of assistance to indigent war veterans and their families, as provided in Section 4-34 of this Article,";

and on page 36, by adding after line 13 of Sec. 4-33, the following section:

"Sec. 4-34. Assistance to Indigent War Veterans and their Families.) The Commission shall, in accordance with the provisions of Section 28a of 'An Act to revise the law in relation to counties,' approved March 31, 1874, as amended, determine and certify to the Auditor of Public Accounts, the amounts to be paid to counties for the assistance of indigent war veterans and their families in supplementation of county tax levies for such purpose as provided in said section.";

and on page 36, by renumbering printed Sec. 4-34 to be Sec. 4-35

And the amendment was adopted.

Messrs. Shapiro, Peel and Burhans offered the following amendment and moved its adoption:

AMENDMENT No. 4.

Amend printed Senate Bill No. 503 in House, on page 45, Article VII, Sec. 7-3, by inserting immediately following line 13, the following:

"In the event that federal law or regulations providing grants to the states for aid to needy individuals who are blind permit the exemption of

certain income of an applicant or recipient of Blind Assistance, and which exemption shall not render the grant to the needy blind individual ineligible for contribution of funds by the Federal Government, the amount of Blind Assistance given hereunder shall be in addition to any amount of earned income of an applicant or recipient, up to and including $500 per year; provided, however, that earned income received in excess of $500 per year, or income of any amount not earned by the applicant or recipient, shall be considered as income available in fixing the amount of assistance under this Article. The term 'earned income' as used herein means money earned in self-employment or in the form of wages, salary or commission for personal services performed as an employee of another.

In fixing the amount of assistance to which a person is entitled, the Commission shall not consider any homestead of such person except to the extent that such homestead provides income and shelter for the support of such person. The term 'homestead', as used in this section, means the dwelling house and contiguous real estate owned and occupied by such person, regardless of the value of the property."

And the amendment was adopted.

There being no further amendments, the foregoing Amendments numbered 1, 2, 3 and 4 were ordered printed, transcribed and typed; and the question then being, "Shall the bill, as amended, be ordered to a third reading?" it was decided in the affirmative.

By unanimous consent, Senate Bill No. 504, a bill for "An Act to amend Sections 16-1, 16-2, 16-8 and 23-104 of the 'Revised Cities and Villages Act', approved August 15, 1941, as amended."

Was taken up, read at large a second time and ordered to a third reading.

By unanimous consent, Senate Bill No. 505, a bill for "An Act to repeal Sections 25, 25.01, 25.02, 25.03, 25.04, 25.05, 25.06, 25.07, 25.08, 25.09, 25.10, 25.11, 25.12, 25.13 and 25.14 of 'An Act to revise the law in relation to counties', approved March 31, 1874, as amended, and to add Sections 25, 25.01, 25.02, 25.03, 25.04, 25.05, 25.06, 25.07, 25.08, 25.09, 25.10, 25.11, 25.12, 25.13, 25.14 and 25.15 thereto."

Was taken up, read at large a second time and ordered to a third reading.

By unanimous consent, Senate Bill No. 506, a bill for "An Act to amend the title and Section 1 of 'An Act to authorize certain incorporated towns to levy a tax for the care and support of poor and indigent persons lawfully resident therein', approved December 11, 1936, as amended."

Was taken up, read at large a second time and ordered to a third reading.

By unanimous consent, Senate Bill No. 507, a bill for "An Act to amend Sections 4, 20 and 21 of 'An Act to revise the laws relating to charities,' approved June 11, 1912, as amended, and to repeal Section 31 thereof."

Was taken up, read at large a second time and ordered to a third reading.

By unanimous consent, Senate Bill No. 508, a bill for "An Act to amend Section 3 of Article IV, Section 10 of Article VI, Section 1 of Article VII, Section 2 of Article XI and Section 3a of Article XIII of 'An Act to revise the law in relation to township organization', approved

March 4, 1874, as amended, and to add Sections 3.01, 3.02, 3.03, 3.04, 3.05, 3.06, 3.07, 3.08, 3.09, 3.10, 3.11, 3.12, 3.13, 3.14, 3.15, 3.16, 3.17, 3.18, 3.19 and 3.20 to Article IV thereof, and to add Sections 10.01, 10.02, 10.03, 10.04, 10.05, 10.06, 10.07, 10.08 and 10.09 to Article VI thereof."

Was taken up, read at large a second time and ordered to a third reading.

By unanimous consent, on motion of Mr. Gibbs, Senate Bill No. 569, a bill for "An Act creating the Mississippi Scenic Parkway Commission and making an appropriation therefor."

Was taken up and read at large a second time.

And the question being, "Shall the bill be ordered to a third reading?" it was decided in the affirmative.

DEATH RESOLUTIONS

The House proceeding on the order of death resolutions, Mr. Holten offered the following resolution and moved its adoption:

HOUSE RESOLUTION NO. 82

WHEREAS, June 28th marks the fifth anniversary of the death of one of the outstanding public servants in the history of Illinois, the Honorable Edward J. Hughes, whose unselfish devotion to duty won him an enduring place in the hearts of all the people of this State; therefore, be it

Resolved, By the House of Representatives of the Sixty-sixth General Assembly of the State of Illinois, that we pause for a moment in respect to the memory of that great son of Illinois, Edward J. Hughes, and that we re-dedicate ourselves to the high ideals of public service which he so nobly exemplified; and be it further

Resolved, That a suitably engrossed copy of this resolution be forwarded to Mrs. Hughes, and as a further mark of respect to the memory of Mr. Hughes, that the House do now adjourn.

The resolution was unanimously adopted by a rising vote; and in accordance therewith, at the hour of 11:58 o'clock P. M., the House stood adjourned.

THURSDAY, JUNE 30, 1949, 10:00 O'CLOCK A. M.

The House met pursuant to adjournment.

The Speaker in the chair.

Prayer by Rev. William Clyde Howard, of the Second Presbyterian Church, of Chicago.

The Journal of yesterday was being read when Mr. James J. Ryan moved that further reading of the same be dispensed with and that it be ordered to stand approved.

Mr. Lewis raised a point of order that Rule 9 had not been complied with and that printed copies of the Journal of yesterday were not upon the desks of the members.

The Speaker ruled the point of order well taken.

Mr. James J. Ryan moved that Rule 9 be suspended.

The question being on the motion to suspend, a division of the House was had resulting as follows: Yeas, 80; nays, 19.

The motion prevailed, and Rule 9 was suspended.

Mr. James J. Ryan then moved that further reading of the Journal of yesterday be dispensed with and that it be ordered to stand approved.

The motion prevailed, and it was so ordered.

Messages on the Speaker's Table

By unanimous consent, the Speaker took from his table and laid before the House, Senate Joint Resolution No. 39, reported to the House on June 21st.

The same having been printed, was taken up for consideration.

Mr. James J. Ryan moved that the House non-concur with the Senate in the adoption of said resolution.

And on that motion, a division of the House was had resulting as follows: Yeas, 76; nays, 71.

The motion prevailed.

And the House non-concurred with the Senate in the adoption of Senate Joint Resolution No. 39.

Ordered that the Clerk inform the Senate thereof.

By unanimous consent, Mr. James J. Ryan offered the following resolution and moved its adoption:

House Joint Resolution No. 52

Resolved, By the House of Representatives, the Senate concurring herein, That when the two Houses adjourn on Thursday, June 30, 1949, they stand adjourned *sine die.*

And the resolution was adopted.

Ordered that the Clerk inform the Senate thereof and ask their concurrence therein.

A message from the Senate by Mr. Alexander, Secretary:

Mr. Speaker—I am directed to inform the House of Representatives that the Senate has concurred with the House of Representatives in the passage of a bill of the following title, to-wit:

HOUSE BILL NO. 1126

A bill for "An Act to amend Section 14 of 'An Act in relation to motor vehicles and to repeal a certain act therein named', approved June 30, 1919, as amended."

Together with the following amendments thereto (which amendments have been printed by the Senate), in the adoption of which I am instructed to ask the concurrence of the House, to-wit:

AMENDMENT NO. 1.

Amend the title of House Bill No. 1126 in Senate to read as follows:

"A BILL

For an Act to amend Section 14 of 'An Act in relation to motor vehicles and to repeal a certain act therein named', approved June 30, 1919, as amended, and to make an appropriation in connection therewith."; and by striking all of Sec. 14 and inserting in lieu thereof the following:

"Sec. 14. The Secretary of State shall supply and deliver to the address of the owner of each licensed motor vehicle or motor bicycle registered in his office, as herein provided, charges prepaid, and without additional cost, one number plate for each motor bicycle, which shall be of a size one-third of that required for motor vehicles, as hereinafter provided, and which shall be conspicuously displayed thereon, and two number plates for each passenger car, bus, truck or truck-tractor, and one plate for each trailer or semi-trailer. The Secretary of State may issue during any calendar year license plates of a distinctive color or design for each or any class of motor vehicle of the second division, but the number plates for motor vehicles in the first division shall be distinctly different from the number plates for motor vehicles in the second division. All such number plates shall be as simple and inexpensive as may be for the purpose required, and the number, numbers, letter, letters or combination of numbers and letters thereon shall correspond with the number, numbers, letter, letters or combination of numbers and letters of the certificate of registration issued by the Secretary of State, as hereinbefore provided, and such number plates shall be conspicuously displayed upon the front and back of the motor vehicle to which they are assigned as herein provided, whenever the same shall be driven or used upon the public streets, roads, turnpikes, parks, parkways, drives or other public highways in this State and shall be firmly attached to the said motor vehicle so that they will not swing loosely, and the rear number plate shall not be less than twenty (20) inches above the surface of the ground, and both shall at all times be kept clean and free from grease and dirt. *The rear number plate supplied by the Secretary of State for such motor vehicles or motor bicycles shall be reflectorized with a reflex reflecting sheeting or shall be illuminated.* The characters upon such number plates shall be any Arabic numerals, or any combination of said numerals, or any letters of the English Alphabet, or any combination of said letters, or any combination of said numerals and letters based upon any system or scheme which the Secretary of State, in his discretion, may devise or adopt. Said numerals and letters shall not be less than three (3) inches in height, and each stroke shall be of a width not less than three-eighths (⅜) inch, and said number plates shall also bear as part of such number, numbers, letter, letters or combination of numbers and letters, the letters 'Ill.' and each of such letters shall not be less than one inch in height. Such number plates shall be of distinctly different color for each calendar year, and there shall be at all times a marked contrast between the color of the number plates and that of the figures and letters thereon: Provided, however, the same combination of colors may be repeated after a lapse of five (5) years from the date of their first issue. The owner of such motor vehicle shall not be required to place any mark of identity upon such motor vehicle or motor bicycle other than the plates or plate so delivered by the Secretary of State and such tax or license number as may be issued by the city, village, town or other municipal corporation within which said owner resides.

Section 2. In addition to any other appropriations made for such purpose the sum of $700,000, or so much thereof as may be necessary, is appropriated to the Secretary of State for the purpose of procuring number plates which are reflectorized with a reflex reflecting material as is provided in this Act."

AMENDMENT No. 2.

Amend House Bill No. 1126 in Senate, as amended, by striking all of Section 2 and inserting in lieu thereof the following:

"Section 2. In addition to any other appropriations made for such purpose the sum of $700,000, or so much thereof as may be necessary, is appropriated from the road fund to the Secretary of State for the purpose of procuring number plates which are reflectorized with a reflex reflecting material as is provided in this Act."

Passed the Senate, as amended, June 30, 1949.

Verhines, Walker, Waltrip, Weber, Welsh, Westbrook, Willett, Wilson, Wood, Zientek and Mr. Speaker offered the following resolution and, having asked and obtained unanimous consent to suspend the rules for its immediate consideration, moved its adoption:

HOUSE RESOLUTION No. 83

WHEREAS, Our friend and fellow member, the Honorable Thomas A. Bolger has honored the members of this House with a poem of farewell; and

WHEREAS, We wish to take this means of expressing how deeply this poem has touched our hearts and to express our respect, honor and true loyalty for a grand trouper; and

WHEREAS, Mr. Bolger is a staunch leader with the spirit and grit of an ideal American; and

WHEREAS, The members of the House appreciate more than words can tell the courage shown by Mr. Bolger by his coming down each week to participate in the making of laws in spite of ill health; and

WHEREAS, Said members wish Mr. Bolger all the luck in the world and a continuance of improvement in health and hope to see him again in the old familiar spots; and

WHEREAS, We would like to show our appreciation by having Mr. Bolger accept a token of our everlasting friendship, therefore, be it

Resolved, By the House of Representatives of the Sixty-sixth General Assembly of the State of Illinois, That we express our sincere good wishes and best of luck to our friend and colleague, the Honorable Thomas A. Bolger, and make known our great pride in being associated with him these past years; and be it further

Resolved, That a suitably engrossed copy of this resolution be forwarded to Mr. Bolger.

And the resolution was unanimously adopted by a rising vote.

Mr. Sullivan moved that the poem referred to in the foregoing resolution be set forth in the Journal.

The motion prevailed.

And the poem referred to is as follows, to-wit:

"Parting time soon will come
From the place I spent so many years;
To leave the friends I love so well
Almost brings my eyes to tears.
I cannot find the words to tell
How much your friendship means to me;
If all I know were as nice as you,
How happy this old world would be.
God bless you all, is my final word—
Sometime perhaps we may meet again—
Through all the days that lie ahead
The memories here will long remain.
Adios

(Signed) THOMAS A. BOLGER

Mr. Horsley asked unanimous consent to introduce a resolution.

Unanimous consent was refused.

At the hour of 6:35 o'clock P. M., Mr. James J. Ryan moved that the House do now take a recess until 8:00 o'clock P. M.

And the motion prevailed.

8:00 o'CLOCK P. M.

The hour of 8:00 o'clock P. M. having arrived, the House resumed its session.

The Speaker in the chair.

MESSAGES FROM THE SENATE

A message from the Senate by Mr. Alexander, Secretary:

Mr. Speaker—I am directed to inform the House of Representatives that the Senate has again voted on the adoption of House Joint Resolution No. 52 and failed to concur with the House in the adoption of said Resolution.

Action taken by the Senate, June 30, 1949.

EDWARD H. ALEXANDER, *Secretary of the Senate.*

The foregoing message from the Senate, again reporting refusal to concur with the House in the adoption of House Joint Resolution No. 52, was ordered to lie on the Speaker's table.

A message from the Senate by Mr. Alexander, Secretary:

Mr. Speaker—I am directed to inform the House of Representatives that the Senate has refused to recede from the following Senate Joint Resolution, to-wit:

SENATE JOINT RESOLUTION NO. 39

Resolved, By the Senate of the Sixty-sixth General Assembly, the House of Representatives concurring herein, That when the two Houses adjourn on Thursday, June 30, 1949 (or on Friday, July 1, 1949, in the event that either or both of said Houses continue in session on that day), they stand adjourned until Monday, July 18, 1949, at 4:00 o'clock P. M. (C.D.S.T.).

I am further directed to inform the House of Representatives that the Senate requests that the House of Representatives reconsider the resolution.

Action taken by the Senate, June 30, 1949.

EDWARD H. ALEXANDER, *Secretary of the Senate.*

The foregoing message from the Senate, reporting refusal to recede from Senate Joint Resolution No. 39 and requesting the House to reconsider said resolution, was ordered to lie on the Speaker's table.

A message from the Senate by Mr. Alexander, Secretary:

Mr. Speaker—I am directed to inform the House of Representatives that the Senate has refused to recede from their amendment to a bill of the following title, to-wit:

HOUSE BILL NO. 626

A bill for "An Act to amend Sections 1, 2a and 5 of 'An Act concerning public utilities', approved June 29, 1921, as amended."

I am further directed to inform the House of Representatives that the Senate requests a Committee of Conference to consist of three members from each House to consider the differences of the two Houses in regard to the amendments to the bill, and that the President of the Senate has appointed as such Committee on the part of the Senate the following: Senators Walsh, Saltiel and Ryan.

Action taken by the Senate, June 30, 1949.

EDWARD H. ALEXANDER, *Secretary of the Senate.*

By unanimous consent, Mr. James J. Ryan moved that the House accede to the request of the Senate for a Committee of Conference to adjust the differences arising between the two Houses on Senate amendment to House Bill No. 626.

And the motion prevailed.

The Speaker appointed as such committee on the part of the House, Messrs. Shapiro, Stengel and Searle.

Ordered that the Clerk inform the Senate thereof.

Any unencumbered balance in any item appropriated in this section, which may not be required for the completion of any particular object specified, shall be transferred by the Auditor of Public Accounts into a contingent account for expenditures for other items of like purpose and object for which the amount appropriated in such other item is or becomes insufficient. Provided, however, no such transfer of any funds appropriated under this Section may be made so as to authorize the expenditure of funds appropriated for the purchase of land, construction of improvements or the purchase of furniture, furnishings or equipment for any specified institution elsewhere than at said specified institution. Whenever the Director of the Department of Registration and Education finds that the amount appropriated for any item is insufficient to complete any specified object set forth in this section, he shall prepare an estimate setting forth in detail the amount necessary to complete such item and shall transmit the same to the Governor. Upon the approval of the Governor and with the consent in writing of the Director of the Department of Finance, the Auditor of Public Accounts shall transfer from such contingent account a sufficient amount to complete such item, not changing, however, the general object and purpose for which such transferred amount is appropriated.

Sec. 12. There is appropriated to the Secretary of State the sum of one million six hundred and eighty-three thousand dollars ($1,683,000), or so much thereof as may be necessary, for the objects and purposes and in the amounts set forth below as follows:

For rehabilitation and repair of toilets in the State Capitol Building, including labor and materials therefor and painting and cleaning and plans and specifications therefor.....$ 90,000

For rebuilding and reupholstering and repairing seats in the Centennial Building Auditorium..... 5,000

For purchase of Alternating Current..... 7,500

For purchase of trees, shrubs and other landscaping materials.... 5,000

For repair or replacement of elevators in the Centennial Building; including costs of labor, materials, plans and specifications..... 210,000

For construction of a new office building, with fixed equipment installed, including heating, plumbing, lighting, automatic sprinkler system, site development, including plans and specifications therefor, and all necessary costs and charges incident to completion of such work.....$ 950,000

Sec. 13. Wherever any appropriation in this Act, expressly provides that the cost of plans and specifications shall be included in the amount so appropriated, not more than four and one-half per cent (4½%) of each amount so appropriated shall be available for expenses incident to the preparation of such plans and specifications.

Sec. 14. The invalidity of any particular section, provision or item of appropriation contained herein shall not affect the validity of this Act as a whole nor of any other section, provision or item.

Sec. 15. The appropriations herein made are subject to the provisions of "An Act in relation to State finance", approved June 10, 1919, as amended."

AMENDMENT NO. 2.

Amend printed Senate Bill No. 680, in House, as amended, on page 20, by adding Sec. 14, as follows:

"Sec. 14. No contract shall be entered into or obligation incurred for any expenditure from any appropriation herein made until after the purpose and amount of such expenditure has been approved in writing by the Governor."

AMENDMENT No. 7

Amend printed Senate Bill No. 510 in House, on page 15, Sec. 1.32, by inserting therein the words "Supervisor of Hearings and Orders" and the words "Utility Chief Accountant".

Action taken by the Senate, June 30, 1949.

EDWARD H. ALEXANDER, *Secretary of the Senate.*

By unanimous consent, Mr. James J. Ryan moved that the House refuse to recede from the House amendments to Senate Bill No. 510, and that a Committee of Conference, consisting of three members on the part of the House and three members on the part of the Senate, be appointed to consider the differences between the two Houses in reference to said amendments.

And the motion prevailed.

The Speaker appointed as such committee on the part of the House, Messrs. John G. Ryan, Shannon and Clabaugh.

Ordered that the Clerk inform the Senate thereof.

A message from the Senate by Mr. Alexander, Secretary:

Mr. Speaker—I am directed to inform the House of Representatives that the Senate has concurred with the House in the adoption of House amendment to a bill of the following title, to-wit:

SENATE BILL NO. 177

A bill for "An Act to amend Sections 3, 5, 6, and 15.1 of 'An Act in relation to the regulation of community currency exchanges, and the operators and employees thereof, and to make an appropriation therefor', approved June 30, 1943, as amended, and to add Sections 3.1 and 4.2 thereto."

Which amendment is as follows:

AMENDMENT NO. 2

Amend printed Senate Bill No. 177 in House, on page 2, by striking all of Sec. 4.2, and inserting in lieu thereof the following:

"Sec. 4.2. Whensoever the ownership of any Currency Exchange, theretofore licensed under the provisions of this Act, shall be held or contained in any estate subject to the control and supervision of any Administrator, Executor, Guardian, or Conservator appointed, approved or qualified by any Court of the State of Illinois, having jurisdiction so to do, such Administrator, Executor, Guardian, or Conservator, may, upon the entry of an order by such Court granting leave to continue the operation of such Currency Exchange, apply to the Auditor of Public Accounts for a license under the provisions of this Act. When any such Administrator, Executor, Guardian or Conservator shall apply for a Currency Exchange License pursuant to the provisions of this section, and shall otherwise fully comply with all of the provisions of this Act relating to the application for a Currency Exchange license, the Auditor may issue to such applicant a Currency Exchange license. Any Currency Exchange license theretofore issued to a Currency Exchange, for which an application for a license shall be sought under the provisions of this Section, if not previously surrendered, lapsed, or revoked, shall be surrendered, revoked or otherwise terminated before a license shall be issued pursuant to application made therefor under this section."

I am further directed to inform the House of Representatives that the Senate has refused to concur with the House in the adoption of their Amendment No. 1 to Senate Bill No. 177, which Amendment is as follows:

AMENDMENT NO. 1

Amend printed Senate Bill No. 177 in House on page 2, Sec. 3, lines 18 and 19, by striking the following: "from a banking institution"

A message from the Senate by Mr. Alexander, Secretary:

Mr. Speaker—I am directed to inform the House of Representatives that the Senate has refused to concur with the House in the adoption of the amendments of the House of Representatives to a bill of the following title, to-wit:

SENATE BILL No. 150

A bill for "An Act to add Section 35a to 'An Act to revise the law in relation to roads and bridges', approved June 27, 1913, as amended."

Which amendment is as follows:

AMENDMENT No. 1

Amend printed Senate Bill No. 150 in House, in line 2 of title, by striking "Section 35a" and inserting in lieu thereof "Sections 35a and 35b"; and on page 1, Section 1, by striking all of line 1 and inserting in lieu thereof the following:

"Section 1. Sections 35a and 35b are added to "An Act to revise the law in relation"; and

on page 1, Section 35a, line 12, by inserting immediately after the period the following: "Provided, however, that the question of raising a special bridge tax for the purposes set forth in this section shall first be submitted to the legal voters of the county, at any regular election for county officers, or at a special election which the county board is hereby authorized to call for such purpose, on the petition of one hundred legal voters in said county to the county clerk, previous to the time for posting the notices of a regular or of a special election; said petition and notices shall designate the annual rate per cent not exceeding .05 per cent of full, fair cash value, as equalized and assessed by the Department of Revenue.

All elections hereunder shall be called and held and returns made in substantially the manner provided for under the general election laws of this State". And

immediately below the last line of Section 58a add the following:

"Sec. 58b. The ballots to be used at elections provided for the preceding section shall be in substantially the following form:

Shall a special tax for bridge purposes be levied?	YES	
	NO	

If a majority of all ballots cast on the proposition at any such election shall be in favor of said special tax, it shall be the duty of the County board to direct the county clerk to extend such tax against all the taxable property in said county.

Action taken by the Senate, June 30, 1949.

By unanimous consent, Mr. Knauf offered the following resolution and, having asked and obtained unanimous consent to suspend the rules for its immediate consideration, moved its adoption:

HOUSE JOINT RESOLUTION NO. 53

WHEREAS, The most pressing needs of the Illinois highway system are (1) Motor Fuel Tax funds for road and highway maintenance and construction, and (2) an allocation of such funds which will afford an equitable distribution among the various governmental units and promote the best interests of the Illinois highway system, and (3) weights, lengths, and license fees for trucks which will tend to preserve our roads and cause the owners of large vehicles to contribute a reasonable proportion of the expense of maintaining the highway system; and

WHEREAS, A further study of these urgent problems is both necessary and desirable; therefore, be it

Resolved, By the House of Representatives of the Sixty-sixth General Assembly of the State of Illinois, the Senate concurring herein, that we request the Governor to appoint a board of five persons, two of whom shall be members of the General Assembly, to study the problems of the allocation of

Motor Fuel Tax funds and the weights, lengths and license fees of second division motor vehicles, and to report its findings and recommendations to the Governor prior to the next regular session of the General Assembly; and be it further

Resolved, That a copy of this resolution be delivered to His Excellency, Adlai E. Stevenson, Governor of Illinois.

And the resolution was adopted.

Ordered that the Clerk inform the Senate thereof and ask their concurrence therein.

By unanimous consent, Messrs. Morris, Stransky and Burt offered the following resolution and, having asked and obtained unanimous consent to suspend the rules for its immediate consideration, moved its adoption:

HOUSE RESOLUTION No. 84

WHEREAS, The people of the State of Illinois have become the beneficiaries of certain lots adjacent to the U. S. Grant Home State Memorial in the City of Galena in the County of Jo Daviess; and

WHEREAS, These lots are greatly needed for landscaping and improving the setting of the Home; and

WHEREAS, These lots were given to the State of Illinois by the Illinois Grant Home Association acting by and through its President, Mr. Louis A. Nack, as the final act of the Association before it dissolves after many years of cooperation with the State of Illinois in making the Home one of the outstanding memorials of the Nation; and

WHEREAS, The funds of the Illinois Grant Home Association were secured chiefly through the generosity of the citizens of Galena and vicinity; therefore, be it

Resolved, By the House of Representatives of the Sixty-sixth General Assembly, that we express our deep appreciation to the Illinois Grant Home Association and the citizens of Galena and vicinity for this generous gift as an addition to the State Park System, to be maintained as a permanent memorial for the people of Illinois and their guests.

And the resolution was adopted.

By unanimous consent, Mr. James J. Ryan offered the following resolution and, having asked and obtained unanimous consent to suspend the rules for its immediate consideration, moved its adoption:

HOUSE RESOLUTION No. 85

WHEREAS, The House of Representatives heretofore on June 30, 1949, adopted a joint resolution that when the two Houses of the General Assembly adjourn on June 30, 1949, they stand adjourned *sine die;* and

WHEREAS, The Senate thereafter on June 30, 1949, refused to concur in said joint resolution adopted by the House; and

WHEREAS, The House of Representatives thereafter duly adhered to said joint resolution and so advised the Senate and again requested the Senate to concur therein; and

WHEREAS, The Senate thereafter again refused to concur in said joint resolution; therefore, be it

Resolved, By the House of Representatives, that the two Houses of this General Assembly, by their aforesaid action, have demonstrated that they have disagreed and cannot agree to the time of adjournment of the General Assembly; and be it further

Resolved, That the Speaker and the Clerk of the House of Representatives are hereby directed to so inform the Governor, and the Speaker and the

Clerk of the House are hereby directed to certify to the Governor such disagreement of the two Houses with respect to the time of adjournment of the General Assembly.

And the resolution was adopted.

By unanimous consent, Mr. James J. Ryan offered the following resolution and, having asked and obtained unanimous consent to suspend the rules for its immediate consideration, moved its adoption:

HOUSE RESOLUTION No. 86

Resolved, That the Chief Clerk of the House, Chas. F. Kervin, and his first Assistant Clerk, and stenographers (one of whom to be paid at the rate of an Assistant Clerk; one to be paid at the rate of typist, Clerk's office; one to be paid at the rate of printed bill clerk), the Clerk on the Committee on Enrolling, Transcribing and Typing of Bills, and three assistants, the Private Secretary to the Speaker, and assistant and stenographer in Speaker's office, five stenographers, (one to be paid at the rate of the Clerk of the Majority Leader, one to be paid at the rate of the Clerk of the Minority Leader, one to be paid at the rate of Assistant Postmistress and two as the stenographers of the majority and the minority leaders), be retained twenty days after the *sine die* adjournment as prescribed by statute, for the purpose of closing up the work of the session and turning over to the Secretary of State the books, records and papers in their respective offices; that for said purpose, a stenographer (to be paid at the rate of an Assistant Clerk), one stenographer (to be paid at the rate of the Clerk for the Contingent Expense Committee); one stenographer (to be paid at the rate of Chief Janitor); one stenographer (to be paid at the rate of Postmistress) and such additional stenographers as may be deemed necessary by the Speaker at such per diem heretofore paid be retained for not more than twenty days after the *sine die* adjournment; and be it further

Resolved, That the Speaker of the House be, and he is hereby authorized and directed to certify to the expense vouchers deemed by him necessary for any incidental expenses incurred in the office of the Speaker and the Clerk of the House, in the transaction of any necessary business of the House.

Mr. Speaker—I am directed to inform the House of Representatives that the Senate has concurred with the House in the adoption of House amendments to a bill of the following title, to-wit:

SENATE BILL NO. 259

A bill for "An Act to amend Section 1-6 of 'An Act to provide payment of compensation to certain persons who served with the military or naval forces of the United States prior to or in the recent war with Germany, Italy, Japan and other nations or to their survivors, and to authorize the issuance and sale of bonds of the State of Illinois to make said payments and to provide for the payment of the principal of and interest upon said bonds by a direct annual tax and by taxes levied and imposed by amending Sections 6, 10 and 10a of the "Illinois Horse Racing Act", filed June 13, 1927, as amended, and by taxes levied and imposed by amending Sections 2, 3 and 29 of the "Cigarette Tax Act", approved June 2, 1941, as amended', approved June 14, 1946."

Which amendments are as follows:

AMENDMENT NO. 1

Amend printed Senate Bill No. 259 by striking from line 2 of the title thereof the following:
"Section 1-6" and inserting in lieu thereof the following:
"Sections 1-6 and 1-7"; and
on page 1 in Section 1 by striking from line 1 the following:
"Section 1-6" and inserting in lieu thereof the following:
"Sections 1-6 and 1-7"

AMENDMENT NO. 2

Amend printed Senate Bill No. 259 by adding Sec. 1-7 immediately following Sec. 1-6, as follows:

"Sec. 1-7. The State of Illinois is authorized to issue and sell and provide for the retirement of bonds of the State of Illinois to the amount of Three Hundred and Eighty-five Million Dollars ($385,000,000.00) for the purpose of providing funds for making the payments provided for in this Act. The issuance, sale and retirement of the bonds shall be under the general supervision and control of the Service Recognition Board.

The bonds shall bear interest, payable annually, from their date, at the rate of not more than two percentum per annum. They shall be serial bonds and be dated, issued and sold from time to time in such amounts as may be necessary to provide sufficient money to make payments provided for in this Act. Each bond shall be in the denomination of $500.00 or some multiple thereof, and shall be made payable within twenty-five years from its date, and may be made subject to redemption in such manner and upon such terms as may be determined by the Service Recognition Board. These bonds shall be signed by the Governor and attested by the Secretary of State under the seal of the State and countersigned by the State Treasurer and by the Auditor of Public Accounts. The signatures of the Governor and Auditor of Public Accounts may be lithographed facsimile signatures. Interest coupons with lithographed facsimile signatures of the Governor, Secretary of State, Auditor of Public Accounts and State Treasurer may be attached to the bonds. The fact that an officer whose signature or facsimile appears on a bond or interest coupon no longer holds such office at the time the bond or coupon is delivered shall not invalidate such bond or interest coupon.

Pending the preparation and execution of any such bonds, temporary bonds may be issued with or without interest coupons. The bonds shall be sold to the highest and best bidders, for not less than their par value, upon sealed bids. The Service Recognition Board shall, from time to time as bonds are to be sold, advertise in at least two daily newspapers one of which is published in the City of Springfield and one in the City of Chicago for proposals to purchase the bonds. Each of such advertisements for proposals shall be published at least ten days prior to the date of the opening of the bids. The board may reserve the right to reject any and all bids.

The bonds may, at the request of owners, be registered with the Auditor of Public Accounts. The bonds shall be deposited with the State Treasurer and when sold the proceeds of the bonds shall be paid into the State treasury and kept in a separate fund which shall be known as the Illinois Compensation Fund.

If, at any time hereafter, the Service Recognition Board shall ascertain that there is a surplus in the said Illinois Compensation Fund which exceeds by more than thirty million dollars the amount required to pay all claims for compensation under this Act, such Board shall, in writing, direct the Treasurer to, and the Treasurer shall thereupon, transfer twelve million dollars from the said Illinois Compensation Fund to the Service Recognition Bond, Interest and Retirement Fund, hereinafter mentioned, to be used for the payment of bonds and interest, as hereinafter provided.

Taxes are levied and imposed pursuant to Articles II, III and IV of this Act for the payment of the interest annually as it shall accrue, upon bonds issued pursuant to this Act, and to pay the principal of such bonds according to their terms. There is hereby created a special fund in the State treasury to be known as the Service Recognition Bond, Interest and Retirement Fund, into which fund the proceeds of all such taxes shall be paid. Moneys in such fund shall be used exclusively for the payment of the principal of and interest upon bonds issued pursuant to this Act."

Concurred in by Senate, June 30, 1949.

EDWARD H. ALEXANDER, *Secretary of the Senate.*

A message from the Senate by Mr. Alexander, Secretary:

Mr. Speaker—I am directed to inform the House of Representatives that the Senate has concurred with the House in the adoption of a House amendment to a bill of the following title, to-wit:

SENATE BILL No. 622

A bill for "An Act to amend Sections 2, 3, 11, 13, 14, 18, 19, 21, 24, 25 and 27 and the title of 'An Act in relation to the eradication and redevelopment of slum and blighted areas; to provide for the creation of instrumentalities to aid in the accomplishment of this purpose, and to define the rights, powers and duties of such instrumentalities and of political subdivisions, and municipal corporations in connection therewith; and to make provision for financial assistance from the State of Illinois and municipal corporations therein', approved July 2, 1947, and to add Section 26.1 thereto."
Which amendment is as follows:

AMENDMENT No. 2.

Amend printed Senate Bill No. 622 in House, on page 2, Section 2, by striking lines 1, 2 and 3 and inserting in lieu thereof the following:
"Sec. 2. It is hereby found and declared (a) that there exist in many urban communities within this State slum and blighted areas, as defined herein; (b)"; and on page 2, Sec. 2, by striking lines 12 to 30 inclusive, and inserting in lieu thereof the following: "tions of the municipalities embracing such areas, as well as of the State; and (c) that in order to promote and protect the health, safety, morals and welfare of the public it is necessary to provide for the eradication and elimination of slum and blighted areas and the construction of redevelopment projects thereon, and that the eradication and elimination of such areas and the construction of redevelopment projects financed by private capital, with limited financial assistance from governmental bodies, in the manner provided in this Act are hereby declared to be a public use essential to the public interest.

It is also found and declared (a) that there exist in many communities within this State areas of platted or unplatted land which are predominantly open and which, by reason of obsolete platting, diversity of ownership, deterioration of structures or site improvements, or taxes and special assessment delinquencies usually exceeding the fair value of the land, are unmarketable in fact for housing or other economic purposes, and which otherwise substantially impairs or arrests the sound growth of communities; (b) that such predominantly open land constitutes a blight upon communities by preventing the construction of critically needed residential housing; (c) that the retardation of housing and other essential community development and redevelopment projects is a direct and immediate cause of such blighted vacant areas and that the existence of such areas constitutes a menace to the public health, safety, welfare and morals by promoting the creation and continuation of slum and blighted areas, as herein defined, with their attendant evils of disease, crime, infant mortality and juvenile delinquency; (d) that in order to promote and protect the health, safety, morals and welfare of the residents of this State, it is essential that such open areas be developed for predominantly residential uses; and (e) that the acquisition of such predominantly open land and the development or redevelopment thereof by private capital, with limited financial assistance from governmental bodies, in the manner provided by this Act, is hereby declared to be a public use essential to the public interest.";

and on page 4, Sec. 3, by striking lines 44 to 54, inclusive, and inserting in lieu thereof the following:

"(k) 'Slum and Blighted Area Redevelopment Project' means a project involving a slum and blighted area as defined in sub-section (j) of this section.

(l) 'Blighted Vacant Area Redevelopment Project' means a project involving (1) predominantly open platted urban or suburban land which because of obsolete platting, diversity of ownership, deterioration of structures or of site improvements, or taxes or special assessment delinquencies exceeding the fair value of the land, substantially impairs or arrests the sound growth of the community and which is to be developed for predominantly residential uses, or (2) open unplatted urban or suburban land to be developed for predominantly residential uses, or (3) a combination of projects defined in (1) and (2) of this sub-section (1).

(m) 'Redevelopment Project' means a 'Slum and Blighted Area Redevelopment Project' or a 'Blighted Vacant Area Redevelopment Project', as the case may be, as designated in the determination of the Commission pursuant to Section 13 of this Act.";

and on page 4, Sec. 3, line 55, by striking "(l)" and inserting in lieu thereof "(n)";

and on page 5, Sec. 11, by inserting after line 40, the following:

"The Commission shall have power to make studies, surveys and plans preliminary to or concerning any projects which are permissible under this Act";

and on page 6, Sec. 13, line 9, by inserting after the period following the word "Commission" the following:

"The area of each such determination shall be specifically designated in the resolution as a 'Slum and Blighted Area Redevelopment Project' or a 'Blighted Vacant Area Redevelopment Project', according to the determination of the Commission; provided, that any determination made prior to the effective date of this amendatory Act and designated as a 'redevelopment project' as required by the provisions of this section in force prior to such effective date shall constitute a determination that the project is a 'Slum and Blighted Area Redevelopment Project' and shall not require, the adoption of a new or amendatory resolution so describing the area involved in such determination."

and on page 6, Sec. 14, by striking lines 6 and 7 and inserting in lieu thereof the following: "area; provided, however, that land embraced within a 'Blighted Vacant Area Redevelopment Project' shall not be required";

and by amending line 2 of the title of printed Senate Bill No. 622 in House by striking "18, 19," and on page 1, Section 1, line 1, by striking "18, 19,";
and on pages 7, 8 and 9, by striking all of Sections 18 and 19;
and on page 15, Sec. 25, line 6, by striking the word "of" and inserting in lieu thereof the word "to";
and on page 17, Sec. 2, by striking line 3 and inserting in lieu thereof the following: "blighted areas and for the development and redevelopment of blighted vacant areas; to"

Which amendments are as follows:

AMENDMENT No. 2.

Amend printed Senate Bill No. 10 in House on page 3, Section 8-9, by inserting immediately following line 55, the following paragraph:

"This section shall not apply to the territory or portions thereof of any school district having a population exceeding 500,000 and any petition heretofore filed which includes any portion of such school district is void and no further proceedings shall be based thereon."

AMENDMENT No. 3.

Amend printed Senate Bill No. 10 in House on page 1, Sec. 8-9, line 5, by striking the words and figure "two thousand (2,000)" and inserting in lieu thereof the words and figure "three thousand (3,000)"

AMENDMENT No. 4.

Amend printed Senate Bill No. 10 in House as amended, by striking all of Sec. 8-9 and inserting in lieu thereof the following:

"Sec. 8-9. Upon receipt of a petition signed by two hundred (200) or more voters residing in any contiguous and compact territory, no party of which is included within any community unit school district, having a population of not less than two thousand (2,000) and not more than five hundred thousand (500,000) persons and an equalized assessed valuation of not less than six million dollars ($6,000,000), described in the petition, such petition to contain signatures from at least three-fourths of the school districts or parts of districts in the territory included in the petition, the county superintendent of schools of the county in which the territory or the greater part thereof is situated shall cause notice of the presentation of such petition to be given by publishing a notice thereof at least once each week for three successive weeks in at least one newspaper having general circulation within the area of the territory of the proposed district. The notice shall state when and to whom the petition was presented, the description of the territory of the proposed district, and the day on which the hearing upon the petition will be held. On such day or on a day to which the county superintendent shall continue said hearing, the county superintendent shall hear the petition and determine the sufficiency thereof as herein prescribed and may adjourn the hearing from time to time or continue the matter for want of sufficient notice or for other good cause. Upon application of the petitioners,

the county superintendent shall permit amendment of the petition but shall not permit the withdrawal of any signature except by consent of a majority of the petitioners or where the county superintendent is satisfied that a signature was obtained by fraud or misrepresentation. The county superintendent shall hear evidence as to the school needs and conditions of the territory and in the area within and adjacent thereto and shall determine whether the territory described in the petition is compact and contiguous for school purposes.

At the hearing, any resident in the proposed district may appear in support of the petition or to object to the sufficiency thereof or to offer evidence concerning the compactness and contiguity of said territory for school purposes. At the conclusion of the hearing the county superintendent shall make a decision either approving or denying the petition. If the county superintendent denies the petition no election shall be held or further proceedings had unless his decision is reversed upon review. If the county superintendent approves the petitions he shall call an election to be held at least 40 days after such approval for the purpose of voting for or against the proposition of establishing a community unit school district to maintain grades one to twelve, inclusive. The decision of the county superintendent shall be deemed an 'administrative decision' as defined in Section 1 of the 'Administrative Review Act' and any petitioner or resident who appears at the hearing may apply for a review of such decision in accordance with the 'Administrative Review Act', and all amendments and modifications thereof and the rules adopted pursuant thereto. The commencement of any action for review shall operate as a supersedeas, and no election shall be held pending final disposition of such review. Whenever an election is permissible or required under this Section, the county superintendent shall post notices of the election for at least ten days in ten public places throughout the territory, which may be in substantially the following form:

A message from the Senate by Mr. Alexander, Secretary:

Mr. Speaker—I am directed to inform the House of Representatives that the Senate has concurred with the House in the adoption of House amendments to a bill of the following title, to-wit:

SENATE BILL NO. 503

A bill for "An Act to revise the public assistance laws of Illinois, to consolidate and codify such laws, to prescribe the functions, powers, and duties of governmental units, agencies, and persons thereunder, to provide penalties for the violation thereof, and to repeal certain Acts herein named."

Which amendments are as follows:

AMENDMENT NO. 1

Amend printed Senate Bill 503 in House on page 35, Sec. 4-29, line 10⅓, by striking the words "one-half" and inserting in lieu thereof the following: "one"

and on page 35, Section 4-29, by inserting immediately after line 12 the following:

"In determining the amount of the unobligated balance which is to be applied in producing the required levy for receipt of allocations of state funds hereunder, there shall be deducted from the gross unobligated balance

of funds available at the close of the fiscal year preceding the fiscal year for which the tax is levied the total amount of state funds allocated to such city, village, incorporated town, or other governmental unit during such preceding fiscal year, and only the remainder shall be considered available in determining the amount of the deficiency needed to produce the qualifying levy for the fiscal year for which the tax is levied."

AMENDMENT No. 2

Amend printed Senate Bill No. 503 in House on page 8, Sec. 2-2, by inserting immediately after line 88 the following paragraph:

"(j) have authority to appoint, when and as it may deem necessary, statewide advisory committees to provide professional or technical consultation in respect to medical or dental or hospital care, general assistance, home economics, or other special aspects of public assistance and related welfare functions. The members of such advisory committees shall receive no compensation for their services, other than expenses actually incurred in the performance of their official duties. The number of members of each such advisory committee shall be determined by the Commission. Such advisory committees shall consult with and advise the Commission in respect to problems and policies incident to the administration of the particular Act or Acts germane to their respective fields of competence. In addition to the powers and duties conferred and imposed upon it by this Code, the Illinois Public Aid Commission shall perform such further duties and exercise such further powers as are conferred upon it by law."; and

on page 9, Sec. 2-3, by striking lines 17 to 29, inclusive.

AMENDMENT No. 3

Amend printed Senate Bill No. 503 in House, on page 32, Sec. 4-25, line 17, by adding after the word "Article" the following: "and payments of assistance to indigent war veterans and their families, as provided in Section 4-34 of this Article,";

and on page 36, by adding after line 13 of Sec. 4-33, the following section:

"Sec. 4-34. Assistance to Indigent War Veterans and their Families.] The Commission shall, in accordance with the provisions of Section 28a of 'An Act to revise the law in relation to counties', approved March 31, 1874, as amended, determine and certify to the Auditor of Public Accounts, the amounts to be paid to counties for the assistance of indigent war veterans and their families in supplementation of county tax levies for such purpose as provided in said section.";

and on page 36, by renumbering printed Sec. 4-34 to be Sec. 4-35

AMENDMENT No. 4

Amend printed Senate Bill No. 503 in House, on page 45, Article VII, Sec. 7-3, by inserting immediately following line 13, the following:

"In the event that federal law or regulations providing grants to the state for aid to needy individuals who are blind permit the exemption of certain income of an applicant or recipient of Blind Assistance, and which exemption shall not render the grant to the needy blind individual ineligible for contribution of funds by the Federal Government, the amount of Blind Assistance given hereunder shall be in addition to any amount of earned income of an applicant or recipient, up to and including $500 per year; provided, however, that earned income received in excess of $500 per year, or income of any amount not earned by the applicant or recipient, shall be considered as income available in fixing the amount of assistance under this Article. The term 'earned income' as used herein means money earned in self-employment or in the form of wages, salary or commission for personal services performed as an employee of another.

In fixing the amount of assistance to which a person is entitled, the Commission shall not consider any homestead of such person except to the extent that such homestead provides income and shelter for the support of such person. The term 'homestead', as used in this section, means the dwelling house and contiguous real estate owned and occupied by such person, regardless of the value of the property."

(a) The plans of development have been approved by the corporate authorities of the municipality in which the site is located, or by the corporate authorities of the county where the site is located in an unincorporated area.

(b) The developer has satisfied the Board that the completion of development will be accomplished within a reasonable time after title to the site has been acquired from the State of Illinois by depositing bond with surety to be approved by the Board, or making a cash deposit, in either case in such amount as shall be deemed adequate by the Board. Such bonds shall designate the People of the State of Illinois as obligee thereunder and the developer as obligor thereon, and shall be conditioned upon completion of development by the developer in accordance with the plans of development,

or such revisions therein as may be approved by the Board, within a period to be specified by the Board or any subsequent extension of this period by the Board.

Such bond shall be in substantially the following form:

'KNOW ALL MEN BY THESE PRESENTS, that we, A.B., C.D., and E.F., of the County of.....and State of Illinois, as principal, and.....as surety, are bound to the People of the State of Illinois in the penal sum of..... ($.....), lawful money of the United States, for the payment of which we and each of us bind ourselves and our heirs, executors, administrators and assigns jointly by these presents.

The condition of this bond is such that if the said A.B., C.D., and E.F., shall well and truly complete development of a site located at..... .....in accordance with plans of development submitted to the Illinois State Housing Board on....., 19....., or in accordance with such revisions of such plans of development as may hereafter be approved by the Illinois State Housing Board, such completion of development to be within a period of.....years, or any subsequent extension of this period by the Illinois State Housing Board, then this obligation is void; otherwise it remains in full force and effect.

WITNESS OUR HANDS AND SEALS THIS.....day of....., 19.....'

The bond shall be signed and sealed by the principals and sureties and after approval by the Board shall be filed and recorded by the Board."

Concurred in by Senate, June 30, 1949.

Mr. Searle submitted the following protest, which was ordered printed in the Journal:

PROTEST

In accordance with Article IV, Section 10, of the Constitution of Illinois, the undersigned members of the House of Representatives dissent from and protest the action of the House in advancing Senate Bill No. 687 from second reading to third reading on Wednesday, June 29, 1949, and in passing Senate Bill No. 687 on Wednesday, June 29, 1949, and state, as the reasons for our protests, the following facts:

Section 13 of Article IV of the Constitution requires that each bill shall be read at large on three different days in each House.

Senate Bill No. 687 as it was introduced into the Senate and as it passed that body and as it received its first two readings in the House was entitled: "An Act making an appropriation to the Department of Revenue for refunds in accordance with the provisions of the Motor Fuel Tax Law, approved March 25, 1929, as amended." The bill as it then stood purported to make an appropriation of $10,750,000 to the Department of Revenue from the Motor Fuel Tax fund in the State Treasury for the purpose of reimbursing and repaying persons in accordance with Section 13 of the Motor Fuel Tax Law.

On Wednesday, June 29, 1949, the House adopted an amendment which changed completely the character of the bill. The amendment struck the entire title of the bill except for the prefatory words: "A BILL", and inserted in lieu thereof "For an Act making appropriations

for certain ordinary and contingent expenses of this State in connection with tax assessments." The amendment also struck everything in the bill following the enacting clause (except for a relatively unimportant provision containing the standard language making the appropriation subject to the State Finance Act) and inserted in lieu thereof a Section making an appropriation to the Department of Revenue of $632,625 from the General Revenue Fund to meet the ordinary and contingent expenses of the Property Tax Division in the Department of Revenue.

Thus this amendment not only struck virtually the entire original bill and its title, but substituted for them something altogether different. The bill which was purported to be passed by the House on the order of third reading was not the same bill that had been passed by the Senate and given two readings in the House. The bill which passed the Senate and which received a first and second reading in the House was "A Bill for an Act making an appropriation to the Department of Revenue for refunds in accordance with the provisions of the Motor Fuel Tax Law, approved March 25, 1929, as amended." That bill was then dropped, and in its place was substituted "A Bill for an Act making appropriations for certain ordinary and contingent expenses of this State in connection with tax assessments." This bill was "passed" by the House after having received one reading. It received what purported to be a third reading in the House, although it had never received a first and second reading and had not been read at all in the Senate.

It is clear, therefore, that Senate Bill No. 687 did not fulfill the constitutional requirement that each bill must receive three readings in each House.

For these reasons, we protest the passage by the House of this bill and demand, in accordance with our rights under the Constitution, that this protest be printed in full in the Journal of the House.

J. Clinton Searle,
Geo. S. Brydia.

By unanimous consent, Mr. Ray, from the Committee To Visit Educational Institutions, submitted the following report, which was received and ordered printed in the Journal, to-wit:

REPORT OF COMMITTEE TO VISIT EDUCATIONAL INSTITUTIONS

To the Honorable Paul Powell, Speaker, and Members of the House of the 66th General Assembly of the State of Illinois:

The committee appointed to visit the state educational institutions has completed its functions, and submits the following report based on its observations and on personal interviews with administrative officials of the schools which were inspected. The committee visited the University of Illinois, including the several branches in Chicago and Urbana, Southern Illinois University at Carbondale, Eastern Illinois State College at Charleston, Normal University at Normal, Northern Illinois State Teachers College at DeKalb, and Western Illinois State College at Macomb. In accordance with the traditional practice, a similar committee was appointed by the Senate. During the present session of the General Assembly, it has been the policy of the Senate and House committee appointed to visit educational institutions to function jointly. This practice has avoided duplicate activities for both committee members and officials of the institutions inspected.

SUMMARY

The committee was favorably impressed by conditions generally. The morale of the faculty, the administration, and students appeared uniformly good. The personnel of the several institutions with whom the committee came in contact seemed to be persons of high ideals, and displayed qualities of drive and ambition, and are unquestionably loyal to the State of Illinois and to America.

The committee feels that the several institutions are in capable hands so far as the top administrative officials with whom the committee came in contact are concerned. The committee was favorably impressed with the quality of the schools, in general, and feels that the people of the State of Illinois can be justly proud of the great state supported institutions in Illinois.

Throughout the institutions, the need for housing accommodations for students is acute. The need for additional buildings at the institutions is apparent. The committee recommends that these needs should be filled as promptly as sound budgetary practices will permit.

There exists a question as to whether or not the colleges, other than the University of Illinois, should continue to place major emphasis on education, or whether they should be permitted to branch into the fields of general education. Southern Illinois University has already gone far from its original status as a teachers college; and the geographical location of Southern Illinois University justified this position, in the opinion of the committee. The acute teacher shortage existing in the State of Illinois supports the argument that emphasis on teacher training must not be diminished. It is the opinion of the committee that Normal University, due to its traditional background and geographical location, should remain a professional teachers college. The same is probably true of Northern Illinois State Teachers College. The committee commends the study of this problem as it affects Eastern Illinois State College and Western Illinois State College to the further study of the Legislature.

The enrollment remains uniformly high at all institutions. It is the concensus of opinion among the university officials, that the present high enrollment will not diminish substantially in the near future even with the reduction of G.I. students in training, which is not as rapid as was once anticipated. The overall demand for higher education is very high, and as economic conditions stabilize, the state institutions can be expected to still draw large enrollments due to the fact that the cost per student is substantially lower than that in the private schools.

UNIVERSITY OF ILLINOIS:

A visitation was made to the University of Illinois at Urbana, Illinois, during the month of May, and following a luncheon with the administrative officials of the school, a thorough discussion was held between the members of the committee and the officials relative to the existing problems confronting the university.

The University of Illinois has 24,616 full-time students enrolled, of which 13,000 students are doing extension work.

The most critical situation facing the school is the housing shortage. 736 students are living in temporary facilities taken over from an academic program, and due to the shortage, are living in an old gymnasium and skating rink. 2,380 students are living off the campus at the present time, as well as 3,600 married families who are housed in army barracks. However, a new women's dormitory will be ready for occupancy before the fall term of 1949, and this will alleviate the situation somewhat.

The committee, as a whole, was greatly impressed with the conditions of the buildings, with the exception of a very few buildings. A certain amount of major reconstruction is needed.

The school has a veterinary college which accommodates only twenty students. This building was formerly a sorority house which was purchased by the university until the new veterinarian college will be constructed, which will probably be ready for use in September of 1950. The professional schools of the University of Illinois are rated among the foremost schools of medicine, dentistry, and pharmacy. However, enrollment is greatly curtailed due to lack of housing conditions and classroom facilities, especially in the school of medicine.

While the University of Illinois is primarily an educational institution, it functions in the fields of service and research. These functions are outstanding, particularly the service functions of the College of Agriculture and the College of Medicine. Other colleges of the university perform notable services to the State of Illinois and to the citizens, thereof. In the field of research the university is outstanding in the department of chemistry and physics. The recent development of the Betatron is of world renow. The College of Law has recently launched the publication of an Illinois Law Review. The excellent quality of this publication is attested by the fact that it has received such reception from the members of the Illinois Bar that it has been self sustaining financially from its inception.

In the question of the cost of the University of Illinois, the committee feels that the people of the state should be informed and should realize that in addition to its educational functions, these functions in the fields of research are of inestimable value to the people of the State of Illinois, and also to humanity. The functions in the field of service are of great value to farmers, lawyers, patients in the hospitals, and many other categories. There is no way within the limited abilities of the members of the committee that any valuation can be estimated or placed upon these service functions.

The committee feels, however, that the people of the State of Illinois can be justifiably proud of sustaining the university which renders such invaluable service to all people in all walks of life as does the University of Illinois. The administration of the university, and the faculty members, are all to be highly commended for their labors and achievements in these fields.

Navy Pier:

The maintenance of this branch of the university affords the first two years of college education to many citizens of our state who reside in the great metropolis of Chicago and is considered by the committee to be a splendid function. By taking education and the facilities of the University of Illinois to this densely crowded area affords preliminary college education to those who could not otherwise obtain the same; and for many students who might go elsewhere, this branch serves to relieve congestion at the University of Illinois and in other institutions.

The committee was informed that the City of Chicago made available the physical facilities of Navy Pier to the University on a very favorable basis and at an economical rental. It appears to the committee that the City of Chicago appreciates the establishment of this branch, and is in full cooperation with the State of Illinois and with the University of Illinois in the maintenance and continuance of this branch. The City of Chicago, and the people thereof, are to be congratulated for their whole-hearted support of this branch.

The committee feels that serious consideration should be given to the continuation of this branch as a permanent branch of the University of Illinois, and that the same should be developed within the limitations of sound budgetary practices.

Southern Illinois University, Carbondale, Illinois:

On March 3, the committee visited the Southern Illinois Normal University at Carbondale, Illinois, and a tour was made from the office of the President, Dr. D. W. Morris.

The present enrollment was found to be 3,000. The enrollment in 1918 was 200, with a steady increase to the present figure. The Office of Education recommends 185 square feet of space per student; however, there is only 72 square feet of space per student at the present time.

The committee recommends a grant to enable the school to expand the facilities of the women's dormitory residence hall, as this hall is an old building and inadequate for the needs of the women students.

Private homes have been purchased by the school, and are being used for class rooms. The Veterans Housing Project houses 150 veteran families, which is owned by the University.

The need for an agricultural school is acute, as students who are desirous of this course, are forced to leave their homes and try to enroll in other schools.

The committee recommends great financial aid for this school, as the southern 31 counties of Illinois need Southern Illinois University.

Western Illinois State College, Macomb, Illinois:

On March 10, a visitation was made to Western Illinois State College at Macomb, Illinois.

The enrollment of the school is between 1,300 and 1,400 students, with approximately 600 in the training school. Approximately fifteen faculty members are engaged in extension courses training program. The G. I. enrollment of last year was 600, with a decrease of 100 for this term, making the figure of 500 veterans. 300 veterans are expected next year, but the president of the school does not feel that the decline in G. I. enrollment will affect the over-all enrollment.

President Beu definitely stated that a power plant is greatly needed, and the committee recommends to the 66th General Assembly that this improvement be made as soon as possible.

The average class room seats 60 students.

President Beu stated that he felt the Legislators and the members of both Houses had been very fair with their school, and he had no specific request to be made other than would be made by Senator MacDowning from Macomb.

State Normal University:

The committee visited SNU on March 25. Following the luncheon of the administrative staff of the school and the members of the committee, a conference was held relative to the instant needs of the school.

Normal is faced with an acute shortage of housing facilities, and it has been necessary to curtail the enrollment. As Normal is a teachers college only, Dr. Fairchild feels that housing conditions must be greatly improved if the school is to maintain its precedence as a teachers college. The teaching staff consists of slightly over 200 instructors, and both students and instructors have had difficulty in obtaining living quarters. Many students are required to live off the campus in order to continue their education.

Classroom space is inadequate, and the greenhouse, the dining-room, and a rented church are being used for classrooms. Music students are forced to study in small cell-like rooms in the basement of the gymnasium, which is a very undesirable situation, both from the standpoint of health and progress in their work.

Many buildings are in need of extensive repair work, and should be done at once; therefore, the committee recommends to the 66th General Assembly that serious consideration be given this matter.

This institution has many deplorable deficiencies in its physical plant. This is the oldest state institution in the State of Illinois. The administration has followed the policy of putting its best foot forward, and emphasizes its good features rather than focusing attention on its physical deficiencies. President Fairchild recognizes that the institution draws students from an area that is well supplied with colleges, and in the belief that in the best interest of the teaching profession, the teachers colleges must compete for high type students.

This institution has refrained from emphasizing its deficiencies and the committee commends the administration on this policy. The fact remains, however, that there are many physical deficiencies at this college, although, in the opinion of the committee, the same are not as widely publicized as some of the deficiencies elsewhere.

Eastern Illinois State College, Charleston, Illinois:

A visitation was made to Eastern Illinois State College on March 17, and the tour and visitation started from the assembly room, preceded by a discussion by Dr. R. G. Buzzard, President, concerning the acute problems facing the school.

The main problem facing the administration is the operating budget for the coming biennium, and the administration is desirous of preserving the operating budget at its present level.

Instructors are paid set salaries, just as classified employees in civil service, and are ranked as professors, associate-professors, assistant professors, and instructors.

The present enrollment of the school is 1,423, and the teaching employees number 139, one, of which is a part time instructor.

All veterans' barracks are completed, and due to the lack of housing, the school was forced to reject many applications for enrollment in the school. The greatest need, at the present time, is for additional classroom space.

Eastern Illinois State College receives no endowments, and has very few loan funds. Generally, the committee feels that existing conditions are good at Eastern Illinois State College.

Northern Illinois State Teachers College, DeKalb, Illinois:

One thousand six hundred students are enrolled at NISTC, and the same condition exists at this school as does at the other state supported schools. Housing conditions are very poor, and many students are forced to reside off the campus. At the present time, there are 545 veterans enrolled at the school.

The need for a new library is a serious one, as the lighting facilities are poor and present a fire hazard.

As salary conditions are much lower than in other fields, it is difficult to obtain proper instructors, and many teachers have left the employ of the university to work elsewhere. This is the main objection raised by the administrative staff of the school.

The committee was impressed at this institution by the efforts made by the administration to get representatives of the student body in contact with the committee. A luncheon was held, and class officials and various student representatives attended. Several of these students made short talks.

The committee feels that the morale of the students at Northern Illinois State Teachers College is indeed high.

A Union building has been established at this school, and was built through the issuance of revenue bonds. The committee was informed that the revenues from the Union building appears to be adequate to retire the bonds in accordance with the program. In any case, the committee was informed that the bonds are no obligation of the State of Illinois.

The conditions and maintenance of the physical plant is very good, and the committee, as a whole, feels that NISTC present a good picture, and their needs are few compared with the remainder of the state supported schools.

Respectfully submitted,

A. W. RAY, *Chairman;*
Committee to Visit Educational Institutions.

GENERAL RESOLUTIONS

The House proceeding on the order of General Resolutions, Mr. Edw. C. Hunter offered the following resolution and, having asked and obtained unanimous consent to suspend the rules for its immediate consideration, moved its adoption:

HOUSE RESOLUTION NO. 87

WHEREAS, Certain rooms have been set apart for the exclusive use of the officers, committees and members of the House of Representatives; therefore, be it

Resolved, By the House of Representatives of the Sixty-sixth General sembly of the State of Illinois, that the Secretary of State be, and he is hereby directed to keep and preserve intact and undisturbed in every respect after the adjournment of the Sixty-sixth General Assembly, and until the convening of the Sixty-seventh General Assembly, the offices of the Speaker and Clerk of the House of Representatives, and the rooms occupied by the Committee on Appropriations of the House and the majority and minority floor leaders; and be it further

Resolved, That the use and occupancy of the said offices and committee rooms shall not be permitted by any persons other than the respective officers above referred to; and, if necessity arises for the temporary use of any of the other committee rooms of the House of Representatives, the Secretary

of State shall first obtain written permission of the Speaker of the House for the temporary use of such room or rooms.

And the resolution was adopted.

Mr. Hruby offered the following resolution and, having asked and obtained unanimous consent to suspend the rules for its immediate consideration, moved its adoption:

HOUSE RESOLUTION NO. 88

Resolved, That a Committee of five (5) members be appointed by the Speaker to approve the Journal of June 30, 1949.

And the resolution was adopted.

The Speaker announced the appointment of the following committee as provided for in the foregoing House Resolution No. 88: Messrs. Sullivan, Kennedy, Schaefer, Cutler and Hugh Green.

At the hour of 11:40 o'clock P. M., the Speaker laid before the House the following proclamation from the Governor, which was read by the Clerk:

SPRINGFIELD, ILLINOIS
BY THE GOVERNOR OF ILLINOIS

A PROCLAMATION

WHEREAS, I have been officially informed by certificate of the Speaker and the Clerk of the House of Representatives of the Sixty-sixth General Assembly of the State of Illinois, that a disagreement exists between the two Houses of the General Assembly with respect to the time of adjournment; and

WHEREAS, I find that such disagreement does exist;

Now, Therefore, I, Adlai E. Stevenson, Governor of Illinois, by virtue of the authority in me vested by Section 9 of Article 5 of the Constitution of Illinois, do hereby declare the Sixty-sixth General Assembly of the State of Illinois adjourned to the 3rd day of January, A. D., 1951, at twelve o'clock noon.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Illinois to be affixed.

Done this 30th day of June in the year of Our Lord one thousand nine hundred and forty-nine and of the State of Illinois the one hundred and thirty-first.

(Signed) ADLAI E. STEVENSON,
Governor.
